I went over to Oncaalon who was hurt from the rubble.

Then I pulled him out and then...

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

I whacked him with a fiery plank in his stomach and then grabbed his tongue and painted it green! BLECH!

Kari was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Same with Pele Roshi.

Pele Roshi: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Darmanitan and Galarian Rapidash and transformed and blasted him.

Me: (Imitating Foghorn Leghorn) That Oncaalon, I say, That Oncaalon is lower than a snake full of buckshot. Time for us to bring that stupid blubber-headed freak down forever!

A figure came and it was Krymzo!

Krymzo is first seen with Jadana, Quaddo and Snoutia on Bajillia's Mega Squidrill with Squillia dancing while she films them for her fans. When Ollie returns with his report to Lord Zedd, he calls Scrozzle, who gives him a gift. Ollie asks for a team of monsters to destroy the Rangers while they're weakened. Zedd accepts and gives him Squillia's team much to her displeasure.

Krymzo arrives on the planet Levvina with his comrades and the Blue Ranger. They think only to dance but Ollie stops them. He tries to command them and succeeds by saying if they defeat the Rangers, they will be Lord Zedd's favorites.

Krymzo later on appears with Snoutia and Jadana as they aid Ollie and Quaddo when the former summons an army of Zentinels to capture Mick, though right before they could take him, the Green, Black and Gold Cosmic Fury Rangers appear and destroy one of the Squidrills.

After Ollie summons another army of Zentinels, he summons a Morpher and morphs into the Cosmic Fury Evil Blue Ranger, to which the four Rangers morphed into the new Cosmic Fury Power Rangers.

During the battle against the Cosmic Fury Rangers, Krymzo fights Javi with some Zentinels, but he proved to be a fairly weak monster and was quickly destroyed by the Cosmic Fury Black Ranger.

Zayto: Krymzo!

Krymzo: Been a while. Also that was an awesome adventure you guys had last year.

Lincoln and his harem fired Ki blasts based on video games and they hit Onccalon with full force and exploded with incredible power as they hit him. That caused Lincoln to suck out and absorb all of Onccalon's powers, abilities, and skills, and he and all of us made them our own.

Solla Nexcrota: Looks like what we did to Onccalon really drove them madder than ever, but now, it's time we put an end to this once and for all.

Suddenly, Solla Nexcrota's purple eyes turned neon purple and she was surrounded by a black, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, dark fire, phoenixes, and angels, she unholstered her staff, and as she approached Alex Creighton and Delilah Necroshade, she left black, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, dark fire, phoenixes, and angels with every step.

Solla Nexcrota: For so many years, so many innocent people have suffered because of your insane desire to destroy the world in the name of Malphas, and in many worst case scenarios, you murdered a lot of them in cold blood. Time to die, you goddamn snakes!

Lincoln, Solla Nexcrota, Nico, and I went after Alex Creighton and Delilah Necroshade, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Solla Nexcrota did the same by firing black, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive staff, and Lincoln, Solla Nexcrota, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Alex Creighton and Delilah Necroshade even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Alex Creighton and Delilah Necroshade and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Alex Creighton and Delilah Necroshade and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Alex Creighton and Delilah Necroshade hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Alex Creighton and Delilah Necroshade were now on their last legs and they were really really mangled and we suddenly found ourselves back home on Earth and back in Canada.

Alex Creighton and Delilah Necroshade became so enraged, they lost all sense of reason, and they suddenly transformed into demons as the sclera of their eyes turn dark red and the iris of their red eyes became brighter, their skin turned black and they had black fur grow and sprout out, and their faces turned into that of a demon dog with horns on top of their heads, and they roared in pure rage and they went full all-out berserk.

Lincoln swung his massive greatsword and fired two powerful rainbow light helix blasts which hit Alex Creighton and Delilah Necroshade, and not only did they transform back into human form, but the blasts also destroyed their dark powers forever, and Lincoln swung his massive greatsword again and fired blades of light which hit Alex Creighton and Delilah Necroshade right in the chest and the blades pierced their black hearts, and we saw lights burst out from behind their backs, and they went up in flames and they turned to ashes, as their black souls were forever sent to The Black Abyss for eternity.

We cheered wildly as we holstered our weapons and powered down and Solla Nexcrota's new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold crescent moon-shaped frame around it with embedded midnight blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold crescent moon-shaped frames around them with embedded midnight blue gems behind the gold rings behind her head, thirty-five large black planets orbiting around her legs, thirty-five smaller black planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black planets orbiting around her wrists and ankles, and massive black angel wings and twenty-four sets of large black angel wings underneath her massive black angel wings are permanent.

Solla Nexcrota: We did it, that's two down and sixteen to go. Thanks for helping me get rid of Alex Creighton and Delilah Necroshade, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Solla.

Me and Nico: Our pleasure, Solla.

Suddenly, Solla Nexcrota wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Solla Nexcrota's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Solla Nexcrota sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Selena Mendez: We did it. Alex Creighton and Delilah Necroshade are gone forever.

Lincoln: Yep, now we got ten more to go: Owen Thatcher and Belial Necroshade, Reagen Lestranfe and Abigor Necroshade Quentin Hargreaves and Damon Necroshade, Michael Ondrushko and Aragon Necroshade.

Me: And finally, the main Satanic demons, Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe and Alaister Necroshade, Leader of The Dark Church of Malphas, the war has only just begun. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, The Soul Stone embedded in the blade of my sword and Lincoln's greatsword started glowing with intense light orange light.

Nico: Now, The Soul Stone's glowing.

Raphaela Fukushima: There's only one person we're going to be meeting on Lincoln's rescue tomorrow: Amelia Suzuki, Elemental Light Guardian of Soul.

Lincoln: I knew it was her.

Me: Whoa, and she's got to be really strong!

Raphaela Fukushima: You have no idea, and you guys are going to love meeting her, Amelia Suzuki, Elemental Light Guardian of Soul, is Lincoln's Guardian Angel from Japan and she's a very powerful master of Cosmic Photokinesis and souls. She was born with omnipotent power, immortality, invincibility, and the powers of Cosmic Photokinesis, Omnipotence, Omniscience, Cosmic Awareness, soul observation, soul reading, soul attacking, and even soul absorption, and she has The Soul Stone embedded in her forehead. She's a member of The Elemental Infinity Stone Guardians, the most powerful group of girls among Lincoln's Guardian Angels, they are six girls were born with the incredible powers of The Infinity Stones along with the elements of Cosmic Pyrokinesis, Cosmic Hydrokinesis, Cosmic Aerokinesis, Cosmic Geokinesis, Cosmic Umbrakinesis, Cosmic Photokinesis, and Cosmic Space powers, along with having said Infinity Stones embedded in them, and they were given the task of protecting Lincoln from the wrath of his enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas. She moved to Michigan where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Photokinesis, Omnipotence, Omniscience, Cosmic Awareness, soul observation, soul reading, soul attacking, and even soul absorption, and he gained omnipotent power and the powers of Cosmic Photokinesis which made his powers over light and fire even stronger than ever, Omnipotence, Omniscience, Cosmic Awareness, soul observation, soul reading, soul attacking, and even soul absorption, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Chandler with a passion and she swore to rip out his soul and banish it into The Dark Dimension, but she absolutely despises Thanos, Dark Chase Young, Malphas, Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and all of Lincoln's enemies and all those who want to use them for their insane schemes of destroying the entire universe, and she swore to rip out their souls and send them to The Dark Dimension.

Me: (WHISTLES) Whoa.

Nico: Oh man!

Lincoln: Yep, and her power over Cosmic Photokinesis and souls is that powerful and that great, her soul reading, soul observation, soul attacking, and soul absorption outclasses the dark soul stealing abilities of Shang Tsung, Quan Chi, and Shao Khan, and I also gained the same power as well and the Cosmic Photokinesis made my powers over light and fire even stronger than ever. Plus, the souls I wind up absorbing, if they're powerful warriors of good, their souls merge with me and I gain all of their power, strength, abilities, skills, techniques, and memories, but if the souls I wind up absorbing belong to powerful warriors of pure evil, I absorb all of their power, strength, abilities, skills, and techniques, and I drain their souls dry of all their essence and energy.

Selene Arcangela: Back then, he sent their souls to The Black Gates after he absorbed all of their power, strength, abilities, skills, and techniques, and drained their souls dry of all their essence and energy. But, now he sends them to The Black Abyss.

Me: That was in the case of those you absorbed, Lincoln, wow.

Nico: Damn, that really is powerful.

We then saw Dark Sebastian twitching in anger: what we did killing Alex Creighton and Delilah Necroshade finally caused him to scream in demonic anger!

Dark Sebastian: DAMN YOU! DAMN YOU ALL! YOU'RE ALL GOING TO PAY!

But, then, we heard an inhuman roar, and we saw streams of darkness heading our way, and when they landed, what stood in their place were Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial

Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, and Owen Thatcher, and they were pissed that we killed Alex Creighton and Delilah Necroshade.

Me: Well, if it isn't Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, and Owen Thatcher.

Alaister Necroshade: You damn bastards! You ruined our trap!

Nico: You should know we're never afraid of Hell or its demons, and you tried to take the battle to the very place you bastards were trapped in, that plan was doomed to fail.

Dark Sebastian: SHUT UP! SHUT THE FUCK UP, YOU DAMN BUBBLE-BUTT MONKEY! (ENRAGED SCREAM)

Nico: Heh, Bubble Butt? Look who's talking, at least, we're not the servants of a fucked-up blob of Eldritch Ooze created by Malphas!

Dark Sebastian: I will make you pay for this, all of you!

Suddenly, heavenly lights shined down and Lincoln flew into the air, and his massive white angel wings and ninety-nine sets of large white angel wings underneath spread out as he absorbed the flames from our battle with Onccalon. Plus, we also saw the damage we did was suddenly repaired.

Lincoln: You only know how to make threats, and you made those threats come true using violence and hatred. All you are is nothing more than the personification of hatred, destruction, and madness rolled into one, the same goes with your cronies, and you already saw that not even the darkness of Hell will protect you from us since we've killed Aragon Cochran, Nergal Glaphyra, Maacah Necroshade, Athalia Necroshade, Ryan McCabe, Jezebel Necroshade, Windsor Grimm, Herodias Necroshade, Alex Creighton, and Delilah Necroshade.

Me: That's right, you have nowhere to run, you pieces of shit.

Nico: And nowhere to hide.

Lincoln: That's for sure. Now, slither on back to the shadows where you belong, you blood-crazed world-destroying snakes.

Buster Bunny: And don't let us catch you running loose again, or I swear, you're gonna know what real pain is!

Babs Bunny: That's right! Now, beat it, you snakes!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, and Owen Thatcher let out unholy demonic screams as they turned back into black streams of darkness and flew back into the darkness swearing revenge on us!

Me and Nico: (FLIPS BOTH MIDDLE FINGERS AT THEM) Yeah, fuck you too! You better run, you fucking snakes!

Mole Man: I guess that answers that question

Magneto: We greatly underestimated the threat of vertigo.

Toad: We sure have.

Melter: Where should we celebrate?

Jack O Lantern: Back at Lynn's table

Me: GOOD IDEA! BLECH! OH THAT IS SO GROSS!

Nico: You really ate his head and heart?

Me: Yeah! ACTUALLY I ATE HIM WHOLE! BLECH! That was a REALLY DISGUSTING TASTE!

Nico: Now you know how I felt. But great job today everyone.

Sugarcoat: (To the viewers) This was logically a great day for us.

Eli: It sure was.

We went back to the city and had a great meal at Lynn's Table.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we took down and destroyed Onccalon forever, and we fulfilled Yurgen's Prophecy on Nico's rescue and got rid of Gnag the Nameless, Slarb, and The Fangs forever, and I got justice for Nico Robin and put Spandam in a coma, and we also got rid of Alex Creighton and Delilah Necroshade and pissed Dark Sebastian and the rest of those snakes off big time.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan went up to Lincoln.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan and the others.

Lincoln: (Seductive Voice) (Smirks) You said a mouthful.

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

See you all next time

TAKING BACK GALALUNA

Ilana's day to shine

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to Scala Ad Caelum, but as he was flying, he saw the symbol of Apophis and Sigil of Malphas in the sky, and then, he saw Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, and Owen Thatcher, and they used a spell and they created a clone of Anti-Monitor and they sent him to cause havoc as revenge on us for not only killing their members, but also, for the humiliations we've been dealing unto them! Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got big trouble.

Lincoln explained everything, and his harem were absolutely pissed off!

Michelle Emperyous: Why, those damn fucking snakes!

Selene Emperyous: They really really crossed the line this time!

Laniya Emperyous: Creating a clone of Anti-Monitor to cause havoc in Selene's kingdom as revenge on us for killing their members and humiliating them?! This is going too far!

Selene Scala Ad Caelum: I agree completely, Laniya.

Lincoln: After Nico's rescue, we're heading to Scala Ad Caelum and take the clone down, and then, I'm going to absorb him and I and all of us will assimilate all his powers and abilities and piss those goddamn snakes off big time and warn them that if they ever do something like this again, we are going to rip all of them to fucking pieces if they do something like this again.

Selene Scala Ad Caelum: That's perfect, and we know all about Anti-Monitor, but it never hurts to be even more prepared by absorbing a clone of him.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to Scala Ad Caelum.

Then, after Lincoln explained everything, we were pissed.

Nico: Of all the fucked-up psychopathic monstrous evil...! (ROARS) Those snakes really crossed it now!

Me: Creating a clone of Anti-Monitor to cause havoc in Selene's kingdom as revenge on us for killing their members and humiliating them?! This is going too far!

Lincoln: I already got a plan for that, J.D., after Nico's rescue later on today, we're heading to Scala Ad Caelum and take the clone of Anti-Monitor down, and then, I'm going to absorb him and I and all of us will assimilate all his powers and abilities and piss those goddamn snakes off big time.

Anna Anyanova: And that'll warn them that if they ever do something like this again, we are going to rip all of them to fucking pieces if they do something like this again.

Eli: Now, you're talking.

Suddenly, the phone rings.

Sam (Sam & Max): (Harvey Atkin Voice) I GOT IT! I GOT IT! I GOT IT! I GOT IT!

Max (Sam & Max): (Robert Tinkler Voice) I GOT IT! I GOT IT! I GOT IT! I GOT IT!

Then, Sam and Max got into a wild fight cloud that ended with Sam getting the phone and putting his left foot pinning Max's neck to the wall.

Sam (Sam & Max): (Harvey Atkin Voice) Yes! Yes! Uh-huh! (GASPS) Holy jumping weasel fritters on a hot cross bun! We're on it!

Sam hung up the phone.

Sam (Sam & Max): (Harvey Atkin Voice) That was the Commissioner, Max. He said we got big trouble.

Max (Sam & Max): (Robert Tinkler Voice) What kind of trouble?

Sam (Sam & Max): (Harvey Atkin Voice) Unfortunately, this is one no one's going to like. Lincoln, J.D., are you familiar with someone named Vance Miller?

Phoebe and Bianca Miller gasped, and Lincoln and I did spit takes!

Bianca Miller, Phoebe Miller, Lincoln, and me: VANCE MILLER! (GROWLS)

Eli: Who's he?

Lincoln: Do you remember the man whom J.D. saved Phoebe and her mother from? That was him!

WE GASPED!

Nico: Oh shit! This is bad! What did the Commissioner say?

Sam (Sam & Max): (Harvey Atkin Voice) He said that Vance Miller has broken out of prison thanks to help from Dark Sebastian and his minions.

Me: That piece of...! Well, we're going to take him down for good, and I got a special asylum in store to throw him into, which I'm going to show to you guys.

Nico: A special insane asylum, why's that? Aren't we going to kill him?

Lincoln: Nah, too easy, besides death would be too easy for him, but we are going to hurt him bad when we get after him. Alright, now let's finish breakfast and head out to take down Vance Miller.

Me: You've run free for too long, you piece of garbage. Now, we're gonna lock you up for good and this time, you're never running wild again.

Bianca Miller: Mind if I also punch him in the eye?

Lincoln: Of course, Bianca. And here, make sure to use this on his crotch.

Lincoln got out a shotgun and gave it Bianca Miller.

Caleb Maxwell: What the?! You're gonna blow his crotch off with that thing! That's why I stay away from the shotgun, that thing is beastly and too wild for me!

Erasa: Says the kid who goes wild and shoots at bad guys like a Tasmanian devil.

Allie Maxwell: (LAUGHING HYSTERICALLY) That's true, my brother turns into a wild Tasmanian Devil when he starts shooting.

Ilana woke up to see Reunicles staring at her

Reunicles: Morning Ilana. Time for breakfast.

Ilana: Oh be right down.

She went and got dressed.

Then as she was going to the table...

MASSIVE VOMIT ATTACKS!

She heard me vomiting up a storm!

MASSIVE PROJECTILE VOMITING!

I WAS HURLING UP GREEN BLOOD AND EVEN INTERNAL ORGANS FROM SORA TAKIGAWA!

Nico: I know J.D. You'll be better soon.

LOUD VOMITING!

Ymir: GEEZ!

Eli gave Ilana her breakfast.

Eli: J.D. has been hurling his guts out ever since he ate Sora.

Ilana: Yuck!

I WAS VOMITING UP NIAGARA FALLS!

Lincoln helped me.

I was hurling big time!

Me: (VOMITS) OH MAN! (VOMITS)

Nico pat my back.

Nico: I know dude. I know.

I WAS REALLY HURLING!

Poromon:Feel better now?

ONE LAST MASSIVE VOMIT!

Me: (Groans) Yeah. I'm done. (Dizzy) (Faints)

FWOMP!

I fainted

Poliwag jumped on my stomach.

BOING BOING BOING!

But then I sprung back up and then...

MASSIVE VOMIT FLOOD!

I vomited all over Poliwag and sent him crashing into the wall!

I vomited for 2 minutes! Then I was done and I got up.

Nico helped me up.

Luna: MAJOR PUKE STORM! (FAINTS)

FWOMP!

Me: Oh man.

Nico: Are you okay?

Me: I think so. Man Poliwag really got all of it out of me.

Poliwag saw he was covered in puke and was not happy

Me: Sorry Poliwag.

Poliwag: It's okay but man! I didn't think Sora would make you throw up that much!

Nico: No kidding! CLEANUP ON AISLE 12!

Xenia: Geez!

We cleaned up the place

Poliwag washed himself in the sink

Ymir: Man are you okay J.D.?

Me: Yeah I'll be fine.

Xenia: Good.

We had breakfast finished up.

We finished our breakfast, and we headed out to take down Vance Miller and throw that abusive controlling excuse for a man in our special nuthouse.

Xenia: Boy this is so cool!

Me: (Eating Banana Cream Pie) Mmm! You said it!

Phoebe Miller: The Banana Cream Pie is my favorite thing here.

Me: It sure is.

Qin: Awesome.

Camie: I think it's great.

Nico: Yep. Commando Man I want to thank you, Monspeet and your teams for coming.

Commando Man: No problem soldier. It's gonna be great!

Me: It sure is. (Eating) Mmm!

Nico: So, Rupert. You were involved with Hector during the early days, right?

Rupert: That's right. I battled him as he was trying to take over Christmas. He was trying to put mind control chips in toys to rule the world.

Camie: Man he sure didn't count on you stopping him.

Rupert: No he didn't.

Me: Yeah. I'm glad you saved Santa and Christmas.

Xenia: Thank goodness.

Nico: That doesn't explain how you can talk.

Rupert: All of Santa's reindeer are magical and we can talk.

Me: That is true. At least Hector won't try something like that again.

Rupert: True.

Lilja: (Icelandic Accent) That is awesome though.

Fluttershy: I agree.

Qin: That was so awesome that we battled Oncaalon yesterday.

Me: And I'm amazed how my Rainbow Power form can use all that. That was so funny!

Nico: It sure was.

Qin: Yeah!

Nico: Oncaalon was REALLY PISSED!

Xenia: He sure was!

Nico: But at least we're rid of him.

Eli: Thank goodness.

Nico: It sure was.

Qin: Yeah!

Nico: Oncaalon was REALLY PISSED!

Xenia: He sure was!

Nico: But at least we're rid of him.

Eli: Thank goodness.

Manaphy: Are you okay now, J.D.?

Me: Yes much better.

Manaphy: Good.

Nico: Yeah.

Eli: Courtney's Akuma really mangled up the clone of Billy McLean.

Horsea: She sure did.

Me: Perfect way to relieve all that stress on her.

Camie: It sure was.

Xenia: Yeah.

Me: Yeah. (Eating pie)

Nico: J.D. that's your twentieth pie.

Me: I know but I lost all my food from yesterday and today! I am hungry!

Poromon: Save some for me!

Bianca Miller: Now now. There is plenty of pie here for everyone.

Poromon: Oh. Okay.

Nico: Cool. J.D. what is the history you have with Vance Miller?

Me: Well you know that Vance Miller is Phoebe and Bianca's father. Well lets just say that KARMA BIT HIM in the butt big time. I completely humiliated him by ruining his life, I had posted everything he said and did to everyone all over the city and he was immediately fired from his job and he had all of his assets seized and given to Phoebe. Also the people of the city were so outraged and they went to his home and destroyed it and burned it to the ground. Then they beat him up so badly that they broke numerous bones all over his body and his arms and legs had to be amputated. And he suffered a massive brain injury that completely destroyed his sanity. And he was sent to prison for 75 years for his crimes and ordered to pay $250,000,000,000,000,000 in restitution to Phoebe.

THEY GASPED!

Nico: GEEZ!

Xenia: Karma REALLY tore him apart!

Nico: It sure did!

Me: He had it coming. Ever since then, he became Florida's most hated Pariah.

Bianca Miller: And I promised that if I ever saw him again that I would make sure he paid for it by blowing his entire crotch open and disemboweling him and let him bleed to death.

Nico: No argument from me.

Qin: Well he deserves it.

Phoebe Miller: Yeah we hate that monster! Especially for having to make us cover our blue eyes.

Bianca Miller: Our eyes are so blue that they can have a hypnotic power to them. Mom has them and me and Phoebe too.

Camie: Wow.

She-Hulk: Like Ms. Allure's power.

Phoebe Miller: Very similar.

Camie: Wow.

Xenia: Yeah.

Phoebe Miller: Yep. But we only use it when needed.

Ymir: That's good.

Me: (Eating pie) Mmm! You're right.

Lincoln: Okay, guys, we're here for one awesome battle, we're here in Banarea, and just as we heard, Bianca and Phoebe Miller's abusive controlling excuse for a father, Vance Miller, has broken out of prison and is here on Banarea and wants revenge.

Me: That's right. But, he'll no doubt be after me because I was the one who got him locked up in prison long ago.

The rest of the team's with us.

Nico: Along with Phoebe and Bianca for breaking free from that controlling abusive monster, either way, he's done for, and Bianca's gonna blow his crotch off with that shotgun you gave her.

Lincoln: He doesn't deserve to even be called a man ever again.

Nico: Darn tootin!

Suddenly, Lincoln had a premonition as his large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a one-way viewing mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent another massive 12'6" werewolf with

demon wings and massive pack of 12'6" massive werewolves with demon wings after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another massive 12'6" werewolf with demon wings and massive pack of 12'6" massive werewolves with demon wings after us?!

Nico: Now that those snakes are freed from Hell, they're free to come after us once again.

Lincoln: We're more than ready for those pack of snakes, and we'll send them running back to Hell for good by absorbing their next demon winged werewolf and its pack and drain all their souls and send them to The Black Abyss. Now, let's get going.

We nodded.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were

glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Vance Miller) AHA! Gotcha! I just spotted Vance Miller, he's 20 yards away, but he's heading right for us!

Nico: Let's get going!

Me: Time to pay, you piece of shit!

Namine heard a Pokémon cry.

Namine: Look guys!

We saw a Sylveon.

Me: A Sylveon!

Namine: Oh and she's hungry.

Sylveon: Yeah I sure am.

Namine gave her apples and she ate them.

Sylveon: Thank you.

Namine: Want to come with?

Sylveon: Sure.

Poromon: All right!

But then...

KRASPLAT!

SLIME HIT MAY AND DRENCHED HER IN REALLY STICKY SLIME!

Me: What the!?

May: EW!

I wiped it off and it was gross!

Me: YUCK! That is disgusting slime!

Nico: You okay?

May: Yeah.

Laney: Where did that slime come from?

Lola: I think that!

We saw a Gastrodon!

Me: Cool a Gastrodon!

Nico: How'd that get there?

Me: It must be one of Dark Gale's work.

Utakata: Let me see.

He used his telepathy and gasped!

Utakata: It's my sister Rhonda!

Me: So it's number 6 of the Sisters of the Jinchuriki!

Lola: Yeah!

Me: Lets go help her.

Me and Utakata went over.

Utakata: Rhonda it's okay. It's me Utakata.

She sprayed slime all over him.

SPLAT!

Me: YUCK!

Utakata: Even though I am Saiken's Jinchuriki this is really gross!

Me: Tell me about it.

We fired bubbles and lightning and blasted her. I snapped my fingers and she reverted back and was a girl with magenta hair and purple eyes and had pink and purple wings and had Saiken and Gastrodon on her forehead and had a bubbles cutie mark on her arm and had Saiken's 6 Tails coming out of her butt.

We wrapped her in a blanket and brought her over.

Me: She sure can fire slime.

Utakata: No kidding.

We cleaned Utakata off.

She woke up.

Rhonda Utakata: (Groans) What hit me?

Utakata: Are you okay Rhonda?

Rhonda Utakata: (GASP) Utakata!

She hugged him.

Utakata: I'm glad you're safe sis.

Rhonda Utakata: Me too.

Me: You were turned into a Gastrodon by Dark Gale.

Rhonda Utakata: (GASP) I remember!

She was n a purple suit and injected and turned into Gastrodon and she crawled out.

FLASHBACK ENDS

Rhonda Utakata: It was awful.

Me: Yeah but we destroyed Dark Gale forever. Also you drenched May and Utakata in slime.

May: It's true

Rhonda Utakata: Sorry. Also I heard about how you guys destroyed those bandits after the Fury Jutsu.

Me: The Magaki Group. Yep you heard right.

Hotaru Tsuchigumo: Yeah they had it coming.

Nico: Yep.

Rhonda Utakata: Oh for Sonya's team I am the slime master. I use slime to trap our enemies. Also outside the team I bring down the corrupt council of the Mist.

Me: The Corrupt councils were all dealt with and destroyed.

Nico: Yeah they were.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new magenta clothes.

Rhonda Utakata: Wow I look great!

Me: You sure do.

Poliwag: Let me taste the slime.

Nico: Poliwag you don't want to know where that stuff was.

Me: For now we got to catch our target.

We then took off into the air to take down Vance Miller and send him to our special insane asylum and send the next demon winged werewolf and its pack sent by The Order of The Dark Universe and The Dark Church of Malphas to The Black Abyss as well after Lincoln absorbs them.

We were flying in the air, and we saw our target: Vance Miller, he was a male with brown hair, but he was dressed in an orange prison jumpsuit and he hadn't shaved since I threw his ass in prison.

Me: There's that piece of garbage now.

Lincoln: Time to give him what for.

Lincoln formed and fired hand-sized suns from his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings at Vance Miller, and he got hit hard and burned badly, and that pissed him off.

Me: Whoa! Nice one!

Nico: Forming and firing suns the size of your hand, that was really neat. Can you fire planets next?

Lincoln formed and fired hand-sized planets from his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings at Vance Miller, and he got hit hard badly, and that pissed him off even more.

Eli: That answers that question.

Me: Alright, time to take out the trash!

I charged down and punched Vance Miller hard in the face and knocked out some of his teeth, and the rest of us landed.

Me: Hello Vance!

Vance Miller: Well well well if it isn't the HOMEWRECKER!

Me: And if it isn't the Pariah of Florida. You got some nerve breaking out of prison, Vance. I warned you that if you ever break out of prison and come after Phoebe and your wife again, I was going to hunt you down and kill you.

Lincoln: And Bianca also told me about you, you're not worthy of being called a father, you're just a jealous, abusive, controlling monster and a pathetic excuse for a human being. You should've stayed in prison, but you don't know when to quit. Well, by breaking out of prison to get revenge on your daughters and J.D., you crossed the line of no return.

Bianca Miller: And one more thing, Dad?

Bianca Miller got out the shotgun, and...!

BANG!

BIANCA MILLER SHOT VANCE MILLER'S CROTCH OFF COMPLETELY, AND WE SAW BLOOD AND ENTRAILS COMING OUT AS HE LET OUT AN AGONIZING SCREAM!

Me: OH MAN!

Qin: OUCH!

Xenia: YIKES!

Horsea: YAY!

Me: Yeah!

I punched Vance in his face!

Me: You brought all that on yourself you jerk!

Vance got up and he punched and kicked at me and I dodged his attacks.

Me: Pathetic!

I grabbed his head and stuck his face in my armpit and farted in his face from it!

He screamed.

Sylveon charged at him and blasted him with light blasts.

Poromon pecked him all over!

POINK POINK POINK POINK POINK!

Lola fired blasts of fire and burned him.

I shoved his face in my butt and then...

LOUD NASTY SUPER HORRIBLE LONG FART!

EVERYONE LAUGHED AT THAT ONE!

Horsea Squirted ink and blinded him.

Then a massive splash of water landed and we saw Demyx but with a water Aura.

Me: WHOA!

Then we saw the next member of the Daughters of Organization XIII!

Edith Edym Demyx: Time for the water to dance!

Lincoln: Edith Edym Demyx! Wow!

Edith Edym Demyx: Good to see you Lincoln.

Lincoln: You too.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Edith Edym Demyx, Daughter of Demyx, she's Lincoln's Guardian Angel from The World That Never Was, she's a powerful master of the forces of water, and she's known as The Melodious Water Master of The Daughters of Organization XIII, they are the daughters of the members of Organization XIII and they have elemental angel wings and black clothes and the weapons of Organization XIII and the kanjis of the elements on their foreheads, and Aniya and her friends absolutely loathe Xehanort with a bloodstained vengeance. She came to Royal Woods where she met Lincoln and swore to protect him from all threats and it not only included Dark Chase Young, but also, Xehanort as well, because Lincoln also had a hand in killing the evil Xehanort. She trained Lincoln in mastering the forces of water, and in a split second, he mastered the powers of water, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Pablo and Anderson with a passion.

Me: COOL! Awesome to meet you.

Edith Edym Demyx: Same here. Luna want to help me with this?

Luna: Rockin dudes!

She went to help her.

Superman used the Core Medals for Spiketail Drake, Wind Drake and Azure Drake

And they fired waves of energy and elements and blasted him all over

Poliwag slapped him with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP!

Rhonda Utakata: Like old times?

Utakata: You know it.

Rhonda and Utakata: FREIGHT BUBBLES BARRAGE!

They fired powerful bubbles and blasted him.

I punched Vance.

POW!

Me: That was for trying to conceal Phoebe's eyes!

Nico: Now, how about we take yours' out?!

Phoebe Miller: Before that I want to ask. Dad why did you hate me? Was it because of my eyes? I did everything to make you happy but all you did was look down on me! WHY!?

Vance then was enraged!

Vance Miller: BECAUSE YOU AND BIANCA WERE MISTAKES! I HATED YOU THE MOMENT YOU WERE BORN! I NEVER

WANTED CHILDREN FROM THAT BITCH BUT SHE INSISTED! I HATED YOU BECAUSE OF YOUR EYES AND HOW YOU ALWAYS WERE LOVED MORE THAN ME! I WANTED TO MAKE SURE YOU NEVER GOT ANY HAPPINESS EVER! SO I MADE YOU INTO MY SLAVES!

WE WERE ENRAGED!

Me: YOU DISGUSTING PIECE OF MOTHERFUCKING GARBAGE! HOW MUCH FUCKED UP AND LOWER CAN YOU GET!?

I then used my fingers and then placed them against his eyes and then...

SQUELCH!

HE SCREAMED AS I GOUGED HIS EYES OUT!

Nico: It's only fair!

HE THEN LAUGHED INSANELY!

Me: What the fuck is so funny!?

Vance Miller: YOU SHOULD HAVE NEVER COME HOMEWRECKER! I HATE YOU MORE THAN LIFE ITSELF YOU FUCKED UP ATROCITY! YOU SHOULD HAVE DIED WITH THE REST OF THE EARTH AND THEN EVERYONE WOULD BE HAPPY!

My aura flared up intensely!

Me: YOU ARE FUCKING INSANE!

Nico: Who's he talking to?

Me: He's talking to me. I ruined his entire life. But he deserved it!

I punched him!

POW!

Me: I think I'll torture him a bit!

I took a pair of pliers.

Me: Lincoln hold his mouth open!

Lincoln: Right!

He did so.

Me: Lets play dentist!

CLICK CLICK!

I pulled out his teeth!

SQUELCH! SQUELCH! SQUELCH!

Horsea squirted ink down his throat.

HE SPIT IT OUT!

Me: Horsea you're going to have to be a little more creative. Lets see how you like this.

I poured RAW CHUM DOWN HIS THROAT!

HE SCREAMED AND HURLED UP BLOOD!

Horsea: Oh I get it!

Me: Also Vance, you want to know why your wife dumped you? Because she found someone better than you. And that is my friend Nico. He is a much better man than you ever will be. He loves her more than you EVER will and he is as good hearted as ever.

Nico: (In his head) Oh he is playing mind games. Nice.

Poromon: His wife is in Nico's harem?

Nico: (Whispers) No he is playing mind games with him. Getting him angry. Pushing his buttons.

Poromon: Oh I get it.

Then VANCE MILLER EXPLODED IN RAGE!

HE ROARED AND WENT AT ME! BUT BECAUSE HIS EYES WERE GOUGED OUT HE COULDN'T SEE WHERE HE WAS GOING AND HE CRASHED INTO A TREE!

KRASMASH!

Poromon poured beer down his throat and he coughed and gagged all over.

I kicked him in his head!

Xenia: This man is a REPULSIVE COCKROACH!

Mevya hopped over to him and belched in his face and he threw up.

Me: Nice one. Nico? Got something for him?

Nico: I do.

Nico went over to him.

Nico: Just so you know, your wife didn't leave you for me. But she deserves better.

POW!

Nico punched him in his stomach and he belched up a lot of blood!

Qin: Take that!

Me: I was just playing mind games with him Nico. Lex Luthor isn't the only one that does that. I learned things from him by watching him do it on TV.

Andre Lupescu flew up into the air and charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS VANCE MILLER AS HE WAS SENT INTO THE AIR AND HE ALSO GOT BURNED BAD!

Andre Lupescu came back to us before he could recover and that angered Vance Miller and he let out an enraged scream! But, then, we saw black energy form around him like a black aura of darkness!

Vance Miller: (ENRAGED SCREAM) YOU HAVE PISSED ME OFF FOR THE LAST FUCKING TIME, KNUDSON! I AM GOING TO KILL YOU, AND ONCE I'M DONE WITH YOU AND THAT FREAK, YOU TWO FUCKING WHORES ARE NEXT ALONG WITH THAT BITCH!

Ymir: What the? What's happening to him?! Is it Dark Sebastian?!

?: Seems like you got the idea.

Suddenly, we saw an anthropomorphic gray wolf with long white hair, dark gray nose, violet eyes, and a white bushy tail and wearing a blue sleeveless leather biker's outfit with a high collar and chunky belt.

Lincoln: Ulric!

Nicole: The Dark Form of Ricky! What the Hell are you doing here?!

Ulric: Relax, I ain't here to help that loser if that's what you're thinking. No, that loser's been infected by Dark Sebastian after that snake helped break him out.

Me: What the?! (GROWLS) That snake, he's pissing us off just like Dark Chase Young!

Nico: Without a doubt, this was his dirty work!

Lincoln: Since he's been infected by the darkness that comes from Hell, only one thing can purify him.

Lincoln formed a golden yellow ball and fired it at Vance Miller, and it got rid of Dark Sebastian's dark essence and banished it to The Black Abyss, but Vance Miller was still out to kill us.

Lincoln: Time for the big guns.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and we saw a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar.

Lincoln: (Cracks Knuckles and neck)(Smirks) This is gonna hurt!

Lincoln went at Vance Miller and he brutally smashed him down all over the place with his massive godly superhuman strength. Then, he punched him hard in the stomach and kicked him in the stomach and sent him flying into a wall, he got back up, but he was enraged.

Me: Great job, Lincoln! That'll teach him!

Nico: How does it feel to be beaten up by someone who's a real man?

Vance Miller: WHAT DID YOU SAY?!

Lincoln grabs Vance Miller by the collar of his jumpsuit with his left hand and hoists him up so that he looks him in the eye.

Lincoln: Nico was right calling you that, because you're no man at all, you're an abusive controlling monster who gives all males a bad name, and unlike you, J.D., Nico, and I along with the other males on the team are real men, because real men defend those who can't fight back and we also love our wives and children with all our hearts, you on the other hand are stupid and you rely on violence and brute force to get what you want, and you're also a piece of trash for abusing your daughters and your wife.

Lincoln's harem blushed madly at what he said: that was the act of a true man. Vance Miller got so angry, he spat at Lincoln's face!

Caleb Maxwell: You bastard...! (RAISED HIS LEFT GUN IN VANCE MILLER'S DIRECTION) YOU FUCKING BASTARD!

Caleb Maxwell was about to blow Vance Miller's head off, but then...!

POW!

LINCOLN PUNCHED VANCE MILLER RIGHT IN THE FACE AND SENT HIM FLYING INTO A TREE, HE GOT BACK UP, BUT NOW, HE WAS MEGA PISSED!

Me: Lincoln, you alright?

Lincoln: I'm alright.

Lincoln cleaned the spit off his face, then he glared at Vance Miller.

Lincoln: You disgust me, Vance, you're just as bad as Gabriel Tinsley, and he's nothing but a fucked-up psychopathic murderous asshole who'd used his own daughter, Sarah, to help him get rid of the bodies of the girls he murdered in the past. If I could, I wish I could kill you right on the spot and paint the land with your own blood!

Lincoln was so mad at Vance Miller, the rainbow sclera of his eyes turned bloodshot and steam came out of his nose like an angry bull!

Maria: Holy smokes, Vance just found himself up shit creek without a paddle! He's angered the beast big time!

Nico: No fooling! That asshole did the same thing that dickless asshole, Walter Peck, did to Lincoln spitting at his face!

Me: I swear, if I didn't have plans to throw him at our new asylum, I would let Lincoln kill him right on the spot and paint the land with that asshole's blood!

Suddenly, we heard more vampiric shrieks, and we saw more vampires coming right at us, and then, the skies turned red and it started raining down blood.

Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a massive 12'6" werewolf with demon wings that was summoned by

Dark Sebastian and his minions, and with it was a massive pack of 12'6" massive werewolves with demon wings.

Lincoln: Ugh, I knew Dark Sebastian would summon them. I'll take care of them at once.

Lincoln went after the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" werewolf with demon wings and its' massive pack of 12'6" massive werewolves with demon wings, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the demon werewolves' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Seeing what happened to the werewolves had royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, and Owen Thatcher!

Bianca Miller and Phoebe Miller: This is where it ends for you, Dad. Time to die!

Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Bianca Miller, Phoebe Miller, Sherlock Hound, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us went after Vance Miller, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, colored, white, golden yellow, and blue energy, colored energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Vance Miller and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, Bianca Miller, Phoebe Miller, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked Gnag and his minions hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength and this was making Vance Miller angrier.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Vance Miller, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Vance Miller, and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND GO TO HELL!

Lincoln, Nico, and I did one final powerful energy slash that hit Vance Miller hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Vance Miller was on his last legs and he was really really mangled.

Then, we tied Vance Miller up with a rainbow energy straitjacket and he was trying to gnaw at it to get free only to get electrocuted. Then, we chained him to a steel pipe which Lincoln heated and he was being roasted alive, but after what he did, it was too easy. Then, I used a neon red hot knife and slowly started to slice off flesh from his body starting with his stomach and legs, and by the time I was done, Vance Miller had most of his flesh on his stomach and legs sliced off and it was brutal and sadistic.

We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, one-hundred massive and long brown wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads and large gold Yata no Kagami mirrors with gold ocean wave-shaped frame and embedded gems behind the large gold halos and four large gold Yata no Kagami mirrors with gold ocean wave-shaped frames and embedded gems behind the four large orbiting gold rings, one-hundred large yellow planets orbiting around the legs, one-hundred smaller yellow planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized yellow planets orbiting around the wrists and ankles, and massive brown and light brown angel wings and ninety-nine sets of large brown angel wings underneath the massive brown and light brown angel wings of Bianca Miller and Phoebe Miller are permanent.

Lincoln: Alright, now let's get this piece of trash to our new asylum.

Me: Yep.

Poromon: Spaghetti and eyeballs, anyone?

Lucy Loud: I could go for some.

We laughed!

Me: Funny. Lets get this piece of trash to the newest prison we built.

We teleported back home, and we headed to the most inhospitable canyon on Earth, and we went to our new insane asylum.

Nico: What the heck is this new insane asylum?! It's really brutal!

Lincoln: This is our brand new insane asylum J.D. and I created and built, welcome to The Tartarus Canyon Supermaximum Insane Asylum!

LIGHTNING CRASHES! CAT YOWLS! HORRIFIC SCREAMS!

Eli: My God! This place is absolutely brutal!

Me: This was something Lincoln and I built and designed, it's the most dangerous and most secure maximum security insane asylum in the world on Earth. It's home to the most mentally damaged and most dangerous people that have damaged brains broken beyond repair and it's for people that are too dangerous for society.

Lincoln: And escape from this asylum is completely impossible, there are security measures that make Arkham Asylum look like a children's playground in comparison. The facility's surrounded by 10,000,000,000 volt electric fencing, guard towers that have guns that will kill you on sight, razor wire, spiked pitfalls and even surrounded by an impenetrable force field that is so powerful that not even a nuclear blast can penetrate it and it has minefields and more.

Me: And it's located in the most inhospitable canyon on Earth and the temperature can soar to 132° Fahrenheit and humidity is 0% and there is no water, and it goes by another name: The Looney Bin of The Damned!

DEMONIC LAUGHTER!

Maria: I remember seeing the plans for this asylum, it was absolutely brutal and horrific!

Then, we went inside, and everyone saw it: this asylum is home to the most mentally damaged and most dangerous people that have damaged brains broken beyond repair and for people that are too dangerous for society.

Lincoln: We started building this asylum ever since we took down Margaret White in Maine after we killed Chris Hargensen and Billy Nolan, and with the return of Leena

Klammer, we had to really put our plan into action, and this is the result, the most dangerous and most secure maximum insane asylum in the world on Earth.

Me: And once you are condemned here, you are here till the day you die!

Everyone then saw for themselves that among the prisoners here were Margaret White and Leeena Klammer.

William: Whoa!

Rupert the Green-Nosed Reindeer: This is indeed the most secure asylum you've designed, soldier.

Lincoln: (Military Salute) Thank you, sir.

Commando Man: And you chose the most inhospitable canyon on Earth and the temperature can soar to 132° Fahrenheit and humidity is 0% and there's also no water here too.

Lincoln: Yep. This is basically Hell on Earth for them.

Suddenly, we started sweating buckets.

Eli: Let's get Vance Miller thrown in prison and get back home before we fry out here like a bunch of eggs.

We immediately did so as we got Vance Miller booked, and the guards grabbed and threw Vance in his new cell, and we left.

Lincoln: Oh, and there's also one more thing we forgot to mention: we also put a terrible curse on the prisoners besides the ones we put on them. If they escape, which is highly unlikely not only will they be killed on sight, but they will be sent to The Black Abyss.

WE GASPED!

Cage Blunt: So, either way, they're finished.

Lincoln: Yep.

We then got back home, but we were still sweating buckets of sweat. Then, Lincoln fired streams of water on us cooling us down and he even fired some into our mouths.

Me: Ah, much better.

Maria: Definitely. Still, you and J.D. were able to survive the heat.

Lincoln: We did training in the harshest of climates from places of extreme heat to extreme cold, and we also developed an immunity to those kinds of harsh climates, and I can also absorb that excessive heat into my body and grow stronger.

May: Tartar sauce.

Nico: To handle those kinds of harsh climates, only the toughest of men and absolute badass kinds of men can survive that.

Lincoln: Why do you think we trained in those harsh climates?

Nico: Yep but well done guys.

Me: Thanks Nico.

Qin: Yeah!

Sylveon: That was fun though.

Nico: Nice job Sylveon!

Sylveon: Thanks Nico! That was fun!

Poromon: It sure was! Want some beer?

Sylveon: Sure!

Poromon: Yay! There you go!

She was given a bottle and drank it down.

Sylveon: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH)

She got drunk.

Poliwag: Sing the ABC's!

Sylveon: ABCHSMGKWKKFKKWNNGMMKIVUWMT!

WE LAUGHED!

I reverted her back.

Poromon: We're going to do something later.

Me: What is it?

Poromon: Me and the mascots are gonna play baseball against Lynn's team.

Lynn: We are playing them in baseball and you guys are welcome to watch.

Me: Thanks Lynn and you know we'll be there.

Optimus Primal: Yes this will be a good game.

Me: It sure will.

Commando Man: We're excited.

Nico: Oh, Commando Man, what do you like to do in your free time?

Commando Man: I work at the local military base and teach all about guerrilla tactics and commando combat styles.

Me: That's a good idea. Always use more soldiers that specialize in all that.

Commando Man: It sure is.

Nico: Now for the Anothers.

Lincoln: Right. (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Ilana.

Ilana: Another Me? Wow.

Lincoln: (Sensed for any Foot Soldier Anothers) I'm scanning for any Foot Soldier Anothers. Hmm, nope, looks like we're clear.

Me: Good.

Caleb Maxwell: Aw, I wanted to kill some of them.

Nico: Maybe, next time.

Me: Yeah. So we got Another Monspeet of Silence, John Jack Daniel Torrence, Gat Bot, Aligned Shockwave, Knight (Sonic Frontiers) and Getogeto.

Lincoln: Yep. As well as Another Ilana.

Me: Whoa!

Ilana: Another me!? Whoa!

Me: Yeah! So Commando Man, Rupert the Green-Nosed Reindeer, G1 Hardhead, G1 Bruticus, G1 Shockwave and G1 Perceptor are up.

Nico: They sure are.

Qin: Yeah.

Nico: There they are!

We saw Another John Jack Daniel Torrence, Gat Bot, Aligned Shockwave, Knight (Sonic Frontiers) and Getogeto.

Nico: WHOA! This is gonna be fun!

Another John Jack Daniel Torrence: (In a girls voice) Yes it will be.

They reverted back and were the Gene-slammers of Laval Volcano Handmaiden, Laval Lakeside Lady, Laval Burning Mermaid, Laval Searing Eagle and Laval Forest Sprite.

Nico: (GASP) Pyra, Pele, Nuee Ardente, Plinia and Krafla Laval!

Me: WHOA! The gene-slammers of Laval Volcano Handmaiden, Laval Lakeside Lady, Laval Burning Mermaid, Laval Searing Eagle and Laval Forest Sprite.

Pele Laval: That's right. Good to see you Nico.

Nicole: Your names are all terms in Volcanology. Are you girls all volcanologists?

Pyra Laval: We sure are and it's awesome to meet you Nicole.

Nicole: Awesome to meet fellow volcanologists.

Nuee Ardente Laval: Same here.

Me: By the way girls are the Another Ilana and Monspeet of Silence friendly or hostile?

Plinia Laval: Friendly and they are awesome.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go
Go holoré fast to sleep
O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait.

Poromon: Seriously, who wants spaghetti and eyeballs?

Me: Oh you're serious. I thought you were joking there.

Lucy Loud: I'll have some.

Poromon: Okay.

Lucy Loud and the goths had some.

Me: No offense but that is gross.

Poromon: None taken.

Timmy: I think my mom made a comment about that once

Me: Did she really?

Wanda: She sure did. When Timmy wished to have 3D glasses that bring horrors to life to scare Vicky and her family out of his house.

Me: WHOA! That is crazy! What did they see?

Wanda: They saw Timmy's parents as monsters that ate worms and eyeballs and gruesome things.

Me: WHOA! They saw them as cannibalistic horror freakshows!? That is frightening!

Nico: Geez!

Me: That would be a great idea for Halloween.

Timmy Turner: I agree.

Nico: We'll keep that available till then.

My stomach growled.

Me: Whoa I guess having only pie was not enough.

Maria: Here J.D.

She gave me a huge plate of burgers and hot dogs.

Me: Perfect Maria. Thanks!

Maria: You're welcome.

I got to eating.

Me: (Eating a burger) Mmm!

Pele Laval: He sure is hungry.

Nico: Long story.

Horsea: Do you like it?

Lucy Loud: Exquisite and good.

Me: (Eating) Mmm! Lucy is a vampire and eats anything like that. (GULPS) Sorry. But yeah.

Lucy Loud: It's true.

Nico: Yep. Oh here they are!

We saw Another Monspeet and Ilana!

Nico: Whoa!

Qin: I agree.

Nico: Yep.

Another Monspeet: (In a girls voice) It's gonna be fun.

She reverted back and was the gene-slammer of Raging Flame Sprite.

Nico: Tephra Laval!

Tephra Laval: Good to see you Nico.

Me: Raging Flame Sprite's gene-slammer.

Tephra Laval: Yep and I'm a volcanologist and master of guerrilla warfare too. Also I am a master of darkness too like Monspeet.

Monspeet: Awesome.

Me: Cool. And who is your friend?

Another Ilana: Someone who found her sister and brother.

Ilana: (GASP) That voice!

She reverted back and was a little version of Ilana!

Ilana: (GASP) Illrena!

She and Lance went and hugged her.

Illrena: I've missed you both.

Lance: We missed you too Illrena.

Me: Your little sister no doubt.

Illrena: That's right. And it's an honor to meet the killers of Modula.

Me: Pleasure too.

Kaito (gets out Donbrothers gear): Did Swartz promise you anything?

Zocks: Because we can grant it intesead. Zenkaiju Gear!

They got weapons from said teams.

Tephra Laval: No he didn't because I used my fire powers and burned him and we ran.

Sakura Knudson: Too bad that fire didn't kill him.

Me: Yeah.

Sougo (gets out Donbrothers Ridewatch): Modula might be back though.

Geiz (gets out Zenkaiger Ridewatch): But we'll be ready for him

Sougo got DonMomotaroArmor while Geiz got ZenkaizerArmor.

Illrena: Yes he is back.

Me: I had a feeling.

Ymir: Who is Modula?

Me: I'll explain later.

Ymir: Okay.

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on!

Nico: (Gets out Monspeet's ridewatch) Darkness falls!

May: (Gets out Gat Bot's ridewatch) Time for some gatling power!

Maria: (Gets out Knight's ridewatch) Thou ready for action?

Rupert: (Gets out John Jack Daniel Torrence's ridewatch) Time for camping in winter!

They used the powers of Monspeet of Silence, John Jack Daniel Torrence, Gat Bot, Aligned Shockwave, Knight (Sonic Frontiers) and Getogeto and blasted the Anothers.

Me: YEAH!

Then Melascula of Faith, Kamen Rider Ginga (X-Squad), Princess Chimera, Old Grand Ma, The Bellydancer Bandits and Belial came!

Me: WHOA!

Nico: Nice team Melascula!

Melascula: Thanks Nico.

Me: That means Galaxy Man and his team are up.

Galaxy Man: Damn right!

Me: Yep.

But then out of the ground came a HUGE Beating heart!

Me: WHOA!

LIGHTNING STRUCK ALL OVER!

Me: GEEZ!

Then out came Number 92: Heart-eartH Dragon and Number 91: Thunder Spark Dragon!

Me: WHOA! Number 92: Heart-eartH Dragon and Number 91: Thunder Spark Dragon!

Nico: COOL!

Number 92: Heart-eartH Dragon: (In a girls voice) Yeah that was an awesome entrance!

Number 91: Thunder Spark Dragon: (In a girls voice) It sure was!

Nico: Hillary Heartland and Rhea Thunder!

They reverted back. Hillary was a girl with pink hair and pink eyes and purple angel wings and had purple and pink clothes and had Number 92: Heart-eartH Dragon on her forehead, skirt, shirt and arm and a light sword. Rhea was a girl with blue hair, blue eyes, blue angel wings and had blue clothes and had Number 91: Thunder Spark Dragon on her forehead, arm, skirt and shirt and had an undead sword.

Rhea Thunder: Good to see you Nico.

Hillary Heartland: Yeah we got this. 92 HEARTS OF BLOOD!

Rhea Thunder: 91 THUNDERSTRIKES OF THE DRAGON!

They fired waves of blood and lightning and blasted the Anothers and I caught the ridewatches and purified them!

Me: OH YEAH!

Nico: Nice job!

Rhea Thunder: Thanks. That was fun.

Hillary Heartland: It sure was.

Nico: Yeah!

Rupert: Do you have any good memories of Nico?

Rhea Thunder: We sure do. Mine is where me and Nico went into the eye of a Hurricane and found the legendary kingdom of Kazearashi.

Brittney: WHOA! That's a legendary kingdom of wind and storms. Only appears in certain hurricanes in parts of the world.

Rhea Thunder: Yep.

Hillary Heartland: My favorite is when me and Nico found a bunch of human traffickers and they were butchering a bunch of people and turning them into meat.

Me: YUCK!

Qin: That was gross!

Nico: It was. We killed all those guys and saved many of the people.

Qin: Yep.

Nico hugged them.

Nico: I've missed you girls.

Rhea Thunder: Same here.

I finished up my burgers and hot dogs and we later went back home.

It appears Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, and Owen Thatcher have created a clone of Anti-Monitor and sent him to cause havoc as revenge on us for not only killing their members, but also, for the humiliations we've been dealing unto them! Those snakes have absolutely crossed the fucking line for the last time, we're going to take down the clone of Anti-Monitor and Lincoln is going to absorb him and he and all of us will assimilate all his powers and abilities and piss those goddamn snakes off big time and warn them that if they ever do something like this again, we are going to rip all of them to fucking pieces if they do something like this again!

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in Scala Ad Caelum, and I know what we're going to do here, not only am I going to rescue the the ten girls here and Ets is going to rescue the one girl here and Kaan Demir-Vanhoof is going to rescue the one girl here too, but we've got some really, AND I MEAN, REALLY BAD NEWS!

Nicole: Yep, just as your dream told us, it appears Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, and Owen Thatcher have created a clone of Anti-Monitor and sent him to cause havoc as revenge on us for not only killing their members, but also, for the humiliations we've been dealing unto them!

Nico: That's for sure, those snakes are going to get it.

Vypra: When we were told of what those snakes did, I was really pissed off, we all were.

Commando Man: I hope that clone hadn't done anything to the people.

Lincoln: Selene already got them to safety when those snakes appeared. Now, let's go find the clone of Anti-Monitor, so I can absorb him and we assimilate all of his powers.

We got a move on, and then, we found our target: the clone of Anti-Monitor, and we also spotted Dark Sebastian and those snakes.

Dark Sebastian: This is our one and only chance to get rid of those fools. Lord Malphas will reward us greatly for this! (CACKLING INSANELY)

Alaister Necroshade: They will all pay for this humiliation, all of them will pay!

?: Shut your mouth, maggots!

SLASH!

SCREAMS!

Lincoln unholstered his massive greatsword and slashed their mouths giving Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, and Owen Thatcher slit mouths. Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, and Owen Thatcher's mouths healed, but they hissed angrily at us and we landed.

Me: You really crossed the line this time, you psychotic snake!

Alaister Necroshade: SHUT UP! SHUT UP AND DIE, VERMIN! ANTI-MONITOR, KILL THEM!

Lincoln: You may be a clone of Anti-Monitor and have all of his powers, but you're just a knock-off of the real one, and the real one still hates you for what you did, Dark Sebastian. Besides, he knew your real loyalty was to yourself and to Malphas.

Nico: Now, you snakes get to watch as we get rid of your creation.

Nico slammed his fist into the ground and chains erupted out and chained those snakes.

Lincoln: I can't wait to see the looks on your faces when I absorb your clone of Anti-Monitor, this is what you get for pissing us off again.

Andre Lupescu fired a massive wave of snow, ice, and darkness at the clone of Anti-Monitor and they hit him, and that pissed him off even more.

But, before the Anti-Monitor clone could attack, he was hit by blasts of stars and sapphire blue energy, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long orange hair and orange flower in her hair, orange eyes, massive orange and white angel wings, she has The Soul Stone on her forehead, orange short-sleeved blouse, orange sleeveless crop top, white gloves, orange skirt, orange knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, phoenixes, and angels on the coattails, and on the back is The Soul Stone, she has a light greatsword in her right hand, and with her are the ten girls Lincoln is to rescue and the one girl Ets is to rescue and the one girl Kaan Demir-Vanhoof is to rescue.

Lincoln: (GASPS) Amelia Suzuki, Elemental Light Guardian of Soul.

Amelia Suzuki: Yep, and I got the girls away from that bastard. Now, it's time to finish him off.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at the Anti-Monitor clone, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THE ANTI-MONITOR CLONE! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT THE ANTI-MONITOR CLONE WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND HE SCREAMED IN AGONY!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen when we kill you.

Then, Andre Lupeau went after the Anti-Monitor clone and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Adrian Morrigan went after the Anti-Monitor clone, and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded with incredible power as they hit him. Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at the Anti-Monitor clone which hit him hard.

Lincoln continued smashing the Anti-Monitor clone hard with his extremely massive godly superhuman strength, and he was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he's continuing to smash the Anti-Monitor clone all over the place!

Qin: That bastard doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering him, now he's at the mercy of The True Alpha Vampire-Werewolf Hybrid Angel of Gotham Royal York.

Me: That's for sure.

Then, Lincoln fired blasts of elements and energy at the Anti-Monitor clone and he got beaten up real good and he was mangled!

Then, Andre Lupescu shot at the Anti-Monitor clone, then, Andre Lupescu slashed at the Anti-Monitor clone with his massive greatsword.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of the Anti-Monitor clone, and he began absorbing him and he and all of us assimilated his Godlike powers, Anti-Matter Form, Vastly Superhuman Intellect, Leadership, Immortality, Invulnerability, Incorporeality, Respiratory, Nutritional, and Restful Self-Sustenance, Durability Negation, Existence Erasure, Force Field and Barrier Creation, Vibration Manipulation, Age Manipulation, Battlefield Removal, Breath Attacks, Energy Absorption, Energy Empowerment, Life-Force Absorption, Metamorphosis, Antimatter Blast, Energy Manipulation, Regeneration, Power Distribution, Size Alteration, Reality Alteration, Dimensional Travel, Immeasurable Strength, Immeasurable Speed, Immeasurable Durability, Superhuman Agility, Enhanced Senses, Extrasensorial Perception, Energy Construct Creation, Air Manipulation, Earth Manipulation, Acausality, Technopathy, Power Modification, Law Manipulation, Telepathy, Telekinesis, Flight, Bio-Fusion, Mind Control, Resurrection, Disintegration, Umbrakinesis and Darkness Manipulation, Shadow Demon Creation, Morality Manipulation, Individual Conceptual Manipulation, Deconstruction, Mind Manipulation, and Necromancy, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of the Anti-Monitor clone and Lincoln drained the Anti-Monitor clone's soul dry of every last bit of power and energy and sent him to The Black Abyss and he let out a loud and massive howl of dominance and power as he pounded his chest like a gorilla and his energy aura exploded.

Dark Sebastian and his minions were horrified at what Lincoln did, and they lost it and they broke the chains that bound them and they summoned demons to attack us, but Lincoln fired blasts of Anti-Matter that hit them and they sucked the life out of them and they went into Lincoln and all of us making us even more stronger than ever.

Suddenly, heavenly lights shined down and Lincoln flew into the air, and his massive white angel wings and ninety-nine sets of large white angel wings underneath spread out as he absorbed the flames from our battle with the clone of Anti-Monitor.

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, and Owen Thatcher slit mouths. Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, and Owen Thatcher let out unholy demonic screams as they turned back into black streams of darkness and flew back into the darkness swearing revenge on us!

May and Maria: (FLIPS BOTH MIDDLE FINGERS AT THEM) Yeah, fuck you too! You better run, you fucking snakes!

We cheered as we holstered our weapons and powered down and we came back home to The World Tree Estate.

Lincoln: And that's that.

Nico: That's for sure, and we've really gotten that much stronger after you absorbed that clone of Anti-Monitor.

Me: And when you let out that loud howl, I swear those snakes were about to piss their pants big time.

Lincoln: I was hoping for that, but as always, those snakes got pissed and ran off, but I know they're gonna ignore my warning, so I'll piss them off even more by firing more Anti-Matter blasts at their armies of demons and suck the life out of them. But, at least, we saved Scala Ad Caelum from their wrath. (To Amelia Suzuki) And it's so good to see you again, Amelia.

Amelia Suzuki: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Amelia Suzuki had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Amelia Suzuki was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Amelia Suzuki: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Amelia Suzuki's waist and hugged her, and Amelia Suzuki is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Amelia Suzuki: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Amelia Suzuki, Elemental Light Guardian of Soul, she's Lincoln's Guardian Angel from Japan and she's a very powerful master of Cosmic Photokinesis and souls. She was born with omnipotent power, immortality, invincibility, and the powers of Cosmic Photokinesis, Omnipotence, Omniscience, Cosmic

Awareness, soul observation, soul reading, soul attacking, and even soul absorption, and she has The Soul Stone embedded in her forehead. She's a member of The Elemental Infinity Stone Guardians, the most powerful group of girls among Lincoln's Guardian Angels, they are six girls were born with the incredible powers of The Infinity Stones along with the elements of Cosmic Pyrokinesis, Cosmic Hydrokinesis, Cosmic Aerokinesis, Cosmic Geokinesis, Cosmic Umbrakinesis, Cosmic Photokinesis, and Cosmic Space powers, along with having said Infinity Stones embedded in them, and they were given the task of protecting Lincoln from the wrath of his enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas. She moved to Michigan where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Photokinesis, Omnipotence, Omniscience, Cosmic Awareness, soul observation, soul reading, soul attacking, and even soul absorption, and he gained omnipotent power and the powers of Cosmic Photokinesis which made his powers over light and fire even stronger than ever, Omnipotence, Omniscience, Cosmic Awareness, soul observation, soul reading, soul attacking, and even soul absorption, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Chandler with a passion and she swore to rip out his soul and banish it into The Dark Dimension, but she absolutely despises Thanos, Dark Chase Young, Malphas, Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and all of Lincoln's enemies and all those who want to use them for their insane schemes of destroying the entire universe, and she swore to rip out their souls and send them to The Dark Dimension.

Me: (WHISTLES)

Selene Scala Ad Caelum: Yep, and her power over Cosmic Photokinesis and souls is that powerful and that great, her soul reading, soul observation, soul attacking, and soul absorption outclasses the dark soul stealing abilities of Shang Tsung, Quan Chi, and Shao Khan, and Lincoln also gained the same power as well and the Cosmic Photokinesis made his powers over light and fire even stronger than ever. Plus, the souls he winds up absorbing, if they're powerful warriors of good, their souls merge with him and he gains all of their power, strength, abilities, skills, techniques, and memories, but if the souls he winds up absorbing belong to powerful warriors of pure evil, Lincoln absorbs all of their power, strength, abilities, skills, and techniques, and he drains their souls dry of all their essence and energy. Back then, he used to send the souls of powerful evil warriors to The Black Gates, but thanks to Anti-Monitor, now he winds up sending them to The Black Abyss after he absorbs all of their power, strength, abilities, skills, and techniques, and he drain their souls dry of all their essence and energy.

Me: Wicked cool and wicked scary!

Lincoln: Yep.

Vypra: Let me try something.

Suddenly, we saw a group of powerful demon warriors appear and they came after us, only for Lincoln to fire orange energy from his left hand and he sucked out their souls and absorbed them into his body, and he began absorbing all of their power, strength, abilities, skills, and techniques, and he drained their souls dry of all their essence and energy and grew even stronger than ever, and after that, he sent them all to The Black Abyss.

Vypra: Yikes, you sucked out their souls and absorbed them.

Lincoln: I learned that from Selene Laverna, Shang Tsung's daughter who fights for Earth and one of my Guardian Angels, since she taught me all of her moves and her father's moves, and Amelia also helped out with furthering my training in that.

Eli: I hope you use it on Shang Tsung, Quan Chi, Shao Khan, Shinnok, and Kronika when Lord Raiden's day to shine comes.

Caleb Maxwell: Uh, about that, I found out the powerless Shang Tsung, Quan Chi, Shao Khan, Shinnok, and Kronika, killed them, and sealed them in The Dark Dimension.

Eli: SAY WHAT?!

Eli opened his mouth so wide, his skeleton came out only for Lincoln to grab it and stuff it back in.

Eli: Thanks. But, how did this happen?

Kitana: It must've been from the added effect of having all their powers, skills, abilities, and techniques stripped from them when the barrier came to life after D'Vorah was killed.

Raiden: That was actually good thinking, Lincoln. Now, they won't trouble us until then.

Lincoln: Thanks, Lord Raiden.

Cage Blunt: And with your barrier still up, now Outworld won't have any additional trouble.

Lincoln: There's still going to be trouble, Cage, but not that great, and now that you're here, Amelia.

Lincoln with his massive muscular arms still wrapped around Amelia Suzuki's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Amelia Suzuki: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Amelia Suzuki with orange gems on the gold lightning bolts and orange crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Amelia Suzuki: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Amelia Suzuki.

Amelia Suzuki had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Amelia Suzuki's waist, and he leaned down to her face and kissed her on the lips, and with Amelia Suzuki's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Amelia Suzuki had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Amelia Suzuki: (In Heaven) My God.

Then, Ets went up to the girl he was to rescue, and when he saw her, he recognized her: it was Noelle the Repair-Node Girl from Team Fortress 2, and Kaan Demir-Vanhoof went up to the girl he was to rescue, and when he saw her, he recognized her and he had an atomic red blush on his face, hearts in his eyes, and his nose gushed out blood: it was Shara from Altair: A Record of Battles.

Ets: Wow, it's Noelle the Repair-Node Girl from Team Fortress 2.

Kaan Demir-Vanhoof: (Belgian Voice) And Shara from Altair: A Record of Battles.

Then, when Noelle saw Ets, she hugged him and kissed him, and when Shara saw Kaan, she went over to him and she hugged and kissed him on the lips which made his hair fly up and he returned the kiss.

Nicole: Ets rescued another girl, and Kaan rescued his first girl.

Amelia Suzuki: Yep. Oh, Lincoln, tell the boys to run and hide in their rooms, the ten girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the ten girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the ten girls are Mirage, Aurora, Sumire, Tomeko, Serika, Mizuki, Nadeshiko, and Paina from Bunnystein Fantasy and Lelederik and Armut Ayse from Altair: A Record of Battles.

Lincoln: Oh whoa, it's Mirage, Aurora, Sumire, Tomeko, Serika, Mizuki, Nadeshiko, and Paina from Bunnystein Fantasy and Lelederik and Armut Ayse from Altair: A Record of Battle.

Nicole: Uh oh, so those were the girls Amelia rescued, and it's no wonder Travis and Red said that kind of warning, these girls are really sexy. That bastard tried to hurt them and those snakes tried to kill them to slake their thirst for blood.

Lincoln: Those snakes just don't even know when to quit, what a bunch of psychos. Are you girls okay?

Mirage: Yes, we're okay, thanks to you.

Then, when Mirage and the other nine girls saw who it was that saved them from the clone of Anti-Monitor along with Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, and Owen Thatcher, their faces turned atomic red upon seeing the 12'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The

Mirage: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sumire: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mirage, Aurora, Sumire, Tomeko, Serika, Mizuki, Nadeshiko, Paina, Lelederik, and Armut Ayse with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one intense battle.

May: That's for sure. But, those snakes really really crossed the line this time!

Lincoln: This won't be the last time they cross the line.

Nico: Knowing them, it certainly won't be the last time.

Me: They're already starting to lose their minds, and soon, they're gonna do something that really crosses the line.

Eli: They're gonna get it big time.

Lucy Loud: Gasp, even the spirits of The Underworld are also cursing him and the others.

Bertrand: They have committed dark crimes against both the living and the dead, and The Black Ooze of The Eldritch being the creation of Malphas, has also done truly dark misdeeds that've also gotten him cursed by the spirits.

Persephone: And as such, only The Hunters of The Nightflame Sun and all of us must administer their rightful punishment.

Boris: Eternal darkness in The Black Abyss.

Dante: They caused enough trouble to last an eternity.

Haiku: Their eternally dark souls and black hearts have already cursed them.

Brittney: And soon, The Hunters of The Nightflame Sun will punish the monster responsible for so much pain and suffering.

After Lincoln and all of us took down the clone of Anti-Monitor and Lincoln absorbed him and he and all of us assimilates all his powers and abilities and drove Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, and Owen Thatcher back to the shadows, we were training intensely in the gym doing

900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Amelia Suzuki saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Amelia Suzuki: My God, I was right that Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those

900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Amelia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Amelia Suzuki: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew

from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Amelia Suzuki: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Emily Anderson: I still can't believe we saw Ulric appear and he's now with The Masters of Evil.

Lincoln: Vypra used her magic to make him a separate entity, and I know you had purified him, Brute, and Brooha, and they changed back into Ricky, Rufus, and Margie, Emily.

Kelsey: That's right. In fact.

Suddenly, we saw three pixies appear: they were Ricky, the blue wolf pixie, Rufus, the red ogre pixie, and Margie, the green witch pixie.

Me: Whoa, that's Ricky, Rufus, and Margie.

Ricky: That's correct, J.D. Emily, everyone, we've got bad news. Rascal's been brought back.

April: Wait, what?! But, how?

Rufus: It's Dark Sebastian, he did this, and they're also planning to resurrect Emperor Nogo.

Chloe: That lunatic. That's going too far.

Lincoln: Without a doubt, Chloe. We're gonna need a lot of help with dealing with Emperor Nogo and Rascal. I've got an idea.

Lincoln put the weights down, and he kneeled down and made his right hand glow with blue energy.

Caleb Maxwell: Wait, what is he doing?

Emily: Something that'll help with the fight in the future.

Lincoln placed his right hand on Ricky's head, and suddenly, he was surrounded by blue light. Then, when the light faded, Ricky is now an anthropomorphic arctic blue wolf with short white hair, black nose, bushy white tail, his eyelids have blueish eye markings and beneath his eyes are blush cheek marks, and his forehead has a three pointed star marking.

Emily got out a mirror and Ricky saw himself.

Ricky: Wow. (Suddenly feels something) Wait a second, I'm also feeling something else happening.

Ulric: Thanks to Vypra. And whatever you do, don't destroy Brute and Brooha, have them put in The Masters of Evil.

Ricky: I still remember them all too well.

Margie: And back when we were known as Brute and Brooha. Rascal's going to pay for this.

Lincoln: That he will, along with Emperor Nogo. Dark Sebastian crossed one final line, that's the last straw.

Ricky: We don't know when they'll strike, but when they do, we'll be ready.

Kelsey: That's for sure. We'll make Nogo and Rascal pay. Now that you've transformed, let's test out your new powers. To The Simulator!

Ricky went into The Simulator, and as it activated, he found himself in Japan, the girls' hometown, and he saw Emperor Bogo and the Simulator versions of Emily and her friends.

Ricky powered down, and we saw it on The Simulator.

Kelsey: Wow! He repaired their Glitter Pacts, and he underwent a final makeover.

Emily: Really cool.

Ricky exited The Simulator.

Ricky: Looks like that test was a success.

Suddenly, Ricky's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Magic Star Storm Moonlight Magic Fairy Tale Pixie Wolf Seraphim Phoenix God Archangel Mage's Staff of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Magic Star Storm Moonlight Magic Fairy Tale Pixie Wolf Seraphim Phoenix God Archangel Justice and all the greatswords and swords he'd gotten began merging together, and they're surrounded by a kaleidoscope of royal blue and white, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, magic, wolves, phoenixes, and angels, and when it emerged, it was transformed into Ricky's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Magic Star Storm Moonlight Magic Fairy Tale Pixie Wolf Seraphim Phoenix God Archangel Mage's Staff of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Magic Star Storm Moonlight Magic Fairy Tale Pixie Wolf Seraphim Phoenix God Archangel Justice, it's a brand-new Mage's Staff measuring at 10'9" in length with a large royal blue orb with miniature king's crown on top and mounted on top of four large silver wolf heads with royal blue gems for eyes and royal blue gem surrounded by a silver ring on the bottom of the silver wolf heads and phoenix coiled around one end of the long midnight black handle and on the other end are four smaller silver wolf heads with royal blue gems for eyes and large silver ring on the bottom of the silver wolf heads and silver crescent weight and royal blue gem.

Ricky: And I also got an upgrade to my new weapon.

Rufus: That's amazing. Rascal's in big trouble now!

Lincoln: That's for certain.

We got a shower, and then, Lincoln, Princess Morbucks (The Powerpuff Girls 2016), and Beelzebub (Spawn) are heading to Sunayama Beach in Japan.

Lincoln snapped his fingers, and the 12'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Princess Morbucks (The Powerpuff Girls 2016) and Beelzebub (Spawn) are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Princess Morbucks (The Powerpuff Girls 2016) and Beelzebub (Spawn) all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all, and we were also shocked to find out that Beelzebub is the sister of Spawn's old enemy, Malebolgia.

Beelzebub (Spawn): Wow, we're here in Sunayama Beach in Japan, it sure is beautiful.

Lincoln: It sure is, Beelzebub, and it's perfect for our first date, shall we?

Lincoln, Princess Morbucks (The Powerpuff Girls 2016), and Beelzebub (Spawn) dived into the waters and they started swimming and they all saw the marine life that lived there. Then, they went back to the beach where the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an awesome volley ball game, and they went to a workout area that Lincoln created, and Princess Morbucks (The Powerpuff Girls 2016), and Beelzebub (Spawn) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift one-hundred and two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and one-hundred massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Beelzebub (Spawn): (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made a clone of himself and he and his clone went up to Princess Morbucks (The Powerpuff Girls 2016), and Beelzebub (Spawn) and hugged them in their abnormally massive and powerful muscular arms, and Princess Morbucks (The Powerpuff Girls 2016), and Beelzebub (Spawn) placed their hands on the massive hairy pecs of Lincoln and his clone.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Princess Morbucks (The Powerpuff Girls 2016) and Beelzebub (Spawn) and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sunayama Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Princess Morbucks (The Powerpuff Girls 2016) and Beelzebub (Spawn) with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now 2016 Princess Morbucks and Beelzebub are now in your harem, Linky.

Princess Morbucks (The Powerpuff Girls 2016) and Beelzebub (Spawn) showed the marks Lincoln made on the right sides of their necks.

Caleb Maxwell: I'm still stunned that Malebolgia's sister had feelings for Lincoln, but I'll be keeping an eye on her brother, he makes one wrong move, that guy is gonna be riddled with bullets galore.

Jenna: You girls had no trouble at all.

Beelzebub (Spawn): Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

WHACK!

Poliwag hit the ball with his tail and it went WAY OUT of the park!

WE WERE AMAZED As Poliwag got a Grand Slam!

WE CHEERED WILDLY!

Me: WHOA! That was awesome!

Nico: Good job Poliwag!

Optimus Primal: Why am I not surprised to see Poliwag using his tail as a bat?

Me: Well he doesn't have any hands so what option does he have.

We watched the game progress and they were tied! 44 All!

Me: WHOA! This is gonna be good!

They had a time out and Lynn and the mascots came to us.

Me: You guys are doing great!

Ilana: Keep it up!

Poromon: We will!

Me: You have one out to go before it goes into sudden death.

Nico: Oh boy.

Poromon: Talk about high stakes.

Me: I know.

They went back to the game.

Manaphy was up and she was holding the bat with her ears.

Lynn was ready! She threw the ball and then...

WHACK!

It was a far high fly ball!

IT WENT OUT OF THE PARK!

THE MASCOTS WON!

WE CHEERED WILDLY!

Announcer: THE MASCOTS WIN! THE TEAM LOUD PHOENIX STORM MASCOTS WIN!

WE CHEERED!

Nico: WAY TO GO GUYS!

May: YEAH!

Poromon: Let's celebrate with beer!

Ransack: I knew you were gonna say that!

Lynn: Awesome game guys!

Poromon: Thanks Lynn. That was fun!

Lynn: Thank goodness I'm not poisoned by Dark Chase Young anymore. I would have been infuriated and taking my rage out on Lincoln.

Me: That monster turned you into a menace. No offense.

Lynn: None taken but yeah.

Poromon: Lets celebrate!

We went to Lynn's Table and I was having root beer!

The mascots were drunk!

They were singing How Dry I Am.

Outback: They're singing good!

Me: They sure are.

WE LAUGHED!

Qin: Yeah!

But then...

SUPER MASSIVE CRASH!

The jerks were blasted into the walls and really hurt!

Me: What the!?

We saw a Heracross!

Me: Whoa a Heracross!

Nico: How did that get there?

Me: I think it's one of Dark Gale's work.

Fu: Let me see.

She used her telepathy and gasped!

Fu: It's my sister Fiona!

Rui: FIona is here!? Oh wow!

Me: We better go help her.

We went over.

Fu: Fiona it's us Fu and Rui!

All she did was use Megahorn on Horsea!

Horsea was too drunk to see it coming and she got smashed hard in her head! She crashed into Maria's arms and had a REALLY NASTY LUMP ON HER HEAD!

Maria: HORSEA!

Me: Okay that does it!

Me, Fu and Rui fired waves of lightning and blasted her down.

I snapped my fingers and she reverted back. She had Green Hair, orange eyes and had green angel wings and had Chomei and Heracross on her forehead and had a Sky Cutie Mark on her arm and had Chomei's 7 winged Tails coming out of her butt.

We wrapped her in a blanket and brought her over.

Me: Boy she really nailed Horsea!

Maria: No kidding!

Horsea woke up and had a nasty headache and a lump on her head.

Horsea: OW!

Me: You'll be okay.

We put the jerks back as they were and huge bars of gold came out.

She woke up to see Horsea's stern face.

Fiona Fu: (Groans) What happened?

Horsea: You hit me and gave me a NASTY LUMP ON MY HEAD!

Fiona Fu: Oh man! I'm sorry. (GASP) Fu, Rui?

Fu: It's good to see you sis.

Rui: We're glad you are here sis.

She hugged them.

Fiona Fu: I'm so glad you're both here but Rui I thought you were dead!

Rui: I was brought back because of unusual circumstances.

Me: Long story. But you were turned into a Heracross by Dark Gale.

Fiona Fu: (GASP) Oh man. I remember!

She was in a green suit and injected and then she turned into Heracross! She rammed the men and escaped.

FLASHBACK ENDS

Fiona Fu: It was awful.

Me: I know but we destroyed them. Dark Gale is gone for good.

Fiona Fu: Good.

Gluko: Horsea, how did you and Poromon contribute to the game?

Horsea: We hit a bunch of baseballs with my tail.

Poromon: And I used my beak.

Nico: Cool!

Fiona Fu: That is awesome.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new green clothes.

Fiona Fu: I look awesome.

Me: You sure do. You guys head back home. I'll be there shortly. I got to file another report to Lady Hokage.

Nico: Well duty calls.

I snapped my fingers and I was in my Shinobi Attire and I teleported to the Leaf.

Later everyone paid for the food and went back home.

Later I came back and We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yeah.

Maria: Are you okay now, Horsea?

Horsea: I'll be fine.

Nico: Good.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than General Modula, he's back on Galaluna for revenge on us and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Was that an old enemy of yours?

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than General Modula, he's back on Galaluna for revenge on us and he's causing havoc.

EVERYONE GASPED!

Ilana: I can't believe it, so Modula's back for revenge, eh? This time, we're gonna make sure he never comes back.

Me: That's for sure, Ilana. (Realizes something) Wait, I've got a feeling that Dark Sebastian's going to be there himself.

Me: We'll be sure to drive him back into the darkness where he belongs.

Trudy Lawrence: But, not before we give him what for especially for all the dirty stunts he's pulled in the past.

Qin: That two-faced snake's going to pay. Too bad we can't kill him alongside Modula.

Nico: No, that'll be left to Selena and Lincoln.

Me: That's right, the best thing we can do is drive Dark Sebastian away.

Lincoln: That's for sure, he needs to be driven away.

Nico: Right. Alright, let's get going to Galaluna. Modula, your time in this world is up!

Lincoln: You've lived for too long, Modula, and now, we're gonna make sure you disappear forever.

Ymir: Who is Modula?

Me: Oh he's a Traitorous General of Galaluna that we destroyed back in 2020. He launched a Coup de'Tat and sided with their enemy on the planet Muttrad and he overthrew the king and took over. The last obstacle standing in his way was Ilana.

I went over his history

General Modula is the main antagonist of the 2010 Cartoon Network animated sci-fi action mecha series Sym-Bionic Titan.

He was once the General of the planet Galaluna, and a dear friend to the king. However, during a battle at an enemy planet Muttrad, the army and the king barely made it out alive, but unfortunately left Modula alive, then Modula changed and lead the Muttraddi to invade Galaluna to take revenge on them. Now he was after the princess of Galaluna, Ilana so he can fully rule Galaluna.

He was voiced by Don Leslie.

Modula was once a close friend to the king and his most trusted general. As shown during flashbacks, he was an honorable and respectful man to everyone, even the princess. He was present during an award ceremony for a young Lance, but a fight between Lance and his school rival, Baron, ruined the ceremony. Modula personally intervened and the two were punished.

At some point during the war with the Mutraddi, the king and his general arrived at the enemy homeworld and did battle. Modula was caught in an explosion and the king was forced to retreat, unknowingly leaving him for dead.

Modula survived, by unknown means, and desired revenge against his former friend. Having spent several years on Muttrad, enslaving many creatures and apparently showing some of them how to speak, Modula convinced a captain from Galaluna to aid him in an invasion of his former homeworld.

While the said captain was killed, Modula's involvement was kept secret until after the king was captured and Ilana, Lance and Octus escaped.

When I was done everyone was shocked!

Ymir: Oh man! That is awful!

Ilana: Yeah and he will stop at nothing to kill me. I am the heir to the throne of Galaluna.

Nico: That day was also when Dark used his Celestialsapien form to bring back the Loud Kids' archenemies. Except Lisa since she has Calamitous

Qin: I remember that!

Me: That was awesome seeing that.

Ymir: Oh wow! So he is a traitor to Galaluna!

Me: Yep and that's why we're going to kill him. This time, PERMANENTLY!

Nico: Yep.

The previous group came.

Jet: Can me, Pinky & The Brain, Black Adam, Kite Man, Golden Glider, Mole Man, Magneto, Toad, Melter and Jack O Lantern go with you guys?

Brain: And we saw your baseball game.

Pinky: That was a nice ball game!

Poromon: Thanks! We had fun.

Lynn: The mascots are really good.

Me: Yep.

Nico: They sure are. And yes you all can come with us.

Magneto: Cool. Also I heard about what happened with Modula. You guys faced him 4 years ago and Dark Spicer brought back many of the Loud Kids archenemies.

Me: Except for Lisa but yes that's right.

Gravity Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Number 90: Galaxy-Eyes Photon Lord and Number 89: DIablosis the Mind Hacker.

Me: Whoa! Those are gonna be cool.

Yuma: I think it's awesome that you are finding gene-slammers counting down from 100 to 1. But what about 107 to 101?

Nico: I'll think of a time for them.

Me: Okay.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: Owen Thatcher, Satanic Ritual Master of Darkness of The Order of The Dark Universe and Belial Necroshade, Satanic Ritual Master of The Dark Church of Malphas, and they're also causing havoc in Galaluna. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Was that?!

Lincoln: Owen Thatcher, Satanic Ritual Master of Darkness of The Order of The Dark Universe and Belial Necroshade, Satanic Ritual Master of The Dark Church of Malphas, and J.D.'s right, Dark Sebastian's also there and causing havoc on his own.

Lorena Cavenstein: So, those two snakes are causing havoc alongside Modula and Dark Sebastian himself is also there too. We'll need to keep those two snakes contained and drive Dark Sebastian away before we take Modula down.

Selena Mendez: When we destroy Dark Sebastian's traps, we'll make sure they get put in a force field and kept from attacking us.

Nico: Ooh, now this should be good. Alright, team, let's go, the time to destroy Modula has finally come.

Lincoln: Never again will he be free to cause havoc on the world, this time, we're going to finish him off once and for all, and once we get done with Modula, you're next, Owen Thatcher, Satanic Ritual Master of Darkness of The Order of

The Dark Universe and Belial Necroshade, Satanic Ritual Master of The Dark Church of Malphas.

Loreena Cavenstein: Owen Thatcher, Satanic Ritual Master of Darkness of The Order of The Dark Universe and Belial Necroshade, Satanic Ritual Master of The Dark Church of Malphas, you will both pay for the atrocities you madmen have committed after we get done with Modula!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us boarded The U.S.S. Valorous Phoenix and we headed to Galaluna to finally get rid of Modula, and once we got done with that and end him forever, Lorena Cavenstein and Lincoln are going to destroy Owen Thatcher, Satanic Ritual Master of Darkness of The Order of The Dark Universe and Belial Necroshade, Satanic Ritual Master of The Dark Church of Malphas and send them to The Black Abyss.

We were off to Galaluna

The U.S.S. Valorous Phoenix was en route to Galaluna.

Nico: Captain's Log, Stardate 13020.5: The U.S.S. Valorous Phoenix is en route to the planet Galaluna and our mission is to deal with our old enemy General Modula who we killed back in 2020.

Ilana: I missed Galaluna. I hope everyone is doing okay.

Me: Same here.

Brain: Let's call Enchantress.

Me: Good idea

We called her and she came.

DC Enchantress: I'm ready for this.

Me: We know you are June.

Ymir: When you faced General Modula before what was he like?

Me: It was an intense battle.

I went over what happened in Chapter 1018 in Loud House Revamped and it was intense.

Ymir: WHOA!

Me: I know. Really cool.

Ymir: So that's how you guys met Ilana and Lance.

Me: Yep and since then, Ilana and Lance have been a very awesome part of the team.

Blade Man: We should prepare our Gundams

Eli: Way ahead of you.

Eli had the Gundams ready.

Allenby: Awesome! We're ready.

Me: We sure are.

Golden Glider: How near are we?

Nico: We should be there.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Galaluna.

Me: There it is.

Nico: Galaluna.

Ilana: Home.

We got to landing and we landed in front of Ilana's kingdom.

We got out and it was much better and amazing than ever.

Me: Wow! The kingdom is doing amazing.

Ilana: Yeah no kidding.

Bone Chompy growled at the sight.

Me: It sure is amazing.

We went to the palace. We stood before the King.

Ilana: Father!

King: Ilana!

He and Ilana went and hugged.

Ilana: I'm so glad you're safe.

King: I'm just so glad you're home and Team Loud Phoenix Storm it's good to see you here

We knelt.

Me: We're glad to see you again your majesty. I wish it could have been on better times. I'm afraid we have bad news.

King: Don't tell me. Modula is back.

Me: Yes your majesty.

Magneto: I'm afraid it's true.

King: Oh dear. This is bad.

Me: Lots of things have happened over the last 4 years since we killed him last.

Qin: Yeah we got a lot of tell you.

King: Tell me everything.

We did so.

King: So Xehanort is dead and Anti-Monitor is now your new big bad and now many of your enemies you killed are back.

Me: That's right.

Ilana: And father it's my day to shine now. That means Modula is coming.

Chompy growled at this.

Me: Chompy said that we're ready for him.

King: I know you guys can take care of him.

Me: We've gotten stronger and more powerful since then and we're ready for him.

Melter: Just hope no one else shows up.

Me: (Senses something) Spoke too soon!

POW!

I punched a figure trying to sneak up behind me and it was a general of our military!

Me: What the? One of ours?

Ilana: General Steel!?

Me: General Steel!? Wait weren't you responsible for trying to destroy the Titan and all of the monsters sent by Modula?

General Steel: That's right!

Me: Amazing how you are all the way out here.

General Steel: You didn't think I came alone, did you?

Me: Well you should know better than to try and sneak up on me. Also you have the next Akuma with you no doubt.

General Steel: Not what I meant!

Just then, tanks commanded by Steel appeared.

Me: Nice tanks!

General Steel: Thanks.

Danny Phantom: Lets see how you like this!

He went intangible and went through them and brought all the soldiers out and turned off the tanks and we tied him and the soldiers up and arrested them.

Nico: You're not worth our time Steel. Besides we got bigger fish to fry.

Me: After today we'll have you stand before the president and have him decide your punishment.

General Steel: Stand down. I'm going to arrest the Symbionic Titan components and you're not going to stop me!

Nico: No way!

General Steel: It wasn't a request. It was an order, Chan!

Nico: It's Nico Chan to you! I may not live in Sherman, Illinois. But last time I checked, Ilana's a core member. That's equivalent to a high rank. So, General Julius Steel. Take your order and your condescending attitude and shove it up your ass. Ilana and her friends are under our protection!

Me: So if I were you I would listen.

We formed energy balls and had them ready to fire.

Nico: That's right.

Eye Five: Let me make the choice easier for you.

POW!

Eye Five punched him and knocked him out

Me: Nice one Eye Five.

Eye Five: Thanks.

Lincoln: WHOA! And speaking of the Akuma this Akuma is a nasty one! It's Ilana's Akuma and her name is Doomsdamn the Merciless! The Hypothetical Akuma of Ilana and she is a merciless and ruthless princess who has all the powers of the Symbiotes and she will kill anyone that gets in her way. She has light powers and lightning powers. She was made because of Modula killing EVERYONE she loves and vowed to kill him times Infinity along with anyone that gets in her way

WE GASPED!

He showed us a sketch and she looked like Scream but with blond hair and had a REALLY FEROCIOUS GRIN and had ferociously scary angel wings!

Me: HO-LY! SHIT!

Girl Jordan: WHOA! Thank goodness she is not like Carnage.

Ace: You don't have a problem with Scream, do you?

Nico: No, I actually find her sexy.

Donna Diego: Oh thanks Nico.

Scream: Yeah.

Eli: I sense her coming.

We saw a figure flying and landing in front of us was DOOMDAMN THE MERCILESS!

Me: WHOA!

Doomdamn: I WILL KILL YOU ALL! J.D. YOU WILL DIE FIRST!

She fired waves of lightning at me and I fired waves of lightning and the blasts collided!

THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Then my blast pushed hers back and blasted her down!

Me: GEEZ! She is REALLY NUTS!

She went at me and I dodged her strikes and I kicked her in her face!

Toad: Ilana is that you?

She fired a blast of lightning and it hit Toad and electrocuted him and he was really badly burned!

Me: She is REALLY OUT OF CONTROL!

Qin: No kidding!

Nico: I guess getting her to calm down is out of the question.

Enchantress: Yep.

I fired waves of fire and blasted her down.

Doomdamn: My turn!

She fired light blasts and I deflected the blasts and knocked her down!

Enchantress fired magic blasts and blasted her down.

I fired energy blasts and knocked her out!

Me: YEAH!

Qin: Take that!

Gulper: Let's have soda before we continue!

Me: I am thirsty.

We got some soda and drank it.

Me: (GULPING) Ahh. (LOUD BELCH) Oh pardon me.

Jack O Lantern: All that made me thirsty.

Me: Same here.

Qin: Yeah. (LOUD BELCH) Oh excuse me.

We had good soda.

Me: Now we can go after Modula.

We heard the maniacal laughter of Modula as he's causing havoc, and we heard the demonic and deranged laughter of Dark Sebastian, Owen Thatcher, and Belial Necroshade from far away.

Nico: Aha, the bastard is already causing havoc, same with those three snakes. Alright, then, let's get going and send that bastard to The Black Abyss.

Lincoln: But, first. Selena.

Selena Mendez: On it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania

Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Trakeena is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Owen Thatcher, Belial Necroshade, Modula, and Dark Sebastian saw it, and they let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, monsters.

Nico: Okay, now we can get after Modula without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see Owen Thatcher, Belial Necroshade, Modula, and Dark Sebastian raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate, but it grew even stronger because of the hatred of Owen Thatcher and Belial Necroshade.

Lincoln: Keep it up, you snakes. In the end, you're just going to make things worse for yourselves.

Suddenly, the spirits of Galaluna's royal family appeared and they attacked Owen Thatcher, Belial Necroshade, Modula, and Dark Sebastian and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Owen Thatcher, Belial Necroshade, Modula, and Dark Sebastian even more pissed off than ever.

Ilana: I should've known you'd show up here yet again, Modula!

Nico: You got some nerve coming back here, you bastard!

Me: And it was thanks to Anti-Monitor that did this.

Lincoln: Plus, I knew you two snakes would be left behind to continue to cause havoc, but it matters not. Once we get done with Modula, you two snakes are next, and I should've known you'd also be here too, Dark Sebastian.

Alex Creighton: YOU MISERABLE WOLF!

Delilah Necroshade: WE WILL DESTROY YOU ALL IN THE NAME OF MALPHAS!

Dark Sebastian: YOU HAVE ALL HUMILIATED US FOR THE LAST TIME! THIS IS WHERE YOU ALL DIE! ARMIES OF MALPHAS, ATTACK! KILL THEM ALL!

Suddenly, hordes of male hellhounds loyal to Malphas arose from Hell and they charged at us.

Lincoln: Hah, that's a good one, summoning hellhound hordes loyal to Malphas.

Lincoln went after the massive 12'6" male hellhounds, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" hellhound and its' massive pack of 12'6" massive hellhounds, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the hellhounds and Lincoln drained the hellhounds' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Owen Thatcher, Belial Necroshade, and Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN YOU! DAMN YOU!

THEY WENT REALLY BALLISTIC! BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND

ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD!

Then, Lincoln trapped Owen Thatcher and Belial Necroshade inside a force field to keep them inside, but Dark Sebastian remained.

Lincoln: That'll keep you jerks inside. Now, to deal with you, Modula, and you're also going to get beaten to a pulp, Dark Sebastian, before we send you running back to Hell.

Me: Hello Modula. Long time no punch!

Modula: You ruined everything for me!

Me: You brought all that on yourself!

Swift Foot: Incoming!

We saw Modula's airships firing at us.

I deflected the blasts back and I fired waves of energy and blasted the airships and massive fiery explosions blasted off all over!

KRABBBBBBOOOOOOOOMM!
KRABBBBBOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOOOOOOMMM!
KRABBBOOOOOOMMM!

They were all destroyed in massive explosions!

Modula: WHAT!? You've gotten stronger!

Me: Its been 4 years since we fought last. We've gotten more powerful and stronger since then. Now we are going to make sure you pay for your treachery you spineless coward!

Modula: What did you call me!?

Me: You heard me! You're a coward!

Modula was enraged!

He went at me and I punched him in his face and kicked him in his stomach and did a roundhouse kick to his face!

KRASMASH!

I knocked out some of his teeth!

Many of his men came!

Mole Man: Moloids, attack!

Moloids came and ripped them apart!

I punched Modula in his stomach and kneed him in his face.

Qin fired fireballs and blasted his men!

Me: You will never take Galaluna as long as we have anything to say about it!

Modula: You idiots, I want this done! Bring out the big guns!

Alternate Chrysalis: Big guns?

OUT CAME HUGE ROBOTS!

Eli: Time for the big guns ourselves! SHINING GUNDAM! RISE! (SNAPS FINGERS)

Eli got his gundam ready!

He was ready!

Suddenly, the full moon appeared behind Andre Lupescu as darkness fell upon Galaluna only lit by the full moon and clusters of ice formed on the ground as we heard the sounds of wolves howling in the distance.

Me: You heard him, it's payback time!

Nico: The howling of the wolf means that justice is coming for you, you bastard!

Lincoln: After what you've done, you deserve it. Now, it's time to put an end to you once and for all, Modula.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF MODULA TO NO END! NOW, THE BATTLE TO FINALLY DESTROY MODULA WAS ON!

Lincoln, Ilana, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Modula, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Modula and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Ilana, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Modula even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Modula and he got hit hard, and he also destroyed the Monitor Orb embedded in his forehead, and not only did we gain a massive power boost, but Modula clutched his head in pain.

Then, Lincoln formed and fired an rainbow energy ball that hit Modula on the back and he was left with a burning scar on his back.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Modula and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln flew with incredible godly superhuman speed with a rainbow, white, golden yellow, and blue energy-infused left fist and he punched Modula really hard in the stomach and that caused a massive cluster of rainbow flames to explode out of him from his back, and then, Lincoln formed a massive rainbow, white, golden yellow, and blue energy blade surrounding the 10'9" massive, wide, double-edged gold blade!

Ed Cowart: All right, you powerhungry treasonous douchebag, you get yours!

Ed Cowart proceeds to insult Modula.

Ed Cowart: You are a cheap penny store version of Genghis Khan and old as 17th century pudding. You are so old, I swear you'd be from the 1700s! While we're at it, you never took the time to wear different outfits? Mutraad must really be a shitty planet to live on, I bet you never watched Star Trek, Star Wars, own a color TV or a computer! Prepare your old ass for a whooping! And one last thing?

Ed Cowart punched Modula all over and broke his nose teeth and left him two black eyes!

Ed Cowart: That was for the people of Galaluna!

Ed Cowart then shaved off all the hair of his face and head leaving him bald.

Ed Cowart: That's a good look for you!

Then, he threw an exploding watermelon at Modula which explodes covering him with watermelon juice and seeds. Then, Ed Cowart uppercuts Modula launching him 10,000 feet high, and Modula fell back and landed onto an anvil head first! Then, Ed Cowart wedgied Modula and pulled his underwear on his head!

Ed Cowart: WEDGIE!

Then, Ed Cowart threw 20 stink sacks of twelve-legged cave frogs which detonated making Modula stink like 10 billion skunk sprays and Ed Cowart finally finished by slapping Modula all over and shoved a massive pile of exploding cigars in Modula's mouth and lit up the cigars which exploded and shredded Modula's clothes until they were made into a bikini!

Modula: AGH! You're gonna pay for this humiliation, how dare you humiliate me!

Ed Cowart raised both middle fingers: one to Modula and one to Dark Sebastian, and that pissed them both off!

Ed Cowart: Piss off, powerhungry treacherous asshole and Satanic slime!

Dark Sebastian: WHY YOU! HOW DARE YOU HUMILIATE ME LIKE THIS! YOU'RE GONNA PAY FOR THIS, ALL OF YOU! YOU WILL ALL DIE! (ENRAGED DEMONIC SCREAM)

DARK SEBASTIAN FIRED A BLACK ENERGY BEAM THAT DESTROYED THE BARRIER AND FREED OWEN THATCHER AND BELIAL NECROSHADE!

Then, they charged at us, but Lincoln swung his massive greatsword and fired a massive shower of light blades that hit Owen Thatcher, Belial Necroshade, and Dark Sebastian piercing them and they were sent flying into a wall and were pinned to the wall!

Aqua: He sure did and that was so fun and cool. Also we found out that he was turned into the most hated pariah of all.

Skulker: Really? How?

Aqua: After J.D. completely humiliated him by ruining his life, he had posted everything he said and did to everyone all over the city and he was immediately fired from his job and he had all of his assets seized and given to Phoebe. Also the people of the city were so outraged and they went to his home and destroyed it and burned it to the ground. Then they beat him up so badly that they broke numerous bones all over his body and his arms and legs had to be amputated. And he suffered a massive brain injury that completely destroyed his sanity. And he was sent to prison for 75 years for his crimes and ordered to pay $250,000,000,000,000,000 in restitution to Phoebe. Ever since then. He was named Florida's most hated Pariah.

Skulker: HOLY CRAP! I would say that Karma is a Bitch but that is VERY WELL Deserved!

We were amazed by Loreena Cavenstein's transformation, but when Lincoln saw her, he had a bright atomic red blush on his face and muzzle, hearts in his eyes, and his wolf nose gushed out blood like a fountain and it hits Owen Thatcher, Belial Necroshade, and Dark Sebastian and they screamed in pain as they got burned badly by his acid blood!

Owen Thatcher: YOU MISERABLE CRETIN! HOW DARE YOU HUMILIATE US!

Suddenly, we were teleported to Hell and more of Dark Sebastian's traps triggered as he summoned more demons and monsters to attack.

Time to die, you goddamn snakes!

Lincoln, Loreena Cavenstein, Nico, and I went after Owen Thatcher and Belial Necroshade, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Owen Thatcher and Belial Necroshade, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Loreena Cavenstein did the same by firing black, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive staff, and Lincoln, Loreena Cavenstein, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Owen Thatcher and Belial Necroshade even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Owen Thatcher and Belial Necroshade and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Owen Thatcher and Belial Necroshade and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

Owen Thatcher and Belial Necroshade became so enraged, they lost all sense of reason, and they suddenly transformed into demons as the sclera of their eyes turn dark red and the iris of their red eyes became brighter, their skin turned black and they had black fur grow and sprout out, and their faces turned into that of a demon dog with horns on top of their heads, and they roared in pure rage and they went full all-out berserk.

Lincoln swung his massive greatsword and fired two powerful rainbow light helix blasts which hit Owen Thatcher and Belial Necroshade, and not only did they transform back into human form, but the blasts also destroyed their dark powers forever, and Lincoln swung his massive greatsword again and fired blades of light which hit Owen Thatcher and Belial Necroshade right in the chest and the blades pierced their black hearts, and we saw lights burst out from behind their backs, and they went up in flames and they turned to ashes, as their black souls were forever sent to The Black Abyss for eternity.

We cheered wildly as we holstered our weapons and powered down and Loreena Cavenstein's new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold crescent moon-shaped frame around it with embedded midnight blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold crescent moon-shaped frames around them with embedded midnight blue gems behind the gold rings behind her head, thirty-five large black planets orbiting around her legs, thirty-five smaller black planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black planets orbiting around her wrists and ankles, and massive black angel wings and twenty-four sets of large black angel wings underneath her massive black angel wings are permanent.

Loreena Cavenstein: We did it, that's another two down. Thanks for helping me get rid of Owen Thatcher and Belial Necroshade, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Loreena.

Me and Nico: Our pleasure, Loreena.

Suddenly, Loreena Cavenstein wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Loreena Cavenstein's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Loreena Cavenstein sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Selena Mendez: We did it. Owen Thatcher and Belial Necroshade are gone forever.

Lincoln: Yep, now we got eight more to go: Reagen Lestranfe and Abigor Necroshade Quentin Hargreaves and Damon Necroshade, Michael Ondrushko and Aragon Necroshade.

Me: And finally, the main Satanic demons, Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe and Alaister Necroshade, Leader of The Dark Church of Malphas, the war has only just begun. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, The Mind Stone embedded in the blade of my sword and Lincoln's greatsword started glowing with intense yellow light.

Nico: Now, The Mind Stone's glowing.

Raphaela Fukushima: There's only one person we're going to be meeting on Lincoln's rescue tomorrow: Laura Hayashi, Elemental Wind Guardian of Mind.

Lincoln: I knew it was her.

Me: Whoa, and she's got to be really strong!

Raphaela Fukushima: You have no idea, and you guys are going to love meeting her, Laura Hayashi, Elemental Wind Guardian of Mind, is Lincoln's Guardian Angel from Japan and she's a very powerful master of Cosmic Aerokinesis and the mind. She was born with omnipotent power, immortality, invincibility, and the powers of Cosmic Aerokinesis, Omnipotence, Omniscience, Cosmic Awareness, psionic and psychic abilities including empathy, telepathy, and telekinesis, and she has The Mind Stone embedded in her forehead. She's a member of The Elemental Infinity Stone Guardians, the most powerful group of girls among Lincoln's Guardian Angels, they are six girls were born with the incredible powers of The Infinity Stones along with the elements of Cosmic Pyrokinesis, Cosmic Hydrokinesis, Cosmic Aerokinesis, Cosmic Geokinesis, Cosmic Umbrakinesis, Cosmic Photokinesis, and Cosmic Space powers, along with having said Infinity Stones embedded in them, and they were given the task of protecting Lincoln from the wrath of his enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas. She moved to Michigan where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Aerokinesis, Omnipotence, Omniscience, Cosmic Awareness, psionic and psychic abilities including empathy, telepathy, and telekinesis, and he gained omnipotent power and the powers of Cosmic Aerokinesis, Omnipotence, Omniscience, Cosmic Awareness, psionic and psychic abilities including empathy, telepathy, and telekinesis, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Flip with a passion and she swore to drive him mad by breaking his mind, but she absolutely despises Thanos, Dark Chase Young, Malphas, Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and all of Lincoln's enemies and all those who want to use them for their insane schemes of destroying the entire universe, and she swore to destroy their minds forever along with their sanity.

Me: (WHISTLES) Whoa.

Nico: Oh man!

Lincoln: Yep. Watch this.

Lincoln fired telekinetic blasts that hit a group of Guy Grazer's men that were hiding out in the shadows and forced them out and brought them to us. Then, he used telepathy to read their minds and he found out that Guy Grazer had sent them to kill us again, and then, he fired psionic blasts that hit their heads, and they suddenly had their minds destroyed along with their sanity.

Me: Whoa, that was powerful!

Nico: Really awesome.

We then saw Dark Sebastian twitching in anger: what we did killing Owen Thatcher and Belial Necroshade finally caused him to scream in demonic anger!

Dark Sebastian: DAMN YOU! DAMN YOU ALL! YOU'RE ALL GOING TO PAY!

But, then, we heard an inhuman roar, and we saw streams of darkness heading our way, and when they landed, what stood in their place were Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Michael Ondrushko, Quentin Hargreaves, and Reagen Lestranfe, and they were pissed that we killed Owen Thatcher and Belial Necroshade.

Me: Well, if it isn't Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade,, Michael Ondrushko, Quentin Hargreaves, and Reagen Lestranfe.

Alaister Necroshade: You damn bastards! You ruined our trap!

Nico: You should know we're never afraid of Hell or its demons, and you tried to take the battle to the very place you bastards were trapped in, that plan was doomed to fail.

Dark Sebastian: SHUT UP! SHUT THE FUCK UP, YOU DAMN BUBBLE-BUTT MONKEY! (ENRAGED SCREAM)

Nico: Heh, Bubble Butt? Look who's talking, at least, we're not the servants of a fucked-up blob of Eldritch Ooze created by Malphas!

Dark Sebastian: I will make you pay for this, all of you!

Suddenly, heavenly lights shined down and Lincoln flew into the air, and his massive white angel wings and ninety-nine sets of large white angel wings underneath spread out as he absorbed the flames from our battle with Modula on Galaluna. Plus, we also saw the damage we did was suddenly repaired.

Lincoln: You only know how to make threats, and you made those threats come true using violence and hatred. All you are is nothing more than the personification of hatred, destruction, and madness rolled into one, the same goes with your cronies, and you already saw that not even the darkness of Hell will protect you from us since we've killed Aragon Cochran, Nergal Glaphyra, Maacah Necroshade, Athalia Necroshade, Ryan McCabe, Jezebel Necroshade, Windsor Grimm, Herodias Necroshade, Alex Creighton, Delilah Necroshade, Owen Thatcher, and Belial Necroshade.

Me: That's right, you have nowhere to run, you pieces of shit.

Nico: And nowhere to hide.

Lincoln: That's for sure. Now, slither on back to the shadows where you belong, you blood-crazed world-destroying snakes.

Buster Bunny: And don't let us catch you running loose again, or I swear, you're gonna know what real pain is!

Babs Bunny: That's right! Now, beat it, you snakes!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Michael Ondrushko, Quentin Hargreaves, and Reagen Lestranfe let out unholy demonic screams as they turned back into black streams of darkness and flew back into the darkness swearing revenge on us!

Me and Nico: (FLIPS BOTH MIDDLE FINGERS AT THEM) Yeah, fuck you too! You better run, you fucking snakes!

Unicorn: Galaluna is safe.

Killer Shrike: Of course it is.

Mummy: Modula won't hurt anyone again.

Hsi Wu: No, he won't

Shendu: Let's celebrate here.

Me: Good idea. Then we got to return home to bring this Xenophobic general here to justice.

Nico: Good idea. Great job today everyone.

Ilana: (To the viewers) Now my home is free.

Nico: It sure is.

We had a great meal and party on Galaluna.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we took down and destroyed Modula forever, and we took down Vance Miller and threw him in The Tartarus Prison, and I absorbed the clone of Anti-Monitor and we assimilated all his powers, and we also got rid of Owen Thatcher and Belial Necroshade and pissed Dark Sebastian and the rest of those snakes off big time.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan went up to Lincoln.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful

aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan and the others.

Lincoln: (Seductive Voice) (Smirks) You said a mouthful.

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

General Steel was demoted down to janitor and was forced to clean the White House.

THE END

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to The Upper West Side in New York, but we got a really really haunting task ahead of us. Apparently, Caleb Maxwell had gotten an invitation to a wedding taking place at a church in The Upper West Side, but he knew of the eerie legends and haunting tales along with the reports of the spirits and ghosts that have haunted The Upper West Side for years, but this dark legend at the church is one that terrified him and all New Yorkers. According to the legend, over 400 years ago, in 1641, there was once a village in this area, but the village was said to be full of supposed devil worshippers. Because of that, a group of witch hunters who are descendants of knights came to the village and massacred everyone there leaving no one left alive, and they buried the bodies in a mass grave and once they placed a cross on the ground, it was there they began to build a church. On the upper part of the church, it was a place of light and worship to God, but underneath the church in the crypt lies a darker secret: the church was a prison to contain the spirits if they ever try to rise from the dead to get revenge, and for the last four centuries, the church has kept the spirits contained and the world safe.

But, this wouldn't last forever, apparently, David Matthews, one of Caleb's old college bullies from when he was in NYU when he was still alive now working as a librarian at the cathedral after he'd graduated from NYU two years after Caleb's death began to investigate the crypt of the church and he removed the seal freeing the demonic forces from their 400-year-old prison to attack the church occupants during the wedding, and David winds up getting possessed by one of the spirits and was transformed into a demon and the spirits began causing havoc on the others. So, it's up to us to end the evil and send the spirits back to Hell forever before they're fully freed from the church and free to take their revenge on mankind for what happened over 400 years ago. And we're going to meet Laura Hayashi, Elemental Wind Guardian of Mind, she's Lincoln's Guardian

Angel from Japan and she's a very powerful master of Cosmic Aerokinesis and the mind. She was born with omnipotent power, immortality, invincibility, and the powers of Cosmic Aerokinesis, Omnipotence, Omniscience, Cosmic Awareness, psionic and psychic abilities including empathy, telepathy, and telekinesis, and she has The Mind Stone embedded in her forehead. She's a member of The Elemental Infinity Stone Guardians, the most powerful group of girls among Lincoln's Guardian Angels, they are six girls were born with the incredible powers of The Infinity Stones along with the elements of Cosmic Pyrokinesis, Cosmic Hydrokinesis, Cosmic Aerokinesis, Cosmic Geokinesis, Cosmic Umbrakinesis, Cosmic Photokinesis, and Cosmic Space powers, along with having said Infinity Stones embedded in them, and they were given the task of protecting Lincoln from the wrath of his enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas. She moved to Michigan where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Aerokinesis, Omnipotence, Omniscience, Cosmic Awareness, psionic and psychic abilities including empathy, telepathy, and telekinesis, and he gained omnipotent power and the powers of Cosmic Aerokinesis, Omnipotence, Omniscience, Cosmic Awareness, psionic and psychic abilities including empathy, telepathy, and telekinesis, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Flip with a passion and she swore to drive him mad by breaking his mind, but she absolutely despises Thanos, Dark Chase Young, Malphas, Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and all of Lincoln's enemies and all those who want to use them for their insane schemes of destroying the entire universe, and she swore to destroy their minds forever along with their sanity.

Next up is Stella Zhau's day to shine and we're going to battle Fifi Dufus and Bolhofner and make those 2 jerks pay!

see you next time

SPY LOUD FORCE

This chapter is based on the Loud House movie No Time to Spy

In the Early Morning hours at 1:11 AM, Lily was asleep in her room and she was having an interesting dream. She saw herself in the forest and was walking.

Lily Loud: I'm in the forest?

Lily saw a light and it was a campfire and sitting there was Universe 666 May.

Lily: Universe 666 May? Oh man.

She went over and saw her crying.

Lily: She really went through hell ever since we ruined everything.

Lily then woke up and decided to go help Universe 666 May.

Lily wrote a note and got dressed and gave the note to Nico. Lily went out and went into the forests of Minnesota. She went deep into the trees and saw the fire and there was Universe 666 May. She was crying hard.

Lily: May?

Universe 666 May: Huh? Oh it's you! Haven't you done enough damage to me!?

Lily: I know you are hurting inside because of Universe 666 Nico. But also I can see that you are hurting because of something else.

Universe 666 May: You don't know ANYTHING about me!

Lily: You're right I don't. But let me help you! You weren't like this before. I can sense it. Let me help you.

Universe 666 May: No one can help me. I lost everything.

Lily: But you haven't lost your heart. You still have some good inside you. You were made this way against your will. And I can sense it. Just trust me.

Universe 666 May: Why should I?

Lily: Because there are many others that are like you and you can redeem yourself. Let me help you.

Lily then spread her wings of water and they enveloped her and in a ball of water she was being healed. Then a glob of pitch black darkness came out of her and Lily put it in a jar and sealed it.

When it was done Universe 666 May groaned and then she saw Lily holding out her hand and then Universe 666 May did something unexpected. She hugged Lily and cried hard and was wailing and screaming in sadness! POOR GIRL!

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to Equestria.

Lincoln: Why am I here in Equestria?

Suddenly, he saw the cutie marks of Twilight Sparkle and her friends appear along with a powerful rainbow magic, and then, The Spirit of the Tree of Harmony appeared.

Lincoln: The Spirit of The Tree of Harmony. Is this...?

Spirit of The Tree: Yes, it is. Just like with J.D. during the fight against Ucumu and Dark Punguari, Twilight and her friends are going to unlock their Rainbow Power, and you too are also going to unlock your Rainbow Power when you go after Dark Sebastian and Alaister Necroshade.

Lincoln: I see.

Spirit of The Tree: This sign you see here, this is to prepare them for the prophecy and for the final showdown against Queen Opaline.

Lincoln: The prophecy will be fulfilled, and Queen Opaline will pay for everything she's done.

Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: I just had a dream that's linked to the prophecy.

Lincoln explained everything.

Twilight Sparkle: So, we're going to unlock our Rainbow Power.

Lincoln: Yep, in order to be ready for the battle against Queen Opaline when the planetary alignment begins.

Rarity: That's amazing.

Fluttershy: But, how will we know which one is first?

Lincoln: We'll know first thing in the morning, Fluttershy. But, we're telling everyone about this, and they are going to be stunned.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to Equestria.

Then, after Lincoln explained everything, we were floored!

Nico: Oh man, so now, it's the turn of Twilight and her friends to unlock their Rainbow Power!

Me: Just like me. Plus, you're going to unlock your Rainbow Power soon, Lincoln.

Lincoln: When Dark Sebastian and Alaister Necroshade make their move.

We were amazed by Crash Bandicoot's brand-new transformation, and Lincoln also got out a mirror and Crash Bandicoot saw his new transformation.

Crash Bandicoot: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos

Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, this is what I call a transformation, I also got a tail with phoenix feathers on it and a red goatee making me look like a young adult. (Flexes left arm) And I also grew even taller and even more muscular and much more stronger. (Smirks) Heh, the rest of my enemies are gonna be in for some real trouble.

Nicole: That's true, there's Tiny Tiger, Koala Kong, Pinstripe, and many others on Wumpa Island.

Aku-Aku: (Jamaican Accent) We'll deal with them later on the future.

Suddenly, a vision orb appeared in Crash Bandicoot's hand, and we saw our first targets: The Flim Flam Brothers from the Sweatshop time where Sweatshop Applejack came from.

Sweatshop Applejack: Of course, I should've known those no-good cheats would be the first ones to go.

Applejack: That's for sure, those no-good varmints.

Crash Bandicoot: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos

We're going to send those two varmints back to prison, what they did cannot be forgiven, it's true, but this is the best kind of punishment.

Applejack: Alright, but not before we beat them to a pulp.

Crash Bandicoot: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) Let me also join in too, they're gonna be in for one heck of a surprise.

Nicole: Ooh boy. They're in for some big trouble.

Crash Bandicoot holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, Third Eye, long orange tail with phoenix feathers on it, 28th Century backpack, large gold halo and large gold Yata no Kagami mirror behind the large gold halo behind his head and four large orbiting gold rings on each corner and four large gold Yata no Kagami mirrors behind the four large orbiting gold rings, large one-hundred colored planets orbiting around his legs, one-hundred smaller colored planets orbiting around his waist, smaller planets orbiting his fingers, medium sized colored planets orbiting around his wrists and ankles, and massive red angel wings and ninety-nine sets of large red angel wings underneath his massive red angel wings are permanent.

Nico: Wait, I forgot to ask, where are those con-artists from Sweatshop Applejack's world?

Crash Bandicoot: They're on an Amish planet.

Applejack: An Amish planet, that means, the inhabitants have got to be farmers like us.

Lincoln: I know that planet, that's the planet, Amishia. I hope none of them run into those con-artists. Let's finish up breakfast and head after the con-artists.

Nico: And send them straight to prison.

Meanwhile...

Bolhofner: Anti Monitor couldn't meet with me for this?

Evolt: As you know, he's in the middle of recovering his strength. So it falls to me as the second of command to give you your orders. Head to the simulator dimension to meet with the version of Fifi there. And I'm not talking about the poodle.

Bolhofner: Oh you mean Fifi Dufus. I know who you are talking about.

Evolt: Good then I don't have to explain it.

Bolhofner: Consider it done.

He went there.

Evolt teleported back.

Stella woke up to see Stoutland staring at her

Stoutland: Morning Stella!

Stella Zhau: Morning Stoutland.

Stoutland: Time for breakfast!

Stella went and got dressed and went to the table and we were having eggs and waffles.

Nico: Lily said she had something to do involving a dream.

Me: I know. I wonder what it is.

Then the door opened and we heard crying and we saw Lily with Universe 666 May and he was crying hard!

May: (GASP) My universe 666 self!?

Nico: Lily!? What happened?

Lily: My dream told me to help her.

She gave me the jar of darkness.

Lily: This was in her,

Me: We'll take this to the lab then.

Lily brought her to the sofa and I took the darkness to the lab.

Me: Now Lily tell us what happened.

Lily: Well I had a dream and woke up around 1:30 AM and went out after leaving the note for Nico.

Nico: Yes I got it.

Me: Yeah.

Lily: I learned that May became this way because of a man that made her that way.

Me: Who was it?

Nico: Yeah.

Universe 666 May: (CRYING) IT WAS MR. BURNS!

WE GASPED IN SHOCK!

Me: Wait it wasn't Mr. Burns in your world was it?

Lily: No it was the Prime Universe Burns!

WE GASPED AGAIN!

Me: THAT HEARTLESS EVIL VULTURE!

Universe 666 May: I'm so sorry I did all that! I'm so sorry I hurt you all and did all that to you all! I AM SO SORRY FOR EVERYTHING I DID! I DID IT ALL BECAUSE IS WAS MADE TO DO ALL THAT!

I went and sat with her and Manaphy and May sat with her.

May: It's okay me. You are not that monster anymore.

Me: Yeah we forgive you.

Lisa came back with the results and it was actually the evil essence of Burns!

Me: So it was Mr. Burns essense! Now it's personal!

Qin: Yeah!

Universe 666 May then took off her wedding ring and threw it and it shattered when it hit the wall!

Universe 666 May: I never want to see that monster again! I HATE YOU UNIVERSE 666 NICO! I HATE YOU!

Maria: To be fair, he was having an affair with my counterpart

Universe 666 May: I know! (CRYING) I WILL NEVER FORGIVE THAT MONSTER!

Me: It hurts I know. But he will pay for his crimes soon. I know Anti-Monitor brought him back too. But we're going to be ready for him.

May: Yeah! We sure will. Besides we are not going to let him get away with it.

Nico: But we'll face him on a rescue.

Me: Understood.

Universe 666 May: I'm so sorry about everything I did to you all! Words can't tell you how much I hurt you all and ruined everything for us! I helped Nico turn us into evil monsters!

Universe 666 Me: It's not your fault May.

Universe 666 Varie: Yeah you did all that against your will.

Universe 666 May: (CRYING) I feel like such a fool!

She was crying hard and wailing hard!

Seeing her cry this hard was making my heart hurt.

Me: Me and Manaphy will make Shadow Clones and stay with her.

Nico: Okay.

We did so.

We set out for the rescue.

Me: Wow! A planet of the Amish. This is really amazing.

Qin: It sure is!

Stewie: It reminds me of when me and Brian went to a world like this to fight Bertram who enlisted the help of the

Amish to destroy us.

Me: That is amazing.

Qin: It sure is.

Lola: Wow!

Pinkie Pie: I fit right in here! I am from an Amish family myself too.

Me: I remember that Pinkie.

Xenia: Yeah.

Galaxy Man: I'm really excited for this.

Nico: Galaxy Man, I want to thank you, Melascula, and your teams for coming.

We walked on.

Nico: You're starting to fit in J.D.

Me: Yeah I sure am.

Nico: Angela, what do you like to do in your free time?

Angela Ginga: I like observing the stars and the planets and learn more about the events that have taken place in the universe. It's fun.

Me: It sure is.

Qin: Wow.

Ymir: That is cool.

Angela Ginga: It sure is. I love learning all about the stars and sky.

Me: Neat.

Nico: That's a good job to have.

Angela Ginga: It sure is.

Qin: Yeah.

Dexter: Boy this planet reminds me of when I went to an Amish farm camp.

Me: Does it really Dexter?

Dexter: It sure does.

Stewie: I knew something was Amish.

WE LAUGHED!

Me: (LAUGHS) That was a good one Stewie.

Luan: (LAUGHS) Yeah!

Eddy: (LAUGHS) Good one!

Nico: Yeah! Also yesterday was awesome and fun.

Me: It sure was. We destroyed Modula and took back Galaluna for good.

Nico: We sure did.

Ilana: And our kingdom can now live in peace.

Qin: Thank goodness.

Girl Jordan: Thank goodness Ilana's Akuma wasn't like Carnage.

Me: She was almost like him though.

Nico: What did you think of what I said to Steel?

Animated Optimus: Reminds me of what I said to my version of Sentinel once.

Sari Sumdac: I was there.

Me: You sure showed him Nico.

Nico: Thanks!

Me: That was awesome.

Lola: Yeah.

Qin: Awesome!

Girl Jordan: It sure was.

Poliwag:..I licked slime.

Me: Yes you did. Blech. Still don't find it pleasant.

Poliwag: No worries.

Lola: Yeah.

Me: Lets check this place out.

We walked around. We saw a bunch of people churning butter.

Me: I am actually familiar with some of the Amish customs. They are very devout Christian people and have very primitive culture.

Nico: The Amish just like doing things the way we used to do years ago.

Me: Yeah. But it's all cool.

Laney: It sure is.

Dexter: I think being Amish is quite an interesting culture too. Even though there is no technology it's interesting.

Brian: Tell that to the robot that they built that attacked me and Stewie.

Nico: I remember seeing that. That was very amazingly well made.

Eli: Yeah no kidding.

Lincoln: Okay, guys, we're here for one awesome battle, we're here on the Amish Planet, Amishia, and we're here to help Applejack unlock her Rainbow Power and battle the Flim Flam Brothers from the Sweatshop time where Sweatshop Applejack came from and send them to prison.

Me: That's right.

Eddy: Man those two remind me so much of myself that it's scary.

Me: No kidding Eddy.

The rest of the team's with us.

Nico: I thought we took care of those con-artists when we went after them last year.

Lincoln: Sadly, they escaped from prison after conning two inmates into helping them. I already told the warden and the two inmates who got conned got sent to Solitary Confinement.

Crash Bandicoot: Typical action of two con-artists.

Suddenly, Lincoln had a premonition as his large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a one-way viewing mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent another massive 12'6" werewolf with

demon wings and massive pack of 12'6" massive werewolves with demon wings after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another massive 12'6" werewolf with demon wings and massive pack of 12'6" massive werewolves with demon wings after us?!

Nico: Now that those snakes are freed from Hell, they're free to come after us once again.

Lincoln: We're more than ready for those pack of snakes, and we'll send them running back to Hell for good by absorbing their next demon winged werewolf and its pack and drain all their souls and send them to The Black Abyss. Now, let's get going.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised

and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for the Flim Flam Brothers from the Sweatshop time where Sweatshop Applejack came from) AHA! Gotcha, you varmints, I just spotted the Flim Flam Brothers from the Sweatshop time where Sweatshop Applejack came from, they're 20 yards away, but it looks like they're about to con some honest farmers.

Nico: Time to put the kibosh on those varmints.

Me: They're heading right back into the hoosegow!

Crash Bandicoot: Let's both do the entrance on those varmints, we need an Old West showdown theme for this.

Applejack: Now, that I like.

Lars heard a Pokemon cry.

Lars: GASP! Look.

We saw a Lampent.

Me: Cool a Lampent.

Lampent: I think this place is strange.

Me: Well it's a planet of the Amish.

Lampent: Oh.

Lars gave it some apples.

Lampent: Thank you.

Lampent ate them.

Lars: Want to come with us?

Lampent: I would like that.

Me: Cool.

We heard a moo!

Me: What the?

We saw a Bouffalant!

Me: Whoa a Bouffalant!

Nico: Do they really sound like that?

Me: Not really sure. But they are evolved from Tauros.

Nico: True.

Killer B: Lets see here fools ya fool.

He used Telepathy and was shocked!

Killer B: Well I'll be fools! It's my sister Bianca B!

Me: WHOA! We better help her.

Me and B went over.

Killer B: Yo Bianca! Lets talk this down girl! No need to go hurl!

All she did was charge at Horsea.

But Horsea was ready and she had a Red Cape ready like a matador!

She ran at the cape and then...

KRABLANG!

She hit an anvil that was behind it! OUCH!

Nico: OUCH!

Me: That had to hurt!

Horsea: Ole!

Me: YEAH!

Nico: Nice one!

Maria: Horsea has been watching too many Bullfighting movies but they came in handy.

Me: Nice one.

I snapped my fingers and she was a girl with pink hair and pink eyes and had purple angel wings and had Gyuki the 8-Tailed Lightning Ox and Bouffalant on her forehead and had a thunderstorm on her arm as a cutie mark and had 8 octopus tentacle tails coming out of her butt.

We wrapped her in a blanket and brought her over.

She woke up to see Horsea's stern gaze.

Bianca B: Huh? A Horsea? What happen.. OW! MY HEAD! What hit me!?

Horsea: You went at me and I used bullfighter moves on you.

Killer B: You hit an anvil from Horsea fool Ya fool.

Bianca B: (GASP) Big bro!

They hugged!

Bianca B: I'm glad to see my big bro fool!

Me: (LAUGHS) You were turned into a Bouffalant by Dark Gale, Bianca.

Bianca B: (GASP) Oh man! I remember.

She was in a purple suit and injected and then she turned into Bouffalant! She charged and ran out of there.

FLASHBACK ENDS

Bianca B: It was awful.

Me: Well Dark Gale was destroyed.

Killer B: It's true. Also me and Bianca would fight with my brother A and help him win his victories. We were known as The Lightning Ox Trio.

Me: Cool name!

Ymir: Is Lord A your brother?

Me: Oh it's part of a special customary tradition in the Cloud. They choose the Raikage's partner that is called his or hers brother and it's a battle partner custom.

Killer B: It's true.

Nico: Your role in Sonya's team?

Bianca B: I use dancing and lightning to get our enemies down. Outside the team I focus on bringing down the corrupt councils of the villages for all the pain caused to Jinchuriki.

Me: We pretty much have that part covered because all the corrupt councils and those that hurt the jinchuriki are either in jail or were executed.

Lola: It's true.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new pink and purple clothes.

Bianca B: I look awesome.

Me: You sure do. Also your brother did a very awesome thing for my brother.

Naruto: It's true. He taught me how to control the power of Kurama the 9-Tails.

BIanca B: That is awesome.

Me: Yep.

Horsea: I outsmarted one of you guys this time!

Bianca B: You sure did!

We then took off into the air to take down the Flim Flam Brothers from the Sweatshop time where Sweatshop Applejack came from and help Applejack unlock her Rainbow Power and send them off to prison.

We were flying in the air, and we saw our targets: the Flim Flam Brothers from the Sweatshop time where Sweatshop Applejack came from.

Applejack: There are those two varmints.

Crash Bandicoot: Time for an Old West showdown entrance on them.

Suddenly, Crash Bandicoot's emerald green eyes glowed, and the land changed into an Old West town.

Me: Whoa, awesome. Now, here comes the fun part.

Applejack: Yep.

?: (LOUD VOICE) FLIM FLAM BROTHERS, WE'RE A-CALLING YOU OUT!

Flim Flam Brothers from the Sweatshop time: Who said that? SHOW YOURSELF! WE OWN THIS TOWN NOW!

?: Not anymore, you yellow-bellied varmints!

Suddenly, the spirits of the cowboys and outlaws of The Old West appeared riding on horses and they fired at the Flim Flam Brothers from the Sweatshop time and their con-artist scams were all exposed, and then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared.

Applejack: Should've known you yellow-bellied con-artist varmints were at it again. Now, here's what's going to happen, you're gonna give back all that money you swindled out of these hard-working farmers.

Then, he struck them with some hard punches and kicks, and he even used some wrestling moves on them, and they were both pretty beaten up and banged up bad.

Me: Ooh, ouch!

Nico: WHOA!

Me: INCREDIBLE!

Inside a rainbow sphere with intense flames, fire, and elemental forces, Applejack then underwent an intense and amazing transformation! Applejack had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and skirt and she also gained intense flame and crystal patterns on her forearms, She also got red and pink and orange lines on her hair and tail. She showed it to Nico and it was a really cheap and poorly made doll.

Fluttershy: Polly the Hearthswarmer Doll.

She pulled a string.

Doll: I love being an expensive toy.

Eli: Okay that is pathetic! How much did that cost?

Nico: That's spicy!

Me: Oh it's going to get worse!

Nico: Nice!

But then massive fireballs blasted all over and we saw Axel! But then the next member of the Daughters of Organization XIII came.

Leia Lea Axel: Time for the fire to burn!

Lincoln: Leia Lea Axel! Wow!

Leia Lea Axel: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Leia Lea Axel, Daughter of Axel, she's Lincoln's Guardian Angel from The World That Never Was, she's a powerful master of the forces of fire, and she's known as The Dancing Flame Master of The Daughters of Organization XIII, they are the daughters of the members of Organization XIII and they have elemental angel wings and black clothes and the weapons of Organization XIII and the kanjis of the elements on their foreheads, and Aniya and her friends absolutely loathe Xehanort with a bloodstained vengeance. She came to Royal Woods where she met Lincoln and swore to protect him from all threats and it not only included Dark Chase Young, but also, Xehanort as well, because Lincoln also had a hand in killing the evil Xehanort. She trained Lincoln in mastering the forces of fire, and in a split second, he mastered the powers of fire, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Hawk and Hank with a passion.

Nico: WHOA! Awesome to meet you!

Leia Lea Axel: Same here. Lola want to help with this?

Lola: You bet!

She went and helped out.

Andre Lupescu flew up into the air and charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS THE TWO CON ARTISTS AS THEY WERE SENT INTO THE AIR AND THEY ALSO GOT BURNED BAD!

Andre Lupescu came back to us before they could recover.

Flim Flam Brothers from the Sweatshop Time: Okay, that hurt.

Lincoln: Time for the big guns.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and we saw a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar.

Lincoln: (Cracks Knuckles and neck)(Smirks) This is gonna hurt!

Lincoln went at the Flim Flam Brothers from the Sweatshop time and he brutally smashed them down all over the place with his massive godly superhuman strength. Then, he punched them hard in the stomach and kicked them in the stomach and sent them flying into a wall, they got back up.

Me: Great job, Lincoln! That'll teach them!

Nico: Still as brutal as ever.

Suddenly, we heard more vampiric shrieks, and we saw more vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Suddenly, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by an icy blue mist. Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Then, Sherlock Hound attacks another vampire and the blade slashed the vampire and he turned to ashes. Then, he swung his massive greatsword again and fired projectiles of fire that hit and turned more of them to ashes!

Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a massive 12'6" werewolf that was summoned by Dark Sebastian and his minions, and with it was a massive pack of 12'6" massive werewolves.

Lincoln: Ugh, I knew Dark Sebastian would summon them. I'll take care of them at once.

Lincoln went after the massive 12'6" werewolf and its' massive pack of 12'6" massive werewolves, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" werewolf and its' massive pack of 12'6" massive werewolves, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the werewolves' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Seeing what happened to the werewolves had royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Michael Ondrushko, Quentin Hargreaves, and Reagen Lestranfe!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, Aylene Applejack, Carly Creepy Apple, Abigail Mean Applejack, Crystal Applejack, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked the Flim Flam Brothers from the Sweatshop time hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength.

Applejack, Carly Creepy Apple, Abigail Mean Applejack, and Crystal Applejack are permanent.

Applejack: That'll teach them varmints. But, I got to ask, Lincoln, how do you know that much about this planet?

?: Perhaps I can answer that question.

Suddenly, we saw a girl with orange hair, dark blue eyes, she has black and white Amish clothes, she has the Amish symbol on her skirt, right arm, and forehead, blue angel wings, and she has a sword in hand.

Lincoln: (GASPS) Susie Erlene, Keyblade Knight of Amishia.

Susie Erlene: Good to see you again, Lincoln, and wow, you've really grown.

Lincoln: I sure have.

Me: Wait, you know her, Lincoln?

Lincoln: Indeed I do.

Anna Anyanova: Along with us and Liam. Everyone, this is Susie Erlene, Keyblade Knight of Amishia, she's Lincoln's Guardian Angel from Amishia and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of the planet Amishia and she's a really cultural and amazing girl that's a great farmer and gardener and also a great builder too. She's also a master of the farm and all the animals too. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him about mastering the powers of the farm and all the animals of the farm, and over time, Lincoln gained all the powers of the farm and all the animals of the farm, and she also helped him bulk up in muscle not only in training, but also, doing farm work and heavy lifting in the many farms all over Amishia and the United States. Plus, Susie also taught him all about gardening, farming, and building buildings, and he also became an awesome gardener, farmer, and builder of buildings, and even Liam was also stunned and impressed that Lincoln became an awesome gardener, farmer, and builder of buildings, and Liam also called Lincoln over for help at the Hunnicutt family farm as well, and Susie hates Luan and Lisa because of the obvious reasons.

WE GASPED IN SHOCK AND AWE!

Applejack: Wait, what?!

Apple Bloom: We had no idea about that!

Liam: I did, and Lincoln's helped out at my family farm and he's lifted tons of hay bales and got them into the barn and he's helped out with feeding and tending to the animals, he's even helped out with farm repairs, planting seeds in the ground and tilling the soil, and when my family saw Lincoln, they were stunned to see that he grew to be THAT big, THAT strong, and THAT muscular.

Applejack: Well, Big Mac is the same, he's done a lot of work on the farm and he's that strong, same with me. But, still, that's amazing that you're also an awesome gardener, farmer, and builder of buildings, Lincoln.

Lincoln: Susie introduced me to life on the farm, and not only did I adapt that into my lifestyle, but I also incorporated all of that into my work-outs as well by doing a lot of yard work and heavy lifting all over the farms in Amishia and at Liam's family farm.

Lynn: I saw it for myself, and even I was stunned at how much Lincoln seriously bulked up and grew THAT much in height and muscle mass. I was proud, and Luan and Lisa hated her and she hated them not only for the obvious reasons, but Luan and Lisa had also destroyed her barn many times and tried to ruin her harvest.

Susie Erlene: It's true, and Lincoln smashed up Lisa's robots many times and absorbed the scrap metal remains into his body and he also tied them both up and I wanted to use them as scarecrows, but instead, I kicked them out and sent them flying back home.

Lincoln: Where the rest of the family gave them what for.

Suddenly, Lincoln pinned Susie Erlene to the floor and he kissed her on the lips as he wrapped his massive muscular arms around her waist and she placed her hands on his massive biceps. Then, he leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Susie Erlene with orange gems on the gold lightning bolts and orange crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with an gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, Lincoln helped her up.

Susie Erlene: HOOWEE! (Rubs Lincoln's massive pecs) Well, that was one way of saying it's good to see you again.

Liam: You know Lincoln all too well when it comes to his Guardian Angels and future wives.

Lincoln: (Embarrassed) Liam.

Me: You'll get your shot Homer.

Nico: Nice job, Lampent.

Lampent: Thanks Nico! It was fun!

Me: It sure was!

Poromon: Want some beer?

Lampent: Oh yes please!

Poromon: YAY! There you go!

He gave Lampent some beer and he drank it.

Lampent: (GULPING)

He drank it down.

Lampent: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH)

Lampent got drunk.

Poliwag: Sing the ABCs!

Lampent: ABDHFMWKGKWMRMVHSMAOFNRG!

we reverted Lampent back.

Lisa Loud: Later, we're going to do something that I personally like.

Nico: What is it?

Me: I bought us tickets to the Opera and we're going to watch it.

Nico: COOL!

Ultra Humanite: It'll be great to see an opera again.

Princess Luna: Looking forward to it.

Xenia: Yeah me too.

Nico: What opera are we going to?

Me: The famous Carmen.

Nico: Oh, Galaxy Man, what do you like to do in your free time?

Galaxy Man: Oh I like working at the observatory and help astronomers find new objects in space.

Nicole: I help out there and help them find new things in the cosmos.

Qin: Cool!

Nico: Good job to have there.

Lola: Yep.

Lincoln: Cool. (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Stella Zhau.

Stella Zhau: Another Me? Awesome.

Me: Yep. So we got Another Melascula of Faith, Kamen Rider Ginga (X-Squad), Princess Chimera, Old Grand Ma, The Bellydancer Bandits and Belial

Nico: Yep. That means Galaxy Man, Angela Ginga, Callie Frederico, Emma Gale, Xiyida Xiyula and Andrea Andromeda are up.

Qin:Cool!

Lincoln: (Sensed Foot Soldier Anothers) And I also spotted some Foot Soldier Anothers. But, one of them is good. Allie, are you familiar with a girl named Cathy Marie O'Malley?

Allie Maxwell: (GASPS) Cathy Marie O'Malley?! Oh, I know her too well, she was one of my friends in high school and she always kicked the crap out of Chett A.K.A. Shroud if he tried anything on me same with Crowe because she knew I was with Mad Cat Max. Plus, she always found a way to drive Drake out, and she always found a way to keep Caleb from going too ballistic and causing a mess in the city. Here's her picture.

Allie Maxwell got out her picture: Cathy Marie O'Malley is a white-furred female cat with dark blue eyes, long brown hair and long brown tail, and she was dressed in fashionable clothes.

Roxy Drake: I remember her all too well, she's from Queens and she's one tough girl, back in her old high school, the boys she went to school with were bad.

Allie Maxwell: They were the worst, and she always had to put them in their place, and it ended with them getting their crotches stomped on by her high heels.

Caleb Maxwell: She made a mess of them and Shroud and Crowe, I couldn't stop laughing at them.

Cage Blunt: You even added in to the carnage by literally kicking them in the butt and you had metal plates in your boots, mind you.

Then, the Footsoldier Anothers arrived.

Footsoldier Another: (Female Voice) (Posh Accent) Excuse me, do you know where I can find the powder room?

Allie Maxwell: Yeah, why?

Suddenly, the Foot Soldier Another changed back, it was Cathy Marie O'Malley.

Cathy Marie O'Malley: (New York Accent) Cause I'm busting out of gym class and I'm dying for a smoke!

Allie Maxwell: Cathy! I knew that was you! And I'm sure you remember The NYPD Nightshift.

Cathy Marie O'Malley: I hadn't forgotten, and I also know your brother, Caleb, is here. Is he still the same dark angel of vengeance to all of New York's gangs?

Caleb Maxwell: Hello, Cathy.

Cathy Marie O'Malley: Ouch, figures you are still the same. Oh, and the other Foot Soldier Anothers, you aren't going to like them

The other Foot Soldier Anothers changed back, and when Lincoln saw them, he got pissed off big time!

Lincoln: WHAT THE?! (GROWLS) Remi Dufus and Bertha Bolhofner?!

Me: What the?! The daughter of Fifi and Rufus Dufus and the daughter of that hairy smelly abusive fucking pig, Bolhofner?!

Nico: You know them, Lincoln?

Lincoln: Unfortunately, I do, as J.D. said, Remi Dufus is the daughter of Fifi and Rufus Dufus and Bertha Bolhofner is the daughter of Bolhofner the hairy smelly pig, and they are just as bad as the two of them! And I can guess why you're here, Remi!

Remi Dufus: That's right, I want revenge on you stupid Louds for the deaths of my mother and father, and once all of you are dead, I WILL RULE THE WORLD! (LAUGHING EVILLY)

Bertha Bolhofner: And I also want revenge not only on you stupid Louds, but also, on you too for what you did to my father, Knudson!

Me: Your fucking father's going to get what he deserves later on today, bitch! But, first, I'll do unto you what I'm going to do to your father!

Lincoln: And your damn parents got what they deserved when Future Sebastian brought them back from the dead, Remi! Now, I'll send you to join your wretched parents in The Black Abyss forever!

Lincoln went after Remi Dufus and I went after Bertha Bolhofner, and we really brutalized them badly by punching and kicking them all over the place, and we even scratched them with our gold-armored claws.

Lincoln: Time to disappear forever! NIGHTFLAME SUN BLAST!

Lincoln fired a massive black ball of night flames which hit Remi Dufus and Bertha Bolhofner and they were burned to ashes and sent to The Black Abyss.

Me: And good fucking riddance!

Nico: YEAH!

Qin: Now for the main event.

Nico: There they are!

We saw Another Kamen Rider Ginga (X-Squad), Princess Chimera, Old Grand Ma, The Bellydancer Bandits and Belial!

Me: WHOA!

QIn: This will be fun!

Another Kamen Rider Ginga (X-Squad): It sure will.

They reverted back.

Amelia Amaterasu: We sure are. We're your cousins Naruto.

Me: WHOA! I did not see that coming!

Irena Izanagi: Thank you so much for looking after Naruto for us J.D.

Me: No problem girls. Naruto is my brother and always will be.

Naruto: It's true.

Varie: By the way are the Another Melascula and Stella friendly or hostile?

Amelia Amaterasu: Friendly and awesome.

Me: Neat!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: (TURNS DIAL) SILENCE FURY 6!

She summoned Monspeet of Silence, John Jack Daniel Torrence, Gat Bot, Aligned Shockwave, Knight (Sonic Frontiers) and Getogeto!

Me: COOL! Now we wait

Manaphy: I hope Other Mama's okay.

I formed a viewing window and we saw that she fell asleep on the sofa. All that crying wore her out. Our clones were taking care of her.

Me: She fell asleep.

Nico: All that crying wore her out.

Manaphy: Poor Other Mama

Me: Burns really went too far.

Nico: My evil self brought all this on himself.

Camie: Yep.

Poromon: Burns and possibly Crocker might possibly be even more evil then Dark Chase Young

Me: No they aren't. They haven't lived over 1,500 years and did TERRIBLE atrocities to so many people just to kill one family.

Nico: Yeah.

Poromon: Good point.

Me: Oh there!

We saw Another Melascula and Stella Zhau!

Me: There they are.

Nico: Yep.

Another Melascula: (In a girls voice) (Australian Accent) This is gonna rock mates!

She reverted back and was the gene-slammer of Rainbow Snake Eingana!

Nico: (GASP) Harper Eingana!

Harper Eingana: G'day. Good to see you again Nico mate. We haven't seen each other since we were wee nippers.

Nico: It has been a while.

Me: Rainbow Snake Eingana's gene-slammer. Cool!

Harper Eingana: That's right! Also have all of Melascula's powers too. Me and Nico went and stopped a massive poaching ring in the Great Barrier Reef and they were killing much of the fish and coral there.

Me: Oh man! That is terrible!

Harper Eingana: It was mates.

Nico: And your friend?

Another Stella: Someone who is proud of her sister.

She reverted back and was a mini and smaller version of Stella!

Stella Zhau: (GASP) Callie!

She ran and hugged her!

Stella Zhau: Oh Callie I missed you.

Callie Zhau: Me too sis.

Me: Your little sister no doubt right.

Stella Zhau: Yeah she's in kindergarten and is really gifted in art.

Me: Neat!

Laney: Cool!

Kaito (gets out Abaranger gear): Did Swartz promise you anything?

Zocks (Gets out Dekaranger gear): Because we can grant it instead.

They got weapons from said teams.

Harper Eingana: No he didn't. I used my powers to strip Swartz of his powers and make them my own. You see mates, I have this power that makes villains powers my own.

Nico: She is just like me.

Me: That is cool! Boy Swartz must not have liked that.

Harper Eingana: He sure didn't mate.

Me: It weakened him significantly for us to kill him.

Sougo (gets out Dino Thunder Ridewatch): Swartz Must've gotten his powers back over time

Geiz (Gets out SPD Ridewatch): Because when we fought him, he was able to turn into Another Decade.

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor

Harper Eingana: He did but it would take him a year to get them back.

Me: More than enough time to kill him and Nico and May ripped him apart and killed him.

Qin: As Pain and Torture.

Xenia: Yep.

Lincoln: Lets separate you girls.

We did so.

Me: Lets dance.

Nico: (Gets out Melascula's ridewatch) This is gonna be dark!

May: (Gets out Princess Chimera's ridewatch) Time to burn!

Maria: (Gets out The Bellydancer Bandits Ridewatch) Time to dance and steal!

Amelia Ginga: (Gets out Kamen Rider Ginga (X-Squad) Ridewatch) The stars are shining!

They used the powers of Melascula of Faith, Kamen Rider Ginga (X-Squad), Princess Chimera, Old Grand Ma, The Bellydancer Bandits and Belial and blasted the Anothers!

Me: YEAH!

YODELLAY YEEE HOOO!

Out came Grayroad of Pacifism, Cheese Ninjas, Universe 666 Mozenrath, Pajiramon, Kamen Rider XGeats and Number 14: Greedy Sarameya!

Me: WHOA!

Nco: Nice team Grayroad!

Grayroad: Thanks Nico.

Me: Sheep Man and his team are up.

Sheep Man: That's right!

Me: Yep!

Then a galaxy and a brain came and they formed into Number 90: Galaxy-Eyes Photon Lord and Number 89: Diabolos the Mind Hacker!

Me: WHOA! Number 90: Galaxy-Eyes Photon Lord and Number 89: Diabolos the Mind Hacker!

Nico: Cool!

Number 90: Galaxy-Eyes Photon Lord: (In a girls voice) Looks like the fun has come!

Number 89: Diabolos the Mind Hacker: (In a girls voice) It sure has!

Nico: Gina Galactia and Diana Diablos! Wow!

They reverted back.

Gina was a girl with blue hair and purple eyes and blue wings and had blue star clothes and had Number 90: Galaxy Eyes Photon Lord on her forehead, skirt, shirt and arm and had a star sword!

Diana was a girl with red hair, red eyes, red fire wings, red clothes and had Number 89: Diabolos the Mind Hacker on her forehead, arm, skirt and shirt and had a red lightning sword!

Diana Diablos: Good to see you Nico.

Gina Galactia: We got this. 90 STAR STORM BLAST!

Diana Diablos: 89 FLAMES OF THE BRAIN!

They fired waves of energy and fire and blasted the Anothers and I caught the ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Me: Yeah!

Gina Galactia: Thanks! That was fun.

Amelia Ginga: Do you guys have any good memories of Nico?

Gina Galactia: We sure do. Mine is where me and Nico found an amazing planet where everything is made of lasagna.

Garfield: (GASP) (DROOLS UNCONTROLLABLY!) LASAGNA PLANET!

Me: That is cool!

Diana Diablos: Yep. Mine is where me and Nico hacked into a terrorist group computer and destroyed their with their own machines.

Me: Cool!

Qin: Yep.

Nico: Those were fun.

Nico hugged them.

Nico: I've missed you girls.

Gina Galactia: Same here.

We went back home. I went to the Leaf and filed a report with Lady Hokage.

Apparently, Caleb Maxwell had gotten an invitation to a wedding taking place at a church in The Upper West Side, but he knew of the eerie legends and haunting tales along with the reports of the spirits and ghosts that have haunted The Upper West Side of New York for years, but this dark legend at the church is one that terrified him and all New Yorkers. According to the legend, over 400 years ago, in 1641, there was once a village in this area, but the village was said to be full of supposed devil worshippers. Because of that, a group of witch hunters who are descendants of knights came to the village and massacred everyone there leaving no one left alive, and they buried the bodies in a mass grave and once they placed a cross on the ground, it was there they began to build a church. On the upper part of the church, it was a place of light and worship to God, but underneath the church in the crypt lies a darker secret: the church was a prison to contain the spirits if they ever try to rise from the dead to get revenge, and for the last four centuries, the church has kept the spirits contained and the world safe.

But, this wouldn't last forever, apparently, David Matthews, one of Caleb's old college bullies from when he was in NYU when he was still alive now working as a librarian at the cathedral after he'd graduated from NYU two years after Caleb's death began to investigate the crypt of the church and he removed the seal freeing the demonic forces from their 400-year-old prison to attack the church occupants during the wedding, and David winds up getting possessed by one of the spirits and was transformed into a demon and the spirits began causing havoc on the others. So, it's up to us to end the evil and send the spirits back to Hell forever before they're fully freed from the church and free to take their revenge on mankind for what happened over 400 years ago.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in The Upper West Side of New York, and I know what we're going to do here, not only am I going to rescue the two girls here, but we got a really really haunting task ahead of us.

Caleb Maxwell got out the invitation.

Caleb Maxwell: Yep, I had gotten an invitation to a wedding taking place at a church in The Upper West Side, but I knew of the eerie legends and haunting tales along with the reports of the spirits and ghosts that have haunted The Upper West Side of New York for years, but this dark legend at the church is one that terrified me and all New Yorkers. (Sees the church) And there it is.

We arrived at the Church, it seemed like any other Gothic cathedral from Europe.

Nico: This is the Church? It doesn't seem that bad.

Me: I don't think so, Nico, remember our trip to Lucedio in Northern Italy two years ago?

Nico: (Suddenly remembers) Oh...! Now, I remember.

Eli: (Sensed it) Caleb's right, I sense something very dark here, and it's coming from the crypt of the church. Caleb, what is this legend that terrified you and everyone in New York?

Caleb Maxwell: This is one legend that I remember all too well. The story takes place over 400 years ago. In 1641, long before the settlers came, there was once a village in this area, but the village there was said to be full of devil worshippers. They practiced the gruesome rites of human and animal sacrifice and drank their blood, plus they did all sorts of other heretical acts.

Laney: Yikes!

Caleb Maxwell: The reports made their way to a group of witch hunters who are descendants of the knights of Medieval Europe who were also living there and established a colony there as well, and when they saw the reports of the gruesome rites of human and animal sacrifice and the drinking of blood and all sorts of other heretical acts, they decided to take action. On May 6th, 1641, armed with swords and horses, they descended on the village and massacred everyone there leaving no one left alive, and they buried the bodies in a mass grave.

Maria: Jeez.

Caleb Maxwell: If you thought that was bad, here's where gets even more scary, once they placed a cross on the ground as a seal, it was there they began to build a church. On the upper part of the church, it was a place of light and worship to God, but underneath the church in the crypt lies a darker secret: the church was a prison to contain the spirits if they ever try to rise from the dead to get revenge, and for the last four centuries, the church has kept the spirits contained and the world safe.

Goths of Darkness: Gasp!

Brittney: They wanted to make sure this kind of evil never got out, and a church over the crypt should have kept the evil contained.

We then got to the church, but as soon as we opened the doors, everyone inside the church came running out.

Bride: Run! The Devil has been let loose! The evil has been set free!

We asked questions to the bride and groom along with the attendants.

Me: What happened?

Groom: It was awful, we saw it. Demons were let loose and everyone was lucky to have gotten out of the church, but the evil is still in there!

Allie Maxwell: Oh man, this means the containing of the spirits didn't last forever.

Nico: Who could've done this?!

Allie Maxwell: There's only one person who'd be that boneheaded enough to remove the seal: David Matthews, one of Caleb's old college bullies from when he was in NYU when he was still alive.

Caleb Maxwell: That dumbass?! I can't believe him! Is he unemployed?!

Allie Maxwell: No, he's not. He's working as a librarian at the cathedral after he graduated from NYU two years after your death, Caleb, and he began to investigate the crypt of the church.

Caleb Maxwell: And in the course of his investigation, he's removed the seal: the cross on the ground, this freed the demonic forces from their 400-year-old prison to attack the church occupants during the wedding, and David winds up getting possessed by one of the spirits and was transformed into a demon and the spirits began causing havoc on the others.

WE GASPED!

Nico: Oh, that is not good!

Galaxy Man: So, it's up to us to end the evil and send the spirits back to Hell forever before they're fully freed from the church and free to take their revenge on mankind for what happened over 400 years ago.

Lincoln: Right. But, this will not be easy.

Caleb Maxwell: It won't, but it needs to be done. Let's head inside, but be careful, now that David has been fully transformed into a demon, there's no telling what he'll do.

We went inside the church, and already, the air of sanctity was replaced by the presence of pure evil.

Nico: The sanctity of the church has now been replaced by pure evil.

Lincoln: It feels really dark here.

Caleb Maxwell: Thanks to David Matthews, an unholy nightmare has been unleashed from the Gates of Hell, we got to stop it before it's too late.

Suddenly, we felt a dark presence coming from the crypt as we went down to the crypt. There, we saw a male grey-furred cat with black hair and black tail come out, it was David Matthews, but he was only dressed in black pants.

Caleb Maxwell: There's David.

Allie Maxwell: Hey, look, on the altar, is that...?

Caleb saw a young female beige-furred cat with brown hair and brown tail, it was Kate Lowell, but she was in a bra and panties.

Caleb Maxwell: It's Kate, David's ex-girlfriend. Why is she on the altar?

Brittney: Oh no, he's going to rape her and as you said, David's no longer human, he's now a demon.

Then, the black-hooded figures painted symbols on her stomach using human blood.

Nicole: A Satanic sacrificial ritual, that is not good. Lincoln, can you...?

Lincoln formed and fired holy light at David Matthews and the possessed black-cloaked figures, and Kate Lowell snapped out of her possession as well.

Kate Lowell: What the? Where am I?

Caleb Maxwell: Kate, over here!

Kate Lowell made her way to us, but then, we saw David Matthews transform as his body grew really muscular and his nails grew into claws, and goat horns grew on his head and demon wings sprouted out of his back and he let out a roar!

Lincoln: Begone, Servants of Hell!

Lincoln fired another blast of holy light that hit the demonic cat and the Satanic followers and we ran out of there and back upstairs.

Nico: Okay, we got your friend back, but David...!

Caleb Maxwell: He's not going to give up.

Then, David Matthews appeared, but then, we saw the dead bodies of the massacre victims buried beneath the church slowly begin to rise.

Me: Is that...?!

Caleb Maxwell: It's the dead bodies of the massacred villagers from 1641, it's time, we need to end it now!

Andre Lupescu fired a massive wave of snow, ice, and darkness at the demon-turned David Matthews and the dead bodies of the massacred villagers and they hit them, and that pissed them off even more.

But, before the demon-turned David Matthews could attack, he was hit by blasts of stars and sapphire blue energy, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blonde hair and flower in her hair, orange eyes, massive blonde angel wings, she has The Mind Stone on her forehead, yellow short-sleeved blouse, yellow sleeveless crop top, white gloves, yellow skirt, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, phoenixes, and angels on the coattails, and on the back is The Mind Stone, she has a wind greatsword in her right hand, and with her are the two girls.

Lincoln: (GASPS) Laura Hayashi, Elemental Wind Guardian of Mind.

Laura Hayashi: That's right, and I got the girls away from David and he tried to rape them too. We need to end him.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at the demon-turned David Matthews, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THE DEMON-TURNED DAVID MATTHEWS! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT THE DEMON-TURNED DAVID MATTHEWS WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND HE SCREAMED IN AGONY!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen when we end this nightmare.

Then, Andre Lupeau went after the demon-turned David Matthews and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, Lincoln swung his massive greatsword and fired a beam of holy purifying light which hit the demon-turned David Matthews, and not only was he freed, but the beam also hit the dead bodies of the massacred villagers as a demonic roar of pain was let out and the bodies were destroyed and all of the spirits and demons were sent back to Hell.

We grabbed David Matthews and got out of the church. We cheered as we holstered our weapons and powered down and we came back home to The World Tree Estate.

Lincoln: Whew, that was one unholy nightmare we had to go through inside the church.

Me: No fooling.

Nico: And now, I know why Caleb stayed away from that place, the history of that village was pretty dark.

Caleb Maxwell: It's haunted that part of the West Side for four centuries, the witch hunters tried to contain the evil after slaughtering the villagers.

Lincoln: Unfortunately for them, the evil that dwelled there was too powerful to contain, all it took was the decision of one careless person to unleash that unholy nightmare. But, we prevented that nightmare from escaping for good. (To Laura Hayashi) And it's so good to see you again, Laura.

Laura Hayashi: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Laura Hayashi had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Laura Hayashi was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Laura Hayashi: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Laura Hayashi's waist and hugged her, and Laura Hayashi is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew

a lot since then.

Laura Hayashi: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or

massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Laura Hayashi, Elemental Wind Guardian of Mind, she's Lincoln's Guardian Angel from Japan and she's a very powerful master of Cosmic Aerokinesis and the mind. She was born with omnipotent power, immortality, invincibility, and the powers of Cosmic Aerokinesis, Omnipotence, Omniscience, Cosmic Awareness, psionic and psychic abilities including empathy, telepathy, and telekinesis, and she has The Mind Stone embedded in her forehead. She's a member of The Elemental Infinity Stone Guardians, the most powerful group of girls among Lincoln's Guardian Angels, they are six girls were born with the incredible powers of The Infinity Stones along with the elements of Cosmic Pyrokinesis, Cosmic Hydrokinesis, Cosmic Aerokinesis, Cosmic Geokinesis, Cosmic Umbrakinesis, Cosmic Photokinesis, and Cosmic Space powers, along with having said Infinity Stones embedded in them, and they were given the task of protecting Lincoln from the wrath of his enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas. She moved to Michigan where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Aerokinesis, Omnipotence, Omniscience, Cosmic Awareness, psionic and psychic abilities including empathy, telepathy, and telekinesis, and he gained omnipotent power and the powers of Cosmic Aerokinesis, Omnipotence, Omniscience, Cosmic Awareness, psionic and psychic abilities including empathy, telepathy, and telekinesis, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Flip with a passion and she swore to drive him mad by breaking his mind, but she absolutely despises Thanos, Dark Chase Young, Malphas, Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and all of Lincoln's enemies and all those who want to use them for their insane schemes of destroying the entire universe, and she swore to destroy their minds forever along with their sanity.

Me: That's impressive.

Lincoln: Yep, she taught me all of her moves and powers. (Sensed two presences) And Brooha, Brute, I know you two are here.

The Glitter Force gasped. Then, Brooha and Brute appeared.

Ulric: We were hoping to run into you two. What happened?

Brute: Dark Sebastian's finally lost his patience and resurrected Emperor Bogo and Rascal's escaped!

WE GASPED!

Brooha: We escaped when that happened, but we saw it, The Emperor has returned to full power!

Ricky: So, Dark Sebastian has finally lost his nerve and resorted to that.

Emily: We've got to stop him.

Ulric: We will, but first.

Then, Vypra went up and used her magic to sever Ulric, Brooha, and Brute from Emperor Bogo forever.

Vypra: There we go, and Ulric's already a member of The Masters of Evil, and he made his wish clear he wanted you two to also join in. Emily purified you three long ago, and you finally accepted her as a friend.

Brooha: Perhaps, that was all we ever wanted.

Brute: Yeah, a friend.

Ricky: Now, we're that close to the final showdown with Bogo, there's one last thing to do.

Lincoln: To contact Queen Euphoria, so we can rally everyone together to end him, and now that you're here, Laura.

Lincoln with his massive muscular arms still wrapped around Laura Hayashi's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Laura Hayashi: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Laura Hayashi with yellow gems on the gold lightning bolts and yellow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Laura Hayashi: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of

Eternal Love, which means you're now part of my harem and my many future wives, Laura Hayashi.

Laura Hayashi had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Laura Hayashi's waist, and he leaned down to her face and kissed her on the lips, and with Laura Hayashi's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Laura Hayashi had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Laura Hayashi: (In Heaven) My God. Oh, Lincoln, tell the boys to run and hide in their rooms, the two girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the two girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the two girls are Judith and Thunder Sonia from Orc Hero Story.

Lincoln: Oh whoa, it's Judith and Thunder Sonia from Orc Hero Story.

Nicole: Uh oh, so those were the girls Laura rescued, and it's no wonder Travis and Red said that kind of warning, these girls are really sexy. David tried to rape them as sacrifices for the ritual, it's a huge surprise Caleb didn't kill him.

Lincoln: Thank goodness. Are you girls okay?

Thunder Sonia: Yes, we're okay, thanks to you.

Then, when Judith and Thunder Sonia saw who it was that saved them from the demon-possessed David Matthews and the dark spirits of the church, their faces turned atomic red upon seeing the 12'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Almighty Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and

Judith: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Thunder Sonia: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Judith and Thunder Sonia with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Okay, that was one haunting and dark rescue.

May: That's for sure. Jeez, I hoped never to go into another church that has a Satanic presence ever since our trip to Lucedio two years ago.

Lincoln: I would've thought so, but unfortunately, that wasn't the case with that haunted church.

Nico: And in the West Side of New York, unbelievable.

Me: Luckily, Caleb told us about the dark legend that took place there.

Caleb Maxwell: I'd hoped never to go there again.

Keroberos: But, it had to be done, Caleb, or otherwise...

Caleb Maxwell: You're right, if we didn't go there, then, the evil from 400 years ago would've taken its revenge on mankind.

Eli: And it would've also meant Hell on Earth.

Allie Maxwell: That's for certain. We prevented that and Kate's going to get therapy after what she had to endure, but as for David, well just be glad Caleb declined on killing him.

Me: Right.

After Lincoln and all of us exorcised the demonic forces that haunted the church for over 400 years, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Laura Hayashi saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Laura Hayashi: My God, I was right that Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Laura, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Laura Hayashi: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Laura Hayashi: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm, it was Rascal, the enemy of The Glitter Force.

Glitter Force: Rascal!

Ricky: Looks like things have taken a turn.

Ulric: I knew that jester would show up.

Brooha: But, I thought he'd be absorbed by Emperor Nogo.

Brute: Same here.

Lincoln: (Sensed Rascal's energy) Nope, that is indeed Rascal.

Emily: We'll take care of him!

The Glitter Force, Ricky, Margie, Rufus, Ulric, Brooha, and Brute went out to confront Rascal.

Rascal: Well, well, well, The Glitter Force, and the three traitors.

Ricky: Ulric had since joined Vypra, and Brooha and Brute joined her ever since you and Dark Sebastian brought Nogo back from the dead.

Margie: You really crossed it this time.

Rufus: Now, you're in trouble.

Rascal: It won't matter, soon, Emperor Nogo will rule the universe and the entire universe will have a truly unhappy ending.

Ricky had his Ricky's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Magic Star Storm Moonlight Magic Fairy Tale Pixie Wolf Seraphim Phoenix God Archangel Mage's Staff of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Magic Star Storm Moonlight Magic Fairy Tale Pixie Wolf Seraphim Phoenix God Archangel Justice ready and he transformed into Super

The Glitter Force transformed into their Royal Mode forms.

Glitter Force: It's time for you to pay!

Ulric, Brute, and Brooha: It's payback time, you stupid jester!

They went after Rascal, and they really thrashed him all over. Ulric, Brute, and Brooha also pulverized and blasted him, and The Glitter Force blasted him all over the place as well.

Ricky: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Magic Star Storm Moonlight Magic Fairytale Pixie Wolf Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Magic Star Storm Moonlight Magic Fairy Tale Pixie Wolf Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) It's over, Rascal.

Rascal: Even if you kill me, it's too late. Emperor Nogo has been resurrected, and Dark Sebastian managed to get Bolhofner to safety in The Simulator and Team Loud Phoenix Storm will think he's out there in the real world.

We heard it.

Everyone: WHAT?!

Rascal: Oh no...!

Ulric: And thank you for blabbing that out.

Glitter Force, Ricky, Margie, Rufus, Ulric, Brooha, and Brute: ROYAL FAIRY TALE ELEMENTAL FINALE!

The Glitter Force, Ricky, Margie, Rufus, Ulric, Brooha, and Brute fired a massive barrage of elemental and magic blasts that hit Rascal and he was destroyed and he was sent to The Black Abyss. Ricky powered down and he and the others came back inside.

Me: That was some awesome work, guys, but now we know who we're facing today.

Lincoln: Bolhofner, and Dark Sebastian hid him inside The Simulator.

Emily: We need to know which scenario he's hiding in.

Kelsey: The second we do, we'll go after him.

Lily: Rascal made a big mistake ratting him out, but thanks to that, we're ready for him.

April: And no doubt if Dark Sebastian found out, he would've killed him.

Chloe: We already took care of Rascal for good.

Candy: Now, we got Nogo to take care of.

Pop: That's right, Candy.

Ricky: We're ready for him, this time, Nogo is going to disappear forever.

Suddenly, we saw a figure appear, it was Queen Euphoria, Queen of Jubiland.

Emily: Queen Euphoria.

We bowed before Queen Euphoria.

Queen Euphoria: It's an honor to meet all of you, Team Loud Phoenix Storm, and it's good to see you and the others again, Emily.

Lincoln: Your Majesty, we've already heard that Rascal resurrected Emperor Nogo, and he had the help of Dark Sebastian. But, we will make sure Emperor Nogo is destroyed for good.

Queen Euphoria: I know you will make sure of that, and congratulations are in order for you being engaged to Emily, Kelsey, Lily, April, and Chloe, Lincoln.

Pop: We heard about it, and all of us were planning a celebration for the future wedding.

Ulric, Brooha, and Brute: Can we also join in as best men and flower girl for that day?

Lincoln: Of course.

Brute: Yes!

Ricky: You just made their day, Lincoln.

Ymir: Hmm, Caleb, I don't mind asking, but back when you were alive in 1985, did you know anything about a brutal murder in Lower Manhattan?

The NYPD Nightshift gasped, and Caleb froze up.

Ymir: Was it something I said?

Caleb Maxwell: How did you know about that?

Cage Blunt: I think she could tell from the look on your face. Guess we got some explaining to do. It was something that haunted Caleb long ago, and Travis and I were the ones who did this. The person who got killed that night on October 3rd 1985 was a Syndicate high-ranking official named Ricky Williams and Caleb ran from him when he saw him as he was coming home.

Cage Blunt put the tape in and it played on the big screen and it showed New York at night in 1985 on October 3rd, and we saw Caleb Maxwell heading home, or rather, he was running home.

Past Caleb Maxwell: Damn it, next time, I need to call for someone to pick me up, or try and get a car of my own instead of walking home. I just hope I can get back home before I run into Cage and Travis again. I don't want to be their snack again.

Caleb kept on running, but then, he ran into someone, it was a male cat with brown fur, short brown hair, brown tail, and he was dressed in the clothes of a businessman, but when Caleb saw the pin, his blood ran ice cold. He recognized the pin of The Syndicate.

Ricky Williams: Caleb Maxwell! This must be my lucky day!

Ricky Williams got out his gun!

Past Caleb Maxwell: Oh shit!

Caleb Maxwell pushed the male cat and he ran away as fast as he could.

Past Caleb Maxwell: What the freaking Hell?! That was Ricky Williams, high-ranking official of The Syndicate! Damn it, now I really have to get out of here!

Caleb kept running and dodging the bullets!

Ricky Williams: I don't even care if you are Marcus' eldest son, you've gotten in our way for the last time. I'll present your dead corpse to your father and he'll reward me handsomely!

Caleb kept dodging the bullets and ducked into a nearby alley!

Past Caleb Maxwell: What am I going to do? I can't keep running and dodging all night! I'm gonna get tired and if that happens, I'll be shot!

Suddenly, Caleb's mark reacted and his right arm started bleeding.

Past Caleb Maxwell: No...! Not now, not yet!

Ricky Williams: You better get out here and die like a man!

Suddenly, Ricky Williams was pounced on by two figures who came out of a nearby alley, it was Cage Blunt and Travis Tackett.

Past Cage Blunt: Aw, we were hoping to run into Caleb, but you'll do.

Ricky Williams: Screw off, I'm going to kill him, not you!

Past Travis Tackett: Kill him? Oh no, we're not going to let you kill our "friend". (Smirks Evilly) In fact, we're going to kill you! (HISSES)

Before Ricky could react, the two vampires attacked him with Cage slashing him on his chest with his claws and they pounced on him, and!

CHOMP! CHOMP!

BLOODCURDLING SCREAM!

THEY BIT INTO HIS NECK AND BEGAN SUCKING HIM DRY OF EVERY LAST DROP OF BLOOD!

Caleb looked out from the alley, and he saw it. Then, Ricky Williams dropped dead as he was completely drained dry of blood.

Past Cage Blunt: Ah, now that was good.

Past Travis Tackett: You said it.

Past Caleb Maxwell: (Whispers)(Horrified) Oh my God..., they killed him...!

Caleb ran out of the alley that was far from Ricky and the vampires' location, but he didn't forget what he saw. Finally he reached for home and he opened the door, ran inside, and slammed it shut and locked it in fright. He was breathing heavily from fright. Suddenly, he turned around and got frightened, but he was met by his mom, Marlene Maxwell.

Past Caleb Maxwell: Mom...!

Past Marlene Maxwell: Caleb, are you you okay? What happened?

Caleb told her everything, and she was horrified.

Past Marlene Maxwell: Oh God, thank goodness you survived. I can't believe you ran into Ricky Williams. That guy is a psychopath.

Past Caleb Maxwell: That's not all. Do you remember the two vampires I'd encountered? They tried to ambush me, but they ambushed Ricky, and..., he was killed. They drained him dry of every last drop of blood.

Past Marlene Maxwell: My God...! Caleb, the vampires are allowed to kill murderers and rapists and without any fear of retribution. (Rubs his back) But, what matters is that you're alive and well. I'll go get something for you to eat, okay?

Marlene left to head for the kitchen, but Caleb thought about his mom's words that she was glad that he survived.

Past Caleb Maxwell: But, I don't know for how much longer, Mom. I still feel death is coming for me, and once that day comes..., you and Allie will be in so much danger.

Caleb held onto his haunting words as the video ends.

Me: You were lucky to survive that night, Caleb, but this was a bad sign for you.

Caleb Maxwell: It'd always been a bad sign for me since then. My encounters with Cage and Travis turned dangerous due to them being drunk on Demon Blood, and every night, I've had to run not only from them, but also from The Syndicate and The Big Claw Gang, and it got even more dark and dangerous ever since the night I encountered

Drake Maxwell again. I knew that no matter where I'd go, I couldn't escape. Drake tried to kill me and ruin my life, but on the day I discovered the secret of The Syndicate and how Dad was the one who established it and Drake was its second-in-command, I was the one who made the decision to save Mom, Allie, and I from being dragged down to Hell, but I suddenly had the feeling that my decision to save us from Hell would seal my fate forever.

Suddenly, James Blunt hugged Caleb.

James Blunt: Caleb's beaten himself up so many times over the choices he'd made to save his mom, Allie, himself, and his family from Hell, and at the same time, he'd suffered so much pain from other external forces as well: the very forces that made his life a living Hell.

Nico: From what we saw..., Caleb's life went from happiness to a living Hell, that alone could've killed him completely.

Lincoln: Yet, Caleb survived, but he bore the scars of the pain and suffering he had to go through, and his mind was clouded by so much pain and negativity. But, he kept it hidden for that long: no one can hide that amount of pain and abuse for that long, not even me.

Selene Arcangela: That's for sure, when we saw what happened to you, we immediately take action, but for Caleb, he was different, he tried to hide the scars and the pain in his eyes from his mother, but she saw it for herself, and he closed out his own heart until the day he was killed.

Jack Howard: Until Cage's dad got him to open his heart once more, and the floodgates opened and years of pain, anger, sadness, despair, and depression flooded out.

We got a shower, and then, Lincoln, Kris Mu, Dark Mu, Simulator Shara, Simulator Nunnally vi Britannia, Emily, Penny, and Kelsey Day are heading to First Street Beach in Manistee, Michigan.

Lincoln snapped his fingers, and the 12'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Kris Mu, Dark Mu, Simulator Shara, Simulator Nunnally vi Britannia, Emily, Penny, and Kelsey Day are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Kris Mu, Dark Mu, Simulator Shara, Simulator Nunnally vi Britannia, Emily, Penny, and Kelsey Day all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all, and Lincoln brought Emily, Penny, and Kelsey Day back to life.

Kris Mu: Wow, we're here in First Street Beach in Manistee, Michigan, it sure is beautiful.

Lincoln: It sure is, Kris, and it's perfect for our first date, shall we?

Lincoln, Kris Mu, Dark Mu, Simulator Shara, Simulator Nunnally vi Britannia, Emily, Penny, and Kelsey Day dived into the waters and they started swimming and they all saw the marine life that lived there. Then, they went back to the beach where the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an awesome volley ball game, and they went to a workout area that Lincoln created, and Kris Mu, Dark Mu, Simulator Shara, Simulator Nunnally vi Britannia, Emily, Penny, and Kelsey Day got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift one-hundred and two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and one-hundred massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Kris Mu: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clone went up to Kris Mu, Dark Mu, Simulator Shara, Simulator Nunnally vi Britannia, Emily, Penny, and Kelsey Day) and hugged them in their abnormally massive and powerful muscular arms, and Kris Mu, Dark Mu, Simulator Shara, Simulator Nunnally vi Britannia, Emily, Penny, and Kelsey Day placed their hands on the massive hairy pecs of Lincoln and his clone.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Kris Mu, Dark Mu, Simulator Shara, Simulator Nunnally vi

Britannia, Emily, Penny, and Kelsey Day and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at First Street Beach in Manistee, Michigan, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kris Mu, Dark Mu, Simulator Shara, Simulator Nunnally vi Britannia, Emily, Penny, and Kelsey Day with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade

Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Kris Mu, Dark Mu, Simulator Shara, Simulator Nunnally vi Britannia, Emily, Penny, and Kelsey Day are now in your harem, Linky.

Kris Mu, Dark Mu, Simulator Shara, Simulator Nunnally vi Britannia, Emily, Penny, and Kelsey Day showed the marks Lincoln made on the right sides of their necks.

Kaan Demir-Vanhoof: (Belgian Accent) That was my idea to set Lincoln up with a Simulator version of Shara.

Eli: And I set him up with a Simulator version of Nunnally.

Jenna: You girls had no trouble at all.

Kris Mu: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Gallus, Allenby and Penelope's 3rd mission.

Nico: Anyone else want to go with Gallus, Allenby, and Penelope? Besides Tony Jones, Nate, Taranee, Potty Mouth, Stinkor, and Dr. Felonius?

Yumi: I'll go.

Trap Jaw: So will I.

Jared: I'll go as well.

Heidi: And me and my siblings too.

Me: I had a feeling you all would.

Brittney: And me and the Goths will go too.

Dan Kuso: My friends want to come too.

Me: Okay then.

Poromon: And me and the mascots will go too.

Nico: Wow! Okay then. Lets go!

We were off to Goha City!

We arrived.

Yuga: Hey guys!

Romin: Wow good to see you all.

Gallus: Guys, meet Tony Jones, Nate, Taranee, Potty Mouth, Stinkor, and Dr. Felonius.

Tony Jones: It's a pleasure, I am Tony Jones, Defender of the Moonlands and master of the Magim.

Romin: (GASP) I heard all about the Moonlands! They are so awesome!

Tony Jones: They sure are.

Nate Adams: I am Nathan Adams but everyone calls me Nate. I am the Yokai Tamer and master of the Yokai Watch.

Me: You'll love seeing what he can do.

Taranee: I'm Taranee Cook, Guardian of Candrakar for Fire.

Yuga: Oh wow! I remember seeing the battle you guys had with Nerissa! That was intense!

Me: Yes it was.

Potty Mouth: Name's Potty Mouth. YOU GOT A PROBLEM WITH THAT!?

Romin: WHOA! O-kay!

Me: You'll have to forgive Potty Mouth. He's called that because not only does he have a toilet for a head but also he has a nasty disposition and he has a rotten mouth.

Yuga: Oh I see.

Stinkor: I am Stinkor! (LOUD FART)

Me: He is From Eternia and he smells horrible!

Yuga: Oh boy.

Dr. Felonius: And I am Dr. Felonius. Made these for you.

He pulled out cute sweaters of their colors.

Allenby: Aww those are adorable.

Romin: Thanks.

Jared: My name is Jared and I am Allenby's husband.

Romin: Oh wow! It's an honor.

Me: Jared is my son and Allenby is my daughter in law.

Yuga: Wow!

Jared: And these are mine and Allenby's kids.

Heidi: My name is Heidi.

Nathaniel: I'm Nathaniel.

Isabel: And I'm Isabel.

Romin: It's a pleasure.

Brittney: We are the Goths of Darkness. I'm Brittney Knudson.

Lucy: I'm Lucy Loud.

Haiku: I'm Haiku.

Dante: I am Dante.

Persephone: I'm Persephone.

Morpheus: I'm Morpheus.

Boris: And I'm Boris.

Romin: Oh wow! The famous Goths of Darkness. I've heard all about you.

Haiku: We get that a lot.

Me: Yeah.

Dan: And guys these are my friends the Bakugan Battle Brawlers.

Runo: Pleasure to meet you guys. I'm Runo.

Marucho: I am Marucho.

Julie: I'm Julie.

Shun: My name is Shun.

Yuga: And it's awesome to meet you all.

Julie: Same here.

Yumi: I am Yumi Ishiyama and I'm a member of the Goths of Darkness and the Lyoko Warriors.

Trap Jaw: The Name is Trap Jaw. I'm one of Skeletor's minions but also help the M.O.E.

Manaphy: I'm Manaphy.

Horsea: I'm Horsea.

Jirachi: I'm Jirachi.

Tentacool: I'm Tentacool.

Mevya: And I'm Mevya.

Romin: Oh you guys are all so cute!

Poromon: Yeah we sure are.

Yuga: So, Allenby. Tell us about yourself.

Allenby: Well I am the Gundam Fighter of Neo Sweden. I fought in the Gundam tournaments and they were awesome.

Eli: You should have seen what those are like.

Jared: Here.

Jared showed videos of the Gundam Fights and they were epic and action packed.

Romin: Oh wow! Those are massively powerful!

Luke: And really explosive!

Eli: Yeah and REALLY brutally fun. The Gundam Fights were some of the most explosive battles we participated in.

Gundam Fighters from all over the world would compete for the title of the best in the universe. I represented Neo Japan and I won those tournaments myself.

Allenby: It's true. Little Eli is really gifted in all that.

Romin: Oh wow! That is awesome!

Jared: Yep.

Romin: How did you and Allenby meet Jared?

Jared: That is one of my most popular stories. We met when Allenby was in the Tarne Valley. I was out exploring when I heard Allenby call for help and I found her sinking in quicksand and I flared up my aura and saved her.

Allenby: Jared became my knight in shining armor and saved me and we were in love the moment he saved me.

Romin: How romantic.

Nico: Any of your enemies active?

Yuga: Actually yes. Toombs is active.

WE GASPED!

Me: We just talked about him a while back. But what can you tell us about him?

Romin: Well he looks like Lucy and has his bangs grown to cover his eyes.

Lucy Loud: Like I said, I can relate.

Yuga: But here's what he can do.

He went over his history

Toombs joined RoaRomin a year before the series. He was the last member of RoaRomin to join the band.

Roa enlisted Toombs to Duel Lucidien "Luke" Kallister for the three-vs.-three Duel he planned to use to gain ownership of Rush Duels, as the superstitious Luke would be easily scared by Toombs' name and Ghost Story Duel. As they were holding the concert at the Big Seven Arena, Toombs used the building's disused nature and ghost stories to terrify Luke in the hallways before the concert.

After Yuga Ohdo agreed to Rush Duel Roa in the team Duel, Luke eagerly volunteered to Duel first, so Roa had Toombs step up for the Duel as they had planned. Toombs initially controlled the Duel, scaring Luke by continually shouting his name and recounting ghost stories that were connected to his monsters, while manipulating Luke's cards to deplete his LP and prevent him from taking any actions on his first turn. He drew "Wicked Shadow Dark Lurker" and "It's Right Behind You!" on his next turn, using the effect of the former in combination with "Nightmare Knock" to destroy all of the Spells and Traps he'd forced Luke to Set, while preparing to return it to the field with "It's Right Behind You!" On Luke's next turn, Toombs reduced his LP to 300 and used "It's Right Behind You!" to Special Summon "Dark Lurker" and switch its DEF with its ATK, but his claim that his card shared his name alerted Luke that he had been saying his own name. Toombs was shocked that Luke had taken so long to deduce his name, lamenting that no-one ever remembered it. Luke then brought out "Multistrike Dragon Dragias" and "Shock Dragon", the latter in particular surprising Toombs. Luke reduced the ATK of "Dark Lurker" to allow his Dragon to destroy it and defeat Toombs, but even as Toombs lamented his loss, Luke told him it had been a great Duel and told him he would remember his name, much to Toombs' joy. Toombs remained waiting at the back of the stage as Romin Dueled Gavin Sogetsu, facing the wall the entire time.

Roa Dueled Yuga next, and as Kaizo introduced Roa to the audience he rated both Toombs and Tyler at zero among the band, much to their displeasure. As Roa Dueled Yuga, Toombs and Tyler helped amplify Roa's presence with stage tricks. Yuga eventually drew "Sevens Road Magician", and was poised to be disqualified as Roa had planned, but then a Relic emerged from the ground and projected Otes, who confirmed "Sevens Road Magician" was legal and that RoaRomin had been blocking its information. The Duel continued after Roa voiced the extent of his desire to become the King of Duels, but Roa was eventually defeated.

For unknown reasons, Toombs was present during the Duel between Tyler and Roa in the Garden of Curiosity. When Yuga, Luke and Gavin encountered Tyler, they initially mistook him for Toombs, and Toombs called his name from the stands. As Tyler's Goha Enterprises supporters chanted Tyler's name, Toombs stood with them in the stands, quietly whispering his own name. After Tyler was defeated and he returned to the surface, Toombs was with him at the Big Seven Arena when Romin came to ask them if they'd heard about Maximum Summoning, though Toombs had not heard of it.

Toombs eventually decided to return to Roa, and though Tyler claimed to be unwilling he nevertheless followed Toombs. Roa welcomed them back, claiming that Toombs and Tyler were like his two aces; "Royal Rebel's Heavy Metal" and "Invasion". Toombs, Roa and Tyler entered the Goha Rush Duel Team Battle Royal as Team Roa and Tyler and Toombs and interrupted Goha President's openings speech with a grand entrance, but to their shock Roa challenged Goha alone, wanting to win the right to speak to Otes, and Toombs believed Roa had only wanted to be speaking to Otes and had used them as pawns. Tyler stormed out of the stadium despite Toombs' protests, claiming that Roa only valued them as much as he did his cards, but Toombs and Tyler were heartened to see Roa bring out both "Heavy Metal" and "Invasion". To Toombs' shock and anger, Roa then Tributed both monsters to Tribute Summon "Royal Rebel's Doom Metal", and Tyler bitterly claimed Roa only saw them as pawns and left his drumsticks behind as he left the grounds. Toombs remained behind as Roa exited the stadium after his victory, having failed to speak to Otes due to his escape, and he told Roa that he and Tyler didn't want to stand behind him any longer before leaving the stadium.

To Toombs and Tyler's dismay, Roa teamed up with Yuga and continued participating in the tournament. As they were sitting under a bridge they were approached by Kaizo, who claimed to have been abused by Yuga and Luke and desired revenge, a tale that moved Toombs and Tyler. They went with Kaizo to the Abandoned Dorm to wait for Luke, Romin, Gavin, Saburamen, Sushiko Maki and Briscoe and supported Kaizo as he Rush Dueled Luke. To Toombs' surprise, Kaizo revealed that his new employers, Goha 66, were intending to retire from the Goha Enterprises with final fireworks; he had no idea that the tournament had such motives behind its façade. After Luke defeated Kaizo, he told Toombs and Tyler that he believed Roa had genuinely wanted to team up with them in the tournament, as he wouldn't have needed them if he only wanted to get to Otes, and explained that Roa had only teamed up with Yuga to determine the truth behind the tournament, something Romin suggested was due to Luke's own desire to team up with Yuga.

On the third day of the tournament, Toombs and Tyler watched the finals of the Goha Rush Duel Team Battle Royal between Roa and Romin's teams. Before the Duels, they spied on Roa, Yuga and Nail, who were trying to find who was behind the tournament. Roa and Romin Dueled in the first match, but Roa was quickly pushed into a corner by Romin, who claimed he was alone and couldn't stand by himself. To Toombs' surprise, Tyler snapped that he couldn't keep watching this and left, and Toombs quickly realized what his friend was doing and followed him into the arena, intimidating Oceania Illumilina into letting them stay as they were RoaRomin members. Toombs was overjoyed to see Roa Summon "Royal Rebel's Heavy Metal", the card that represented him, standing alongside "Invasion" and "Doom Metal" as Roa set the stage with "Royal Rebel's Arena". Despite Roa's comeback, Romin was able to defeat him and RoaRomin reconciled after the Duel; Tyler offering to help them find out who was behind the tournament.

Roa sent Toombs and Tyler to help Seatbastian, Kit Schrödinger and Buff Grimes examine the tournament data in Nail's haven in the Garden of Curiosity. As Tyler began examining the data, Grimes, Kit and Seatbastian began interjecting that they'd checked various parts of it, distracting him from his work, so Toombs offered to distract them for Tyler, keeping them occupied by telling them ghost stories. Toombs and Grimes eventually began providing Tyler with calories to maintain his workload as Roa called Tyler for updates while Yuga and Luke prepared to Duel. As the power began to fail as Tyler finally found what he was looking for; someone had been using the Goha Rush Duel Team Battle Royal to hack the Goha Duel Server to uninstall Rush Dueling, and Toombs learned over the phone that the server was located on the moon. The Heavy Cavalry Duel Club destroyed Otes' Relic, thought to be responsible for the hack, but Tyler confirmed the process couldn't be stopped.

Although Rush Dueling was eventually uninstalled after Luke defeated Yuga, Yuga and Nail were able to reinstall it in the Super Rush Robot.

The true Goha Presidents, the Goha Six, returned to Earth and held the Super Rush Robot hostage with Forcersizers, forcing Romin and her friends to Duel them to deactivate the restraints. After Romin was defeated by Yuka Goha and Yuga was defeated by Yuo Goha's use of Fusion Summoning, Yuga, Luke, Gavin and Swirls joined RoaRomin at the Big Seven Arena to discuss Yuo's "Fusion" and Yuga's excitement over it. As they lay outside watching the stars in a hope to see the Goha Meteor Shower, a baseball stadium appeared from the ground, having been brought there by Nail and Yuka. Romin was eager to pay Yuka back for her loss, though Toombs and Tyler suggested she let Roa Duel instead as she had eaten too many sushi rolls and would likely be unable to awaken. After Roa activated his "Royal Rebel's Arena", Toombs noted in satisfaction that it would protect his monsters from being destroyed by Trap Cards and he yelled his name at Yuka after she asked who he was. Toombs worried for Roa when Yuka pushed him into a corner and was shocked when Yuka revealed she didn't know who RoaRomin were and destroyed "Arena". Despite that, Toombs could still hear someone cheering for Roa and fondly recalled RoaRomin's journey from their first performance. He cheered when Roa Summoned "Royal Rebel's Babybass" and was able to defeat Yuka, sending her fleeing in tears. After the Duel Toombs and Tyler hugged Roa in joy, then returned to watching the stars, though they noted they likely wouldn't be able to see the Goha Meteor Shower and headed home.

Yuga, Luke and Kaizo visited Toombs at Big Seven Arena to ask him if he knew anything that could manipulate someone, as Swirls had been acting strangely. Toombs told them about the urban legend of the "forbidden Duel" that could manipulate someone, though he didn't know how to cure Swirls. Luke believed Toombs hadn't been very helpful, though Yuga claimed Toombs had been very helpful, but to Toombs' dismay Luke admitted he'd forgotten his name again.

Toombs plays a Ghost Story Deck, composed of Zombie Type monsters with mostly 0 ATK and Spell/Trap Cards that are based around manipulating his opponent's Spells and Traps to inflict effect damage without needing to attack. If his opponent manages to make a comeback, Toombs can use his signature Trap Card "It's Right Behind You!" to return his "Wicked Shadow Dark Lurker" to the field and switch its gargantuan DEF with its ATK.

We were shocked!

Me: (GULP) Those are scary cards! His monsters are based on legends of horror and folklore.

Nico: Thank goodness Shaggy and Scooby aren't here for this. Those chickens would be scared out of their minds.

WE LAUGHED!

Me: Yeah.

Nico: Let's go find him

Yuga: I know where he is.

Brittney: And I got just the entrance for someone like him.

Yuga: Also we saw that he isn't alone. He has demonic versions of Misty Brightdawn, Pipp Petals, Hitch Trailblazer, Zipp Storm and Izzy Moonbow with him.

WE GASPED!

Me: He has Nightmare Versions of them!

Yuga: Nightmare versions?

Me: Ugly story that spans over 1,000 years in Equestria. Nico should I have the rest of the team come?

Nico: Keep that obtion open but this is gonna be awesome.

We were off.

In a scary dark warehouse was Toombs and he was really loving the dark. But then a massive murder of crows flew in and the place turned pitch black. Then NUMEROUS PAIRS of piercing glowing red eyes appeared in the darkness and then a scary demonic face appeared and roared in his face and then the darkness faded and we came out.

Brittney: That is one way to make an entrance.

Luke: Hello Toombs. Good to see you.

Toombs: You too Luke and the famous Team Loud Phoenix Storm. Nice of you to come.

Poromon: Anyone tell you that you're very creepy?

Toombs: Now, that's not very nice. Just because I look dark doesn't meen I'm creepy.

Lucy Loud: He may be creepy but he is in every way like me.

Toombs: Exactly. And the famous Lucy Loud it's an honor.

Lucy Loud: Yeah.

Brittney: Lets make this fun. I bring us to ZOMBIE WORLD!

She activated the field spell Zombie World and we were in a REALLY SCARY AND HORRIFYING HORROR LAND! It was scary and spooky!

Toombs: My kind of place.

Nico: Nice.

Me: Just so you know Toombs, we have had all kinds of encounters with numerous things that go bump in the night!

Toombs: Oh yeah?

Me: Yeah. And are you familiar with this? NIGHTMARE STYLE NINJA ART: MASSACRE OF THE HUNDRED ACRE WOODS!

I fired a wave of darkness and it formed into the Blood and Honey versions of Pooh and Friends and Toombs went at them and they kicked him in his face and knocked him down!

The mascots went wide eyed at this.

Romin: Wait was that?

Poromon: THE SCARIEST ABOMINATIONS EVER! (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

Toombs: (SCREAMS) IS THAT POOH!? AND PIGLET!? WHAT THE FUCK!?

Manaphy: YOU LOOK AT IT!

Toombs: OH SHIT THAT IS HORRIBLE!

Manaphy: YOU LOOK AT IT!

Toombs: OH I THINK I'M GONNA BE SICK!

Horsea: LOOK AT IT!

Tentacool: LOOK AT IT!

Jirachi: LOOK AT IT!

Mevya: LOOK AT IT!

Mascots: WE WANT YOU TO FUCKING LOOK AT IT!

EVEN TOOMBS HIMSELF GOT SCARED OUT OF HIS MIND AND IT WAS TOO SCARY EVEN FOR HIM! HE SCREAMED IN FRIGHT AND HORROR!

Brittney: Ha. Even those that love all things scary can be scared to death by Childhood destroyers.

Yuga: Was that?

Me: Yep. Winnie the Pooh Blood and Honey.

Romin: OH MAN!

Luke: We heard all about that horrible movie! It's a disgrace to the real thing!

Me: Yep. The mascots destroyed those abominations with the King Ohgers a while back.

Romin: Oh wow!

Poromon: It's true.

Eli: Yeah.

Toombs was SHAKING IN FRIGHT! HE EVEN VOMITED!

Me: I think you guys scared him too much.

Romin: Why didn't you guys give the guys that made that movie the Black Gates?

Me: We get asked that VERY QUESTION all the time and we always answer no because it's against our code.

Jared: The people that made the movie are innocent people and our code prohibits us from killing the innocent.

Romin: I see your point.

Me: Yeah.

Toombs got up.

Toombs: That was scary for me!

Me: Not as scary as this! NIGHTMARE STYLE NINJA ART: BLOOD HORROR OF THE THING!

I fired waves of darkness and it formed into the gruesome horrors of The Thing! They roared and Toombs was mauled by them!

Taranee got out her Raise Buckle and it formed into a Fire Blaster!

Taranee: THE FIREBALL BLASTER OF CANDRAKAR!

She fired waves of fire and blasted him all over!

Me: Take that! Also I have a ghost story for you Toombs.

Toombs: What is it?

Me: Have ever heard of the Legend of THE HEADLESS HORSE?

Toombs: No.

Me: Well it's this! NIGHTMARE STYLE NINJA ART: DARK NIGHT OF THE HEADLESS HORSE!

I fired a wave of darkness and it formed into THE HEADLESS HORSE! It let out a winny and rammed him down!

Toombs: Ouch!

Me: Also Toombs, another thiing we faced were ZOMBIES! NIGHTMARE STYLE NINJA ART: NIGHTMARES OF THE LIVING DEAD!

I fired waves of darkness and it formed into a massive HORDE OF ZOMBIES and he went at them and they knocked him down!

Tony Jones got out his Raise Buckle and it turned into a sword of Magim!

Tony Jones: THE SWORD OF MAGIM OF THE MOONLANDS!

He fired waves of elements and blasted Toombs all over!

Me: Toombs, ever seen a Pink Pony go on a terrible killing spree?

Toombs: Huh?

Me: Watch. NIGHTMARE STYLE NINJA ART: RAMPAGE OF THE MURDEROUS PINK PONY!

I fired waves of darkness and it formed into Pinkie Pie with a Joker Grin and she smashed and punched him all over the place with incredible fury!

Nate got out his Raise Buckle and he got a Yokai Blaster!

Nate Adams: THE BLASTER OF THE YOKAI!

He fired waves of energy and blasted him.

Me: Also here's something that scared even us Toombs. Have you ever heard of THE TORTURED ONE!?

Toombs: No.

Nico: That's Scary!

Me: WATCH! NIGHTMARE STYLE NINJA ART: RAMPAGE OF THE TORTURED ONE!

I fired waves of darkness and it formed into THE TORTURED ONE! IT ROARED LIKE GODZILLA 2014 AND SMASHED TOOMBS ALL OVER THE PLACE!

Nico: THE TORTURED ONE!

Toombs: YOU GUYS ARE CRAZY WITH THOSE!

Me: Tell us something we don't know!

Toombs summoned his monsters.

Me: Impressive monster selection. Doll of Dread is based on the Okiku Doll. It's a cursed Doll that is said to be possessed by the spirit of a young girl whose hair grows continuously.

Toombs: That's right.

Me: Ghoulish Gal is based on the urban legend of Hanako-San, a girl that died in a third floor toilet and said to haunt the girls restroom.

Nico: (GULP) Scary!

Me: Yeah and The Thing In The Purple Mirror is based on The Legend of The Purple Mirror. According to Japanese urban legend, an ailing girl received a hand mirror for her birthday, which later she paints purple, but is unable to wash away the paint and regretfully dies before she turned twenty.

THEY GASPED!

Brittney: Wicked.

Nico: Scary!

Poromon got on a slingshot And fired. And he bashed him.

Me: Nice shot! Now let me show you a place that is just as terrifying Toombs! I activate the Field Spell, DIS CITY OF THE BURNING ABYSS!

I activated the card and we were in the City of Dis in Hell!

WE WERE SCARED!

Nico: (GULP)

Me: Welcome to Hell!

Manaphy: Literally!

Romin: (Shaking in fear!) Is this really Hell!?

Me: Yep we've been here numerous times and this place is not pretty!

Eli: Always scares us bad!

We heard the screams of the damned and it sent Romin into fear and horror!

She hugged Yuga in fright!

Me: But there is also a reason why I like it. (Reciting lines) "All gaze upon him, all do him honor. There I beheld both Socrates and Plato, who nearer him before the others stand, Democritus, who puts the world on chance, Diogenes, Anaxagoras, and Thales, Zeno, Empedocles, and Heraclutis, Of qualities I saw the good collector, Hight Dioscorides and Orpheus saw I, Tully and Livy, and Moral Seneca, Euclid, geormetrician, and Ptolemy, Galen, Hippocrates, and Avicenna, Averroes, who the great Comment made. I cannot all of them portray in full. Because so drives me onward the long theme. That many times the word comes short of fact."

Nico: WOW!

Romin: What was that from?

Me: The Divine Comedy, Inferno Canto IV.

Horsea squirted ink and got his hair wet.

Me: Yeah!

?: You are going to face your nightmares!

We saw 5 figures! Out came NIGHTMARE IZZY MOONBOW, NIGHTMARE HITCH TRAILBLAZER, NIGHTMARE PIPP PETALS, NIGHTMARE ZIPP STORM AND NIGHTMARE MISTY BRIGHTDAWN!

WE GASPED!

Me: Oh my god!

Eli: What happened to you guys!?

Nightmare Hitch: We now have one duty now!

Nightmare Pipp: TO KILL ALL OF YOU!

She fired a blast of darkness and it hit the ground and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

I fired waves of energy and the blasts hit them and blasted them down!

Then a powerful blast of fire hit them and knocked them down!

Me: What the?

We saw a Thievul!

Me: WHOA! A Thievul!

Nico: How'd that get here?

Me: I think I know. It's one of Dark Gale's creations.

I used Telepathy and gasped!

Me: It's Naruto's younger twin sister Naren!

THEY GASPED!

Nico: WHOA! Naruto has a sister!?

Me: Yeah he does! Long story!

I went over to her.

Me: Naren calm down. It's me J.D. I looked out for Naruto. Remember?

She sniffed at Horsea, trying to see if she had anything on her but she didn't. So, she just walked away from her

Horsea: Whew!

Me: It's okay Horsea.

I snapped my fingers and she reverted back and was a girl with red hair, red eyes, fire angel wings and had Kurama the 9-Tailed Fox and Thievul on her forehead and had a fireball on her arm as a cutie mark and had Kurama's 9 long orange tails coming out of her butt. I wrapped her in a blanket.

Naren Uzumaki: (Groans) What happened?

Me: Are you okay Naren?

Naren: Huh? J.D.? (GASP) Aniki it's you!

She hugged me!

Me: Glad you're okay.

Nico: Aniki?

Me: That means big brother in Japanese. I was looking out for Naruto so that makes me her big brother too.

Nico: Oh wow!

Naren: Yeah.

Me: You were turned into a Thievul by Dark Gale.

Naren: (GASP) I remember!

She was in an orange suit and injected and turned into a Thievul and she ran out.

FLASHBACK ENDS

Naren: It was awful.

Me: I know but we destroyed Dark Gale a while back.

Nico: We sure did.

Naren: Good.

Nico: What's your role in Sonya's team?

Naren: I am the Infernomancer of the team and I use fire to destroy our enemies. Outside the team I try to bring down all those that hurt Naruto.

Me: Well that last part we did. We brought the corrupt councils to jail and to face execution.

Naren: Good. Those jerkwads can die for all I care.

Me: Yeah they can. Lets get you some new clothes.

I snapped my fingers and she had red clothes on.

Naren: I look amazing!

Me: You sure do.

Horsea hopped over to her

Horsea: Thanks for not attacking me.

Me: We had incidents with many Dark Gale gene-slammers attacking her.

Naren: Oh I see.

Me: Well lets worry about that later. It's action time!

Naren: Like old times Aniki?

Me: You know it!

I flared up my power!

Naren: Lets get them!

We went at Toombs and the Nightmare 5!

I fired energy blasts and Naren fired Fire Beam Blasts!

The blasts hit them and exploded with intense power!

KRABBBBBBBOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOMMM!
KRABBBBOOOOOOOOOOOOOOMMMM!

Nico: WHOA! What power!

Brittney: No kidding!

Naren fired multitudes of fireball blasts and they hit the Nightmare 5 and then...

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!

They were blown back by her intense power!

Poliwag slapped him with his tail.

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Toombs was knocked down.

Poromon: Here Romin.

He gave Romin a bottle of beer.

Poromon: You be good and you get one under your pillow.

Romin: Thanks.

She threw it and bashed Toombs on the head with it and he was knocked out!

Haiku: Nice throw.

The Nightmare 5 were pissed!

But then they got drenched by a massive deluge of green vomit water! YUCK!

Me: OH SICK!

Naren: Who or what did that!?

?: Oh that was me.

We turned and saw a girl with green hair and red eyes and black clothes and wings and had Spitter on a tiaa.

Me: (GASP) Sellia Scalpasc!

Nico: Spitter's embodiment! Whoa!

The area reverted back to normal and we were back in the warehouse.

I fired waves of lightning and knocked out the Nightmare 5.

Me: There! Thanks Sellia. We owe you.

Sellia Scalpasc: (Grunts) No problem.

Sellia lost control and fired green vomit at Trap Jaw!

SPLAT!

Me: OH SICK!

Trap Jaw: OH YUCK! Didn't anyone teach you to say it and not spray it!?

Nico: YUCK! My thoughts exactly!

I fired the cure beam and injected her.

Me: You think this is bad top this!

I used the power of Maju Garzett!

Me: SLUDGE REGURGITATE!

I fired a wave of sludge vomit from my hand and drenched her!

Nico: YUCK!

Naren: That was gross!

Eli: YUCK!

Romin: That was gross and disgusting.

Me: Better than having it come out of my mouth.

Nico: True.

Yumi fired blasts of darkness and blasted her.

Trap Jaw fired laser blasts and blasted her down.

Yumi got out her Raise Buckle and got a darkness blaster!

Yumi: THE DARKNESS BLASTER OF LYOKO!

She fired waves of darkness and blasted her.

We fired waves of energy and blasted her.

Naren: Lets do it Aniki!

Me: Right!

Me and Naren: FLAME BURST STYLE NINJA ART: INFERNO FLAME RASENSHURIKEN!

We formed a huge Fire Rasenshuriken and threw it and it slammed into her and exploded with intense and incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

She was blasted down with intense force! The antidote took effect and her green eyes were back to normal.

Sellia Scalpasc: (Groans) What hit me?

Me: Ugly story.

Nico: That was awesome!

Me: YEAH! That was intense!

Romin: WOW! I didn't know you guys were the TRUE Masters of Horror!

Yuga: You beat Toombs at his own game!

Me: On steroids! Nico you guys go ahead back. I'll be at the Opera shortly. Got to file a report with Lady Hokage.

Nico: Okay.

Me: Lets go sis.

We went back home and me and Naren went to the Leaf.

Nico and everyone arrived.

May: Hey guys. How did it go?

Nico: Really intense!

They told everyone.

Naruto: WHOA! Naren was there!? Wow!

Laney: That is amazing! You guys battled Toombs!

Poromon: We sure did.

Lana: Awesome!

Sunny Starscout: And you guys battled Nightmare Versions of my friends!? That is intense!

Pipp Petals: O. M. P! That is brutal!

Nico: No kidding there.

Qin: Yeah!

Nico: Next time, Matau, Jak, Daxter, and Blu should come.

Qin: Good idea!

Laney: Yeah!

Matau: Sweet!

Later at the Gotham Royal York Opera House everyone was there for an awesome opera.

Stella: I like that we're doing something tame for once.

Nico: Me too.

I arrived.

Me: Hey guys. Are we on time?

Nico: You made it just in time.

I snapped my fingers and I was dressed in my nice clothes. Same with Naren.

We went to the balcony box and it was a nice place.

We were watching the opera Carmen.

It was a fun opera.

Carmen was singing and she was doing well.

Ultra Humanite: Ahh so exquisite.

Lisa Loud: So majestic.

Muriel: This reminds me of the time we went out and met Carmen the Serpent.

Francesca: She wanted an audience for her beautiful voice.

Me: Yeah. This is one of the most famous operas in the world. Made in 1875 in France.

Marinette: We loved this opera in France too.

Lana: Wow.

Lisa Loud: Indeed.

Princess Luna: It sure is amazing.

Lincoln: Hear that, guys? Pure enjoyable calm air.

Me: Yep.

Don Octavio: (Italian Accent) This-a is one of my favorite operas.

Me: Don Octavio. You here to watch too?

Don Octavio: I sure-a am. Back in my-a day this was the very-a opera that got me to become a star.

Me: Wow.

Headstrong: Can we take pictures?

Me: Only with the flash off.

They nodded.

Lincoln: Thank goodness Luna isn't doing her thing.

Me: What do you mean?

Lincoln: Luna had a habit of doing crazy stuff at our first concerts.

Me: What? Why?"

Lynn: "I don't know, cause she's nuts? But she's done it to all of us."

Me: When was this?

Lori: "It was a few weeks before you moved to Michigan J.D. But Yeah. And when she goes, she gets way too excited and literally ruins everything. There was my first Boyz Will Be Boyz concert."

[Flashback to Lori's first Boyz Will Be Boyz concert.]

Boyz Will Be Boyz: " Ooh, girl! / If I could... / Ooh, girl! / Give you the... "

[In the audience, every single attendant, Lori included, is crying over their music, except for Luna, who is bored out her skull.]

Lori: [in tears] "I LOVE YOU!"

Luna: "Come on, people! Where's your energy?"

[She hops around and bumps into a concert attendant whose drink goes flying onto a DJ's control panel and kills off all the lights.]

Boyz Will Be Boyz Singer: [flatly] " Ooh, girl... "

[End flashback]

Lola: "And our first Blarney the Dinosaur concert."

[Flashback to the twins' first concert as Blarney performs.]

Blarney: " Moo goes the cow / Oink goes the pig / Watch me do me Irish jig! "

Luna: "Come on, guys! CROWD SURF!" [leaps onto some kids and crushes them, then leaps onto and crushes the twins]

[End flashback]

Lisa: "And my first opera."

[Flashback to Lisa's first opera as a female singer dressed as a Valkyrie sings high notes. Luna suddenly rushes on stage.]

Luna: "CHECK IT, LIS! STAGE DIVE!"

[She dives into the orchestra pit, triggering all the horns. The Valkyrie screams and faints her way into the pit as well. End flashback]

Me: Whoa man. I had no idea.

Luna: Yeah and looking back I can't believe I did that bros. But it was because I wanted to spread the joy of music to all.

Me: Wow.

Luna: I do get a little crazy when it comes to first concerts.

Me: You do? Why?

Luna: "'Cause my first rock show changed my life." [Flashback to a younger Luna with longer hair and in a purple dress and real earrings, attending her first concert.] "It was Mick Swagger. Summer of seventh grade. The Gimme Swelter Tour. Up until that muggy June night, I didn't know who I wanted to be, but the moment Mick and the boys took the stage, it all started to become clear."

Mick:

It was a hot June night

When she saw the light

Up until then she didn't know what was right

She showed up at the show

All confused and alone

She had no idea what was about to unfold

[During the show, Luna starts tapping her foot to the beat and comes up to the stage and takes Mick's hand.]

Band:

TRANSFORMATION

Luna: [narrating] "It was like he was talking to me."

Mick:

A citizen of the rock and roll nation

Transformation

Total mutation

[Mick spins Luna around and turns her into the Luna Loud that we all know and love.]

Luna: [narrating] "It was in that moment I realized... I WAS LUNA LOUD!" [Echoes]

Flashback Luna: "STAGE DIVE!" [dives into the crowd and is carried off feeling blessed.]

[End flashback]

We were in awe.

Me: Wow! And you are right about that. First concerts are always unforgettable.

Pipes: Got that right.

Don Octavio: And that-a is amazing how you turned-a into Luna Loud like-a that.

Luna: It sure is dudes.

Me: Yeah. And NOW look at us. We are doing concerts on our adventures from time to time. So awesome.

Nico: It sure is.

We had a great time at the opera and went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: That was so fun!

Qin: YEAH!

Indigo Zap: Is the Other May alright now?

Manaphy: Yeah she'll be okay. Ino is giving her therapy and my shadow clone is with her.

Me: Good job Ino.

Camie: Yeah.

Manaphy: But let me check on her just to be safe.

Manaphy went and did so and saw that she was in Ino's room/office and was telling about how Evil Nico hurt her and more and it was awful. She was crying as she was pouring her soul out to Ino.

Ino: I'm so sorry you went through all that May.

Manaphy: Poor other mama.

Manaphy came back and told us.

Me: Oh man. That is horrible.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Bolhofner, he's in The Simulator in the scenario where Lincoln and his family went on vacation and encountered that bitch, Fifi Dufus. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: It's Bolhofner!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than Bolhofner, he's in The Simulator in the scenario where we went on vacation and encountered that bitch, Fifi Dufus.

EVERYONE GASPED!

Stella Zhau: So, that's where he's at! Oh man!

Lincoln: We already got rid of Fifi Dufus, Rufus Dufus, and Ham Hand in my last rescue, so we're going to be doing a Simulator mission for this one, and not only are we killing Fifi Dufus and her minions, but we're also going to kill Bolhofner as well.

Me: That's for sure, Lincoln, I've had it up to hear with that hairy smelly motherfucking piece of trash to last an eternity. (Realizes something) Wait, I've got a feeling that Dark Sebastian's going to be there himself.

Me: We'll be sure to drive him back into the darkness where he belongs.

Trudy Lawrence: But, not before we give him what for especially for all the dirty stunts he's pulled in the past.

Qin: That two-faced snake's going to pay. Too bad we can't kill him alongside the Simulator version of the bitch and the hairy pig.

Nico: No, that'll be left to Selena and Lincoln.

Me: That's right, the best thing we can do is drive Dark Sebastian away.

Lincoln: That's for sure, he needs to be driven away.

Nico: Right. Alright, let's get to The Simulator. Fifi Dufus, Bolhofner, your time in this world is up!

Lincoln: I'm going to enjoy ending you once again, Fifi, your Simulator counterpart anyways. You already paid the price when you made the big mistake in hurting my family and all for your fucked-up revenge against Gran-Gran eight years ago, and eight years later, when you, your husband, and your henchmen came back for revenge again thanks to Future Sebastian, now I'm going to make sure you die once again! And as for you, Bolhofner, you have lived for too long, you hairy smelly ape, this time, you're going straight to The Black Abyss, and you are never coming back!

Then, Skulker, Robo-Blaze, Dr. Light, Trap Jaw, Beast Man, Unicorn, Killer Shrike, Mummy, Hsi-Wu, and Shendu came.

Skulker: Can me, Robo-Blaze, Dr. Light, Trap Jaw, Beast Man, Unicorn, Killer Shrike, Mummy, Hsi-Wu, and Shendu come with you?

Nico: Of course. We're heading to The Simulator to kill the Simulator version of Fifi Dufus, and we also found Bolhofner.

Robo-Blaze: Ulric told us everything from Rascal's big mouth. Dark Sebastian's there, so we'll drive him even more insane.

Lincoln: And if he says anything to the next group about ordering them to help Simulator Fifi and Bolhofner kill us, please blast him and rip his big fat mouth off.

Shendu: Gladly. We've had it with the villains always ordering us to help them kill you, and we're also sick and tired of Dark Sebastian and his minions. I hope you guys kill him and the last of his minions for good.

Me: Oh don't worry we will! Also I got a score to settle with Bolhofner!

Nico: Right! He bullied you before.

Me: Yep.

Robo Blaze: Let me summon some Tronics first.

He did so.

Me: Cool.

Myrtle came.

Myrtle: Let me help with this too.

Me: Oh hello Myrtle.

Myrtle: I am the one Fifi wants. I am Agent 28 of the CIA.

Nico: Wait! You are Agent 28? I heard how you stopped Rufus from destroying the Global Communication Array.

Myrtle: That's right Nico and I trained you when you were a rookie.

Nico: I remember! Wow!

Myrtle: Here is my history with Fifi.

She went over it.

Fifi Dufus is the main antagonist of Nickelodeon's 51st full-length animated feature film No Time to Spy: A Loud House Movie. She is the arch-nemesis of Myrtle, the Loud children's step-grandmother.

She was voiced by Amy Sedaris, who also voiced Bandit Princess in Adventure Time, Jill in Puss in Boots, Mina Loveberry in Star vs. the Forces of Evil, and Pepper in the 2017 version of DuckTales.

37 years ago, Fifi's husband, Rufus, was in the process of launching a rocket that would destroy all the world's communication satellites so that he could launch his own to rule the world. However, he was stopped by Myrtle (AKA Agent 28) after he accidentally slipped on a puddle of coffee and fell into his own rocket. While Myrtle was able to stop the lasers attached to the satellite, she unable to stop the launch, resulting in Rufus to be launched into space, never to return. Unbeknownst to Myrtle, Fifi had arrived just after picking up takeout, and when she saw what Myrtle did to her husband, she has decided to enact a revenge plan against her in order to avenge him.

No Time to Spy: A Loud House Movie

Fifi first appears when the Louds are taking an airplane ride for Albert and Myrtle's wedding. She notes the Loud children's chaos and introduces herself to the family patriarch, Lynn Sr., though she is quickly disgusted when he reveals he gets plane-sick easily and promptly hurls in a barf bag.

Later, when Lori is heading back to her seat, Lynn Jr. throws a football at her to get her to practice catching Myrtle's bouquet at the wedding. In the process, the football knocks Lori's drink out of her hands, spilling it into Fifi's face and causing her citrus allergies to flare up. Lola chastises Lynn for inadvertently making an enemy in Fifi, but Lynn is confident the Louds will never run into Fifi again. However, it turns out Fifi is also heading to the Thunderball Resort, where the Louds are staying for the wedding.

At the beach, Fifi first greets Lincoln and gives him a business card, but Lincoln said that he didn't have any cash. She also found Lincoln's camera and gives it back to him. Fifi told Lincoln that she used to play spy when she was an eight-year-old and then accidentally falls into a grave which Lucy digs the sand.

At Rubiner's, Fifi meets Lincoln again and tells him to have fun on a top-secret spy mission. While the Louds and Albert head into the jungle to search for Myrtle, Fifi drives the buggy to greet the Loud family, but Lincoln told her to stop before the guards spot him and the Louds borrow her buggy to escape.

Later at Dufus's lair after Ham Hand grabs Myrtle, Fifi reveals her true nature to Myrtle and told her that the day she ruined her life, like in the past which she mistakenly launching her husband into space. She also calls Lincoln a "dumb" who playing spy and shows him a wedding rings which she stole, revealing Lincoln that she tricked him into led her family into her trap during their vacation. Fifi presses a button to alarm for launching the Louds and Albert in one minute.

During the battle, Fifi throws the wedding rings into the sea and escapes to the helicopter, but she gets grabbed by Myrtle and the two got in a scramble over the phone, causing it to bounce towards the edge. She and Myrtle fight each other to get the phone, but she falls and Myrtle grabs her. Fifi refuses to give Myrtle a phone because she wants her revenge. She lets go of Myrtle and falls into the sea while the rocket starts to blast off to space.

At the end after the rest of the Loud family and Albert save Lincoln's life from a rocket, Fifi and Ham Hand, revealing to be still alive, gets arrested by Flip's identical cousin Flop, for their crimes.

When it was done we were shocked and HORRIFIED!

Qin: OH MAN!

Lincoln: Yeah and she even tried to kill me.

Me: She still has it out for both you and Myrtle. We can't let this go.

Qin: Yeah.

Napalm Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Number 88: Gimmick Puppet of Leo and Number 87: Queen of The Night next.

Me: Cool!

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: Reagen Lestranfe, Black Magic Spellcaster of Darkness of The Order of The Dark Universe and Abigor Necroshade, Black Magic Spellcaster of The Dark Church of Malphas, and they're also there and causing havoc. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Was that?!

Lincoln: Reagen Lestranfe, Black Magic Spellcaster of Darkness of The Order of The Dark Universe and Abigor Necroshade, Black Magic Spellcaster of The Dark Church of

Malphas, and J.D.'s right, Dark Sebastian's also there and causing havoc on his own.

Varie Yulinova: So, those two snakes are causing havoc alongside Modula and Dark Sebastian himself is also there too. We'll need to keep those two snakes contained and drive Dark Sebastian away before we take down Simulator Fifi Dufus and that goddamn pig, Bolhofner.

Selena Mendez: When we destroy Dark Sebastian's traps, we'll make sure they get put in a force field and kept from attacking us.

Nico: Ooh, now this should be good. Alright, team, let's head for The Simulator, the time to destroy Fifi Dufus and Bolhofner has finally come.

Lincoln: We're going to finish you off once and for all, Bolhofner, this time, you're never coming back, and I'm also going to get another shot at getting rid of Fifi again, I got a lot of pent-up rage to take out on that bitch again, and once we get done with those two, you're next, Reagen Lestranfe, Black Magic Spellcaster of Darkness of The Order of The Dark Universe and Abigor Necroshade, Black Magic Spellcaster of The Dark Church of Malphas.

Varie Yulinova: Reagen Lestranfe, Black Magic Spellcaster of Darkness of The Order of The Dark Universe and Abigor Necroshade, Black Magic Spellcaster of The Dark Church of Malphas, you will both pay for the atrocities you madmen have committed after we get done with the Simulator version of Fifi Dufus and Bolhofner!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed into The Simulator to finally get rid of Bolhofner forever and get another shot in killing the Simulator version of Fifi Dufus, and once we got done with that and end them forever, Varie Yulinova and Lincoln are going to destroy Reagen Lestranfe, Black Magic Spellcaster of Darkness of The Order of The Dark Universe and Abigor Necroshade, Black Magic Spellcaster of The Dark Church of Malphas and send them to The Black Abyss.

We went into the Simulator and it activated and we were at the island where Myrtle battled Fifi.

Me: We're here.

Nico: What island is this?

I looked.

Me: Well According to this we're at Carcass Island in the Falkland Islands FK.

Nico: We've never been here before.

Ymir: First for us.

Xenia: So we're all the way down in South America.

Skulker: Let's call Bronze Kneecap.

Me: Good idea and we'll call in Electro and Lord Drakkon too.

We did so.

Electro: We're ready.

Lord Drakkon: We sure are.

Me: The reason with them is because they affected me and Lincoln too.

Nico: Good point.

James Bond: How did they affect you two?

Sugarcoat: I want to know that too.

Me: Oh right some of you don't know about this. Well Bolhofner affected me because he was an abusive teacher that would beat me up brutally back when I was in kindergarten. He always called me HORRIBLE names and his breath smelled like the rear end of a dead moose and he never bathed.

Lynn: He's right on that. Also he was an escaped prisoner that busted out of jail.

Ymir: I remember you showed me that!.

Me: Yep.

Lincoln: And Fifi affected me because she wants to kill Myrtle. She almost killed me by letting me freeze out in the endless vacuum of space like how Myrtle did to her husband back almost 40 years ago.

Beast Man: Okay, now we know.

Me: There's more. Before we left on the Gallus's second mission, I acquired this.

I pulled out a file.

Me: This was given to me by his old partner Vincent Grum. I talked to him in the Kalamazoo Insane Asylum before we left on Gallus's third mission. This has all the evidence of Bolhofner's crimes.

I gave it to Nico and he looked it over and Bolhofner was responsible for NUMEROUS CRIMES! He did it all! Rape, Arson, Murder, torture, abuse and theft and more!

EVERYONE GASPED!

Nico: SAY WHAT!? HE DID ALL THIS!

Lincoln: I WAS RIGHT! HE WAS A SERIAL KILLER!

Centaur Man: And I thought he was a dick before

Me: He had LOTS of skeletons in his closet.

Leni: EW! That is scary!

Me: Leni it's an expression. It means he has a lot of secrets that nobody wants to know about.

Leni: Oh right.

Nico: Yeah.

Lincoln: I knew he was a Serial Killer! I always have known about it!

Me: Yep.

Killer Shrike: But he's our secondary target.

Me: Well we already killed Fifi in the real world. So we had to improvise.

Killer Shrike: Oh I see what you mean.

Brawl: We'll blow the two of them up!

Me: Yeah!

Lincoln: And the simulator versions of some of my sisters have their dark sides in them. Leave that to me to get rid of them.

Me: Right. With everything you learned from your Guardian Angels they will be free of Dark Chase Young.

Nico: Yep.

Anna Anyanova: That's our Linky.

Xenia: Yeah.

Mummy: Since you guys were here before us, you show us around.

Lincoln: Good idea.

We walked around and we saw the hotel and it was a nice place.

Me: Ooh this is a nice hotel.

Qin: I wouldn't mind taking our honeymoon here Chris.

Chris Taylor: Me neither.

Me: It sure is beautiful. Thank goodness we're not close to Antarctica.

Xenia: Yeah.

Nico: Yeah.

I looked at the temperature.

Me: 73° Fahrenheit. It's perfect.

Itasis: Worrying about honeymoons out of the blue?

Me: We just want to get some ideas for the future.

Nico: Yeah.

Qin: Can't hurt to dream.

Xenia: Yeah.

Shendu: Are you okay, Other May?

Universe 666 May: I'll be fine. Just still shaken up.

Nico: You'll be better soon.

Qin: Yeah.

Lola: I agree.

Universe 666 May: Thank you guys.

Manaphy hugged her.

May: You are still me though.

Universe 666 May: Yes I sure am.

But then...

WHOOOSH!

A MASSIVE JET OF INTENSE AND SUPER HOT FIRE EXPLODED OUT OF THE PLANT POTS!

Me: WHOA!

Qin: HOT!

Me: WHOA! That is infernal!

Nico: What happened?

Me: Something REALLY Caused those plants to burn!

Sora Takenouchi: It's like what happened with Meramon all over again!

Lincoln: (GASP) And I know what it is! I just had a premonition! It's Stella's 2nd Akuma, Stella the Flamedawn Angel! The 2nd Akuma of Stella Zhau and she is an angel of intense fire and flames. And she has intensely strong cosmic pyrokinesis, Thermokinesis and is like Universe 666 Trigon Powered Slade on Steroids! She has powers over fire that are intensely strong! Stronger than Father's powers. She was made because of all the terrible abuse Lincoln had to endure at the hands of Bolhofner, Chandler and his enemies and vowed to incinerate them all with the intensely strong power of fire at its worst!

WE GASPED!

Me: So in a way she is like an ally of Lincoln's Guardian Angels.

Lincoln: Yep.

He showed us a sketch of her and she looked like a beautiful and intensely fiery angel with powerful fire powers!

Me: WHOA! Infernal!

Bombshell: That's really hot!

Me: And she's stronger than Father and Universe 666 Trigon Powered Slade put together!? Whoa! She is gonna be too hot to handle!

Nico: No kidding!

Qin: Yeah!

Lola: LOOK!

We saw a figure fly and we saw her land. It was STELLA THE FLAMEDAWN ANGEL!

Me: WHOA!

I went over to her and I was absorbing intense fire from all over.

Stella the Flamedawn Angel: You sure know how to absorb intense fire.

Me: You sure know how to ignite all things ablaze. Also it's amazing how you have intensely strong fire powers of this magnitude.

Stella the Flamedawn Angel: I know. Lincoln I'm so glad you're safe.

Lincoln: Me too Stella. You have my guardian angels and my friends to look out for me.

Hsi Wu: Stella? Is that you?

Stella the Flamedawn Angel: Yes it's me.

Me: Boy if you battled Father and Trigon Powered Slade you would DEFINITELY give them a run for their money.

Stella the Flamedawn Angel: I sure would. Lola how would you like to have me help you on your big day against Father.

Lola: I would like that very much.

Nico: That's a good idea. We can put that power to the test.

Bronze Kneecap: You need to calm down. Don't make me use this!

Timmy Turner: I missed hearing him say that.

Stella the Flamedawn Angel: Not until Linky's enemies are all dead!

Bronze Kneecap fired ram balls and before they made contact with her she melted them into nothing with intense heat!

Me: HOLY COW! That is hot!

Nico: And I thought Nick's Akuma was infernal!

Stella the Flamedawn Angel: Well lets see who is hotter.

Me: Gladly.

I fired waves of water and the water evaporated into steam before it even touched her.

Me: WHOA!

We then clasped hands and I ABSORBED SO MUCH FIRE!

MY WINGS BURSTED INTO INTENSE FLAMES AND SUPERCHARGED ME!

Me: WHOA! THAT IS AWESOME!

Stella the Flamedawn Angel: Wow! No kidding!

Me: Slade gave the titans one helluva challenge with all those fire powers!

Qin: He sure did.

Stella the Flamedawn Angel: I can tell. My turn!

SHE FIRED INTENSE BLASTS OF FIRE AND I ABSORBED ALL OF IT!

Me: WHOA! INTENSELY STRONG!

Tara: Let me see how we compare!

SHE FIRED A MASSIVELY INTENSE BLAST OF FIRE AND STELLA FIRED MASSIVE A BLAST OF FIRE AND THE BLASTS COLLIDED AND THEY WERE BOTH EVENLY MATCHED!

WE WERE ABSORBING FIRE LIKE YOU WOULDN'T BELIEVE AND GETTING STRONGER AND STRONGER!

Me: WHOA! THAT IS HOT!

Nico: INFERNAL!

Me: Intensely powerful!

Lola: INTENSELY HOT!

Bronze Kneecap charged at her and knocked her down! But in the process his bronze armor melted!

Me: WHOA!

Nico: You okay?

Bronze Kneecap: Yeah. I need new armor.

Stella the Flamedawn Angel: Tara we are both equal in power and strength in fire.

Tara: We sure are.

Me: WOW! You are REALLY INFERNAL hot.

Stella the Flamedawn Angel: Just because I have all this power and all this fire doesn't mean I know how to use it. And I still care for Lincoln just as much as Stella does.

Stella Zhau blushed.

Maria fired water at her. But it evaporated on contact.

Maria: Wow! That is hot.

Stella the Flamedawn Angel: It sure is. And I admited defeat Maria.

Me: She already knows when she is beat.

Maria: Sorry.

Me: Now we got to find Lincoln and family here. I'm sure they are battling Fifi's goons.

Stella the Flamedawn Angel: I saw them in that area there.

She pointed to a bunch of trees.

Nico: Lets go!

Simulator Lincoln: We're...we're surrounded.

Simulator Lori: This literally isn't good.

The Simulator Loud Family were surrounded by Fifi's henchmen.

?: GET THE HELL AWAY FROM THEM RIGHT NOW!

Suddenly, a massive blaze of colored flames infused with Anti-Matter came out of nowhere and the blasts of colored flames hit Fifi's henchmen, and they had the life sucked out of them and they're burned to ashes, and then, we appeared.

Simulator Luna: Whoa! What the?!

Luna: Dude, I know you're seeing a case of double-trouble, but we're here to help you guys.

Simulator Lincoln: Thank goodness. That woman, Fifi, is a monster, she's out for revenge on Gran-Gran during hers and Pop-Pop's wedding for what happened to her husband, and she wants to send us all into space to die!

Suddenly, Simulator Lincoln started getting tears in his eyes.

Simulator Lincoln: This is all my fault! I let her manipulate me and the family, I thought she was a good person, but no, she wasn't! She's a monster, and on top of that, Bolhofner's here too, and three black-clothed monsters are also here too and they all want us dead!

Lincoln saw his Simulator counterpart was about to break down and cry: that alone brought back the memory of what he went through when they first encountered that bitch and she showed her true colors, and Dark Sebastian and his minions made it worse by dragging Bolhofner in this as well.

Suddenly, Lincoln began walking up to his Simulator counterpart, then, he kneeled down and picked his Simulator counterpart up and hugged him. That finally got Simulator Lincoln to break down and cry into Lincoln's chest.

Me: Lincoln, you told us the whole story of your ordeal with that monstrous woman.

Nico: And you included every last detail as well, but I didn't realize just how horrific it truly was. You know what, I think it's time we gave that monstrous excuse for a woman, that hairy smelly ape, and those three eternally damned snakes nothing but eternal pain and suffering for everything they've done.

Lincoln: That's for sure. But, first.

Lincoln fired five beams of light that hit the Simulator versions of Lori, Lynn, Lola, Lisa, and Luan, and forced out their Dark Sides and he destroyed them and sent them to The Black Abyss thus also removing another of Dark Chase Young's essence.

Veon: You guys okay?

Simulator Lori: We'll be fine.

Simulator Leni: But O.M. Gosh is that big guy Lincoln?

Me: That's him. Your brother has come a long way under our training and that with his Guardian Angels.

Nico: Yeah. He sure has.

We heard the enraged screams of Fifi Dufus barking orders at her henchmen to find the Louds along with the bellowing screams of Bolhofner as he's causing havoc, and we also heard the demonic and deranged laughter of Dark Sebastian, Owen Thatcher, and Belial Necroshade from far away.

Nico: Aha, the hairy pig is already causing havoc same with the stupid hag and those three snakes. Alright, then, let's get going and send those trolls to The Black Abyss.

Lincoln: But, first. Selena.

Selena Mendez: On it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Trakeena is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Reagan Lestranfe, Abigor Necroshade, Simulator Fifi Dufus, Bolhofner, and Dark Sebastian saw it, and they let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, monsters.

Nico: Okay, now we can get after the hairy pig and stupid old hag without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see Reagan Lestranfe, Abigor Necroshade, Simulator Fifi Dufus, Bolhofner, and Dark Sebastian raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate, but it grew even stronger because of the hatred of Owen Thatcher and Belial Necroshade.

Lincoln: Keep it up, you snakes. In the end, you're just going to make things worse for yourselves.

Suddenly, the spirits of the Loud Family appeared and they attacked Reagan Lestranfe, Abigor Necroshade, Simulator Fifi Dufus, Bolhofner, and Dark Sebastian and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Reagan Lestranfe, Abigor Necroshade, Simulator Fifi Dufus, Bolhofner, and Dark Sebastian even more pissed off than ever, and Bolhofner went after us.

Bolhofner: KNUDSON! LOUD! I WILL KILL ALL OF...!

But, then...!

POW!

Lincoln punched Bolhofner hard in the jaw!

Lincoln: (Deathly Calm Voice) Shut up.

We heard it: Lincoln was pissed big time, not only with Bolhofner and Simulator Fifi Dufus, but also, at Dark Sebastian for everything.

Simulator Fifi Dufus: YOU MISERABLE CRETINS! YOU WILL ALL BE LAUNCHED INTO SPACE AND YOU WILL ALL DIE! MY HUSBAND WILL BE AVENGED AND I WILL RULE THE WORLD!

POW!

Lincoln punched Simulator Fifi Dufus hard in the face breaking her nose and he drained Simulator Ham Hands dry of his strength and muscle mass and sent him to The Black Abyss and sent waves of Anti-Matter from his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings that hit her remaining men and he sucked the life out of them and their life forces and energy flowed into Lincoln as he grew even stronger! Then, Reagen Lestranfe and Abigor Necroshade came after Lincoln!

Reagen Lestranfe and Abigor Necroshade: YOU LITTLE, YOU WILL ALL DIE IN MALPHAS' NAME!

SLASH! SLASH!

LINCOLN SLASHED REAGEN LESTRANFE AND ABIGOR NECROSHADE RIGHT IN THE CHEST WITH HIS GOLD-PLATED CLAWS OVER HIS FINGERS!

Finally, he went up to Dark Sebastian!

Lincoln: You really thought you were smart to hide Bolhofner in The Simulator and we wouldn't know about it? Fat chance, you're still completely insane to the core and through to your black heart.

Dark Sebastian: Damn you! If that stupid jester hadn't opened his big fat mouth, my plan would've finally succeeded! I HATE YOU ALL! HATE! HATE! HATE! HATE! HATE! HAAAAAAAATTTTTEEEEEE!

SUDDENLY, OUR RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURAS FLARED UP AS WE GAINED A MASSIVE POWER BOOST FROM DARK SEBASTIAN'S SATANIC AND DEMONIC HATRED!

Stella Zhau: I should've known you'd show up here yet again, Bolhofner!

Me: You got some damn nerve coming back here, you pig!

Nico: And it was thanks to Anti-Monitor that did this.

Lincoln: Plus, I knew you two snakes would be left behind to continue to cause havoc, but it matters not. Once we get done with you and the insane hag, you two snakes are next, along with you, Dark Sebastian.

Reagen Lestranfe: YOU MISERABLE WOLF!

Abigor Necroshade: WE WILL DESTROY YOU ALL IN THE NAME OF MALPHAS!

Dark Sebastian: YOU HAVE ALL HUMILIATED US FOR THE LAST TIME! THIS IS WHERE YOU ALL DIE! ARMIES OF MALPHAS, ATTACK! KILL THEM ALL!

Suddenly, hordes of male hellhounds loyal to Malphas arose from Hell and they charged at us.

Lincoln: Hah, that's a good one, summoning hellhound hordes loyal to Malphas.

Lincoln went after the massive 12'6" male hellhounds, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" hellhound and its' massive pack of 12'6" massive hellhounds, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the hellhounds and Lincoln drained the hellhounds' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Reagen Lestranfe, Abigor Necroshade, and Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN YOU! DAMN YOU!

THEY WENT REALLY BALLISTIC! BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD!

Then, Lincoln trapped Reagen Lestranfe and Abigor Necroshade inside a force field to keep them inside, but Dark Sebastian remained.

Lincoln: That'll keep you jerks inside. Now, to deal with you and Fifi forever, Bolhofner, and you're also going to get beaten to a pulp, Dark Sebastian, before we send you running back to Hell.

Me: Yeah!

I was facing Bolhofner!

Me: You and I have a score to settle Bolhofner!

Bolhofner: So we do! NOW I CAN...

POW!

I punched him in his face!

Bronze Kneecap: Don't make me use this!

Bolhofner: I don't care what you use! I'm still fucking you all to death!

Unicorn: Geez!

POW!

Me: Your fight is with me!

Bolhofner: Oh yeah? (WHEEZING) Have some of this!

He blew his breath and I blew it back in his face and then he smelled it and started throwing up!

Me: How do you think all those that smelled your moose-shit breath felt!?

I kicked him square in the crotch and kneed him in his face and punched him in his stomach kicked him in his face!

FIFI SCREAMED IN PAIN AS MAY RIPPED HER POINTY NOSE OFF OF HER FACE! OUCH!

Suddenly, the full moon appeared behind Andre Lupescu as darkness fell upon the island only lit by the full moon and clusters of ice formed on the ground as we heard the sounds of wolves howling in the distance.

Me: You heard him, it's payback time!

Nico: The howling of the wolf means that justice is coming for you, you pig and old hag!

Lincoln: After what you've done, you deserve it. Now, it's time to put an end to you and Fifi once and for all, Bolhofner.

Time to die, you fucking pig!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF BOLHOFNER AND SIMULATOR FIFI DUFUS TO NO END! NOW, THE BATTLE TO FINALLY DESTROY BOLHOFNER WAS ON!

Lincoln, Stella Zhau, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Modula, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Stella Zhau, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Bolhofner even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Bolhofner and he got hit hard, and he also destroyed the Monitor Orb embedded in his forehead, and not only did we gain a massive power boost, but Bolhofner clutched his head in pain.

Then, Lincoln formed and fired two rainbow energy balls that hit Bolhofner and Simulator Fifi Dufus on the back and they were left with a burning scar on their backs.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field

and it hit Modula and we all found ourselves not only in Heaven, but also, in space.

Ed Cowart: All right, you hairy stinkass and penny store bootleg femme fatale, now you both get yours!

Ed Cowart proceeds to insult Bolhofner first!

Ed Cowart: Holy shit! I thought Raremon smelled foul, but you managed to stink so bad you just made even Raremon, or even Muk smell a lot better in comparison. My God, you're foul-scented that people mistake you for the most foul-smelling shit imaginable all wrapped in the most foul-scented shit. You are also so stupid, you make Homer Simpson look smarter. For God's sakes, while we're at it, you're so hairy that people mistake you for Bigfoot, and they take pictures of you too. That's the facts, you hairy, stinky uglyass mistake of nature! And Ed called, he wants his natural scent back! And another thing, you're so fucking hairy, you make Donkey Kong look sexy and he wears a tie! And Bigfoot called, he wants his fur back! When this is all done, you'll be so clean and without hair that you'll never stink again, and one last thing?

Ed Cowart destroyed Bolhofner's clothes and shaved off every ounce of Bolhofner's hair off his body even his head thus leaving Bolhofner completely without hair, then Ed

Cowart proceeds to clean up Bolhofner to the point of smelling like roses with ultra strong rose scented soap. Then, Ed Cowart dressed Bolhofner in a bikini!

Bolhofner: THE CLEANLINESS! IT BURNS!

Ed Cowart: Not as much as this!

Ed Cowart sprayed ultra strong rose scented aftershave which burns Bolhofner like crazy!

Nabiki Tendo: Leave the doofus bootleg spy villain to me.

Nabiki proceeds to insult Fifi Dufus!

Nabiki Tendo: Of all the spy villains, you and your husband both have to be the shittiest bootleg spy villains ever so much so that even Austin Powers would beat you and foil your plans in 5 minutes. What, you didn't go to femme fatale school and lived like a shittyass spy villain. In short, you suck as a spy villain and one last thing?

Nabiki Tendo smacked Fifi's mouth with a frying pan and she broke her nose and teeth, then she threw exploding coconut cake at Fifi which explodes covering her with chocolate and coconut, then she covered Fifi with honey and bird seeds and summoned birds to peck at her and Nabiki stripped Fifi down to her undergarments.

Ed Cowart: Shall we, Nabiki?

Nabiki Tendo: With pleasure.

Naren: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Thievul and Bouffalant and transformed and blasted and bashed them.

Nico: Yeah!

Then Stinky Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff came.

Nico: Stinky Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff

Loki: No they weren't our targets. We went after the Flim Flam Brothers from Sweatshop Applejack's universe and we showed them who is boss! Also Applejack unlocked her Rainbow Power against them and it was literally awesome!

Stinky Butt: WHOA! That is awesome! She's the first of the Guardians of Harmony to do so!

---

Cavalier was next.

Cavalier (to Luke): I heard Lincoln's rescue was on The Upper West Side in New York. How was it?

Luke Loud: It was intense! Caleb had gotten an invitation to a wedding taking place at a church in The Upper West Side and the church was part of numerous legends that tell about ghosts from 400 years ago that haunt it. We went there to exorcise the ghosts there and send them back to Hell.

Meloetta: It was cool and amazing!

Wendy Darling: Wait until you hear the story behind it.

Luke Loud: In 1641, long before the settlers came, there was once a village in this area, but the village there was said to be full of devil worshippers. They practiced the gruesome rites of human and animal sacrifice and drank their blood, plus they did all sorts of other heretical acts. The reports made their way to a group of witch hunters who are descendants of the knights of Medieval Europe who were also living there and established a colony there as well, and when they saw the reports of the gruesome rites of human and animal sacrifice and the drinking of blood and all sorts of other heretical acts, they decided to take action. On May 6th, 1641, armed with swords and horses, they descended on the village and massacred everyone there leaving no one left alive, and they buried the bodies in a mass grave. Once they placed a cross on the ground as a seal, it was there they began to build a church. On the upper part of the church, it was a place of light and worship to God, but underneath the church in the crypt lies a darker secret: the church was a prison to contain the spirits if they ever try to rise from the dead to get revenge, and for the last four centuries, the church has kept the spirits contained and the world safe. They wanted to make sure this kind of evil never got out, and a church over the crypt should have kept the evil contained.

THEY GASPED!

Yost Korvac: That is terrifying!

Cavalier: My goodness!

Applejack: Yeah it sure was scary.

Apple Star: But we all had a lot of fun there.

Wolf Moon Bloom: We sure did and we sent those monsters back to the Inferno!

Apple Bloom: That is for sure!

Cavalier: Oh my! I'm glad you destroyed those monsters forever. Shall we start?

Luke pulled out a white glove and walked over and slapped Cavalier with it.

Cavalier: I accept your challenge!

They got to clashing!

Leif: Yes she is but Bolhofner is an extra. Also we're going to get some well deserved justice on them. We already killed the real world counterpart so this is the simulator version.

Night Shift: Yeah that is true. Also Bolhofner getting killed is just a little bonus. And J.D. wants to make sure he pays for his crimes big time as well. Especially for all the times he bullied him back in kindergarten.

Condiment King: Oh that's right! I forgot that J.D. has a score to settle with him! Also his breath is terrible!

Camie the Mermaid: Yeah J.D. blew his breath back into his face and Bolhofner REALLY THREW UP from it! He even let loose a bunch of REALLY NASTY INSULTS on him!

Sky: Yeah that was funny!

Rarity: It certainly served that fool right darlings! Especially for not brushing his teeth and always being completely unhygenic!

Sapphire Ocean: Yeah no kidding there! Now the whole world knows about the lies and atrocities he pulled. Just before we went into the simulator we went to meet his old partner Vincent Grum at the Kalamazoo Insane Asylum and had a talk with him and he gave us a lot of dirt on Bolhofner and used that to expose the kind of monster he is.

Rarity (G5): That monster had it coming!

Chef Pepperjack: Ooowee! She is amazingly strong!

Starlight Glimmer: The shocking part is that she was made because of all the terrible abuse Lincoln had to endure at the hands of Bolhofner, Chandler and his enemies and vowed to incinerate them all with the intensely strong power of fire at its worst! So in a way she is like an ally of Lincoln's Guardian Angels.

Moonlight Glimmer: That was really intense! Not even intense water could cool her down!

This time, stay gone forever! NIGHTFLAME SUN KAMEHAMEHA!

Lincoln fired a massive pitch black energy wave with the Black Flames of The Nightflame Sun and it hit Bolhofner and exploded with incredible power and he was incinerated and forever sent to The Black Abyss, and Lincoln got all of us out of The Simulator and merged the Simulator counterparts of him and his family with them, and he then pressed the self-destruct button in the lair with Dark Sebastian, Reagen Lestranfe, and Abigor Necroshade inside!

Dark Sebastian, Reagen Lestranfe, and Abigor Necroshade: NO!

KRABOOM!

THE LAIR EXPLODED AND WE SAW IT IN THE SIMULATOR!

We cheered as we holstered our weapons and powered down, and we went to the gym at Lynn's Table!

Nico: We did it! Bolhofner's finally gone forever!

Me: Yep. Good fucking riddance to that pile of garbage. Plus, we also got rid of Fifi Dufus again, this time, in the Simulator. But, man, Lincoln, you were really pissed!

Lincoln: I know I was rid of Fifi, her husband, and Ham Hands on my last rescue, but Dark Sebastian pulled a dirty move sending Bolhofner in The Simulator and into that particular scenario.

Suddenly, black tornadoes appeared, and what stood in their place were Dark Sebastian, Reagen Lestranfe, and Abigor Necroshade and they were really banged up and really pissed off at us!

Lincoln: Uh oh, looks like it's not over yet. Now, we turn our attention to Reagen Lestranfe, Abigor Necroshade, and Dark Sebastian.

Reagen Lestranfe and Abigor Necroshade: DAMN YOU! DAMN YOU ALL! WE'RE GONNA KILL ALL OF YOU HERE AND NOW!

Dark Sebastian: GET THEM! AND GET THE MASTERS OF EVIL TOO! THEY HAVE TURNED THEIR BACKS ON EVIL ITSELF! PUT THEM BACK IN THEIR PLACE AS SLAVES TO THEIR MASTERS!

Lincoln formed a massive and indestructible diamond barrier infused with light energy that protected all of us from a sudden barrage of infernal darkness blasts those snakes fired at us and the blasts were destroyed.

Varie Yulinova: Looks like what we did to Simulator Fifi Dufus and Bolhofner and what you did to them, Lincoln, really drove them madder than ever, but now, it's time we put an end to this once and for all.

Suddenly, Varie Yulinova's purple eyes turned neon purple and she was surrounded by a black, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, dark water, phoenixes, and angels, she unholstered her staff, and as she approached Reagen Lestranfe and Abigor Necroshade, she left black, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, dark water, phoenixes, and angels with every step.

Varie Yulinova: For so many years, so many innocent people have suffered because of your insane desire to destroy the world in the name of Malphas, and in many worst case scenarios, you murdered a lot of them in cold blood. I will never forgive you two for what you did. Reagen Lestranfe and Abigor Necroshade, as The Water Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness, I hereby sentence you two Satanic monsters to death.

Reagen Lestranfe: YOU MISERABLE CRETIN! HOW DARE YOU HUMILIATE US!

Suddenly, we were teleported to Hell and more of Dark Sebastian's traps triggered as he summoned more demons and monsters to attack.

Lestranfe and Abigor Necroshade, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Varie Yulinova did the same by firing black, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive staff, and Lincoln, Varie Yulinova, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Reagen Lestranfe and Abigor Necroshade even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Reagen Lestranfe and Abigor Necroshade and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Reagen Lestranfe and Abigor Necroshade and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Reagen Lestranfe and Abigor Necroshade hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Reagen Lestranfe and Abigor Necroshade were now on their last legs and they were really

really mangled and we suddenly found ourselves back home on Earth and back in Gotham Royal York.

Reagen Lestranfe and Abigor Necroshade became so enraged, they lost all sense of reason, and they suddenly transformed into demons as the sclera of their eyes turn dark red and the iris of their red eyes became brighter, their skin turned black and they had black fur grow and sprout out, and their faces turned into that of a demon dog with horns on top of their heads, and they roared in pure rage and they went full all-out berserk.

Lincoln swung his massive greatsword and fired two powerful rainbow light helix blasts which hit Reagen Lestranfe and Abigor Necroshade, and not only did they transform back into human form, but the blasts also destroyed their dark powers forever, and Lincoln swung his massive greatsword again and fired blades of light which hit Reagen Lestranfe and Abigor Necroshade right in the chest and the blades pierced their black hearts, and we saw lights burst out from behind their backs, and they went up in flames and they turned to ashes, as their black souls were forever sent to The Black Abyss for eternity.

We cheered wildly as we holstered our weapons and powered down and Varie Yulinova's new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold crescent moon-shaped frame around it with embedded midnight blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold crescent moon-shaped frames around them with embedded midnight blue gems behind the gold rings behind her head, thirty-five large black planets orbiting around her legs, thirty-five smaller black planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black planets orbiting around her wrists and ankles, and massive black angel wings and twenty-four sets of large black angel wings underneath her massive black angel wings are permanent.

Varie Yulinova: We did it, that's another two down. Thanks for helping me get rid of Reagen Lestranfe and Abigor Necroshade, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Varie.

Me and Nico: Our pleasure, Varie.

Suddenly, Varie Yulinova wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Varie Yulinova's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Loreena Cavenstein sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Selena Mendez: We did it. Reagen Lestranfe and Abigor Necroshade are gone forever.

Lincoln: Yep, now we got six more to go: Quentin Hargreaves and Damon Necroshade, Michael Ondrushko and Aragon Necroshade.

Me: And finally, the main Satanic demons, Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe and Alaister Necroshade, Leader of The Dark Church of Malphas, the war has only just begun. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, The Time Stone embedded in the blade of my sword and Lincoln's greatsword started glowing with intense green light.

Nico: Now, The Time Stone's glowing.

Raphaela Fukushima: There's only one person we're going to be meeting on Lincoln's rescue tomorrow: Evelyn

Yoshida, Elemental Water Guardian of Time.

Lincoln: I knew it was her.

Me: Whoa, and she's got to be really strong!

Raphaela Fukushima: You have no idea, and you guys are going to love meeting her, Evelyn Yoshida, Elemental Water Guardian of Time, is Lincoln's Guardian Angel from Japan and she's a very powerful master of Cosmic Hydrokinesis and time. She was born with omnipotent power, immortality, invincibility, and the powers of Cosmic Hydrokinesis, Omnipotence, Omniscience, Cosmic Awareness, time travel, stop, slow down or speed up flow of time, accelerate or slow down aging, see into the past and future, and bend time, and she has The Time Stone embedded in her forehead. She's a member of The Elemental Infinity Stone Guardians, the most powerful group of girls among Lincoln's Guardian Angels, they are six girls were born with the incredible powers of The Infinity Stones along with the elements of Cosmic Pyrokinesis, Cosmic Hydrokinesis, Cosmic Aerokinesis, Cosmic Geokinesis, Cosmic Umbrakinesis, Cosmic Photokinesis, and Cosmic Space powers, along with having said Infinity Stones embedded in them, and they were given the task of protecting Lincoln from the wrath of his enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas. She moved to Michigan where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Hydrokinesis, Omnipotence, Omniscience, Cosmic

Awareness, time travel, stop, slow down or speed up flow of time, accelerate or slow down aging, see into the past and future, and bend time, and he gained omnipotent power and the powers of Cosmic Hydrokinesis, Omnipotence, Omniscience, Cosmic Awareness, time travel, stop, slow down or speed up flow of time, accelerate or slow down aging, see into the past and future, and bend time, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a passion and she swore to age them until they turned to dust, but she absolutely despises Thanos, Dark Chase Young, Malphas, Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and all of Lincoln's enemies and all those who want to use them for their insane schemes of destroying the entire universe, and she swore to age them until they're dust in the winds.

Me: (WHISTLES) Whoa.

Nico: Oh man!

Lincoln: Yep. Watch this.

Lincoln fired water blasts that hit a group of Guy Grazer's men that came out of the shadows and they aged until they were dust!

Me: Whoa, that was powerful!

Nico: Really awesome.

We then saw Dark Sebastian twitching in anger: what we did killing Reagen Lestranfe and Abigor Necroshade finally caused him to scream in demonic anger!

Dark Sebastian: DAMN YOU! DAMN YOU ALL! YOU'RE ALL GOING TO PAY!

But, then, we heard an inhuman roar, and we saw streams of darkness heading our way, and when they landed, what stood in their place were Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves, and they were pissed that we killed Reagen Lestranfe and Abigor Necroshade.

Me: Well, if it isn't Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves.

Alaister Necroshade: You damn bastards! You ruined our trap!

Nico: You should know we're never afraid of Hell or its demons, and you tried to take the battle to the very place you bastards were trapped in, that plan was doomed to fail.

Dark Sebastian: SHUT UP! SHUT THE FUCK UP, YOU DAMN BUBBLE-BUTT MONKEY! (ENRAGED SCREAM)

Nico: Heh, Bubble Butt? Look who's talking, at least, we're not the servants of a fucked-up blob of Eldritch Ooze created by Malphas!

Dark Sebastian: I will make you pay for this, all of you!

Suddenly, heavenly lights shined down and Lincoln flew into the air, and his massive white angel wings and ninety-nine sets of large white angel wings underneath spread out as he absorbed the flames from our battle with Simulator Fifi Dufus and Bolhofner in the Simulator.

Lincoln: You only know how to make threats, and you made those threats come true using violence and hatred. All you are is nothing more than the personification of hatred, destruction, and madness rolled into one, the same goes with your cronies, and you already saw that not even the darkness of Hell will protect you from us since we've killed Aragon Cochran, Nergal Glaphyra, Maacah Necroshade, Athalia Necroshade, Ryan McCabe, Jezebel Necroshade, Windsor Grimm, Herodias Necroshade, Alex Creighton, Delilah Necroshade, Owen Thatcher, Belial Necroshade, Reagen Lestranfe, and Abigor Necroshade.

Me: That's right, you have nowhere to run, you pieces of shit.

Nico: And nowhere to hide.

Lincoln: That's for sure. Now, slither on back to the shadows where you belong, you blood-crazed world-destroying snakes.

Buster Bunny: And don't let us catch you running loose again, or I swear, you're gonna know what real pain is!

Babs Bunny: That's right! Now, beat it, you snakes!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves let out unholy demonic screams as they turned back into black streams of darkness and flew back into the darkness swearing revenge on us!

Me and Nico: (FLIPS BOTH MIDDLE FINGERS AT THEM) Yeah, fuck you too! You better run, you fucking snakes!

2016 Morbucks: We showed them!

Artie Ziff: We sure did.

Professor XXXL: Let's celebrate with snow cones!

Condiment King: And ketchup!

Mammoth: Good! I'm starving!

Me: Good fucking riddance to bad rubbish! Thats another one of both mine and Lincoln's enemies out of our lives.

Qin: Yep!

Nico: Yeah great job today everyone!

Me: (To the viewers) Bolhofner is now dead and gone for good.

Camie: Yep.

Ymir: Thank goodness.

Lola: So is Fifi.

Xenia: Yep.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we took down and destroyed Modula forever, and we took down Vance Miller and threw him in The Tartarus Prison, and I absorbed the clone of Anti-Monitor and we assimilated all his powers, and we also got rid of Owen Thatcher and Belial Necroshade and pissed Dark Sebastian and the rest of those snakes off big time.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan went up to Lincoln.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan and the others.

Lincoln: (Seductive Voice) (Smirks) You said a mouthful.

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

GRAVITY OF GRAVITON

GRAVITON IS COMING

In the early morning hours of 3:24 AM, we were sleeping. But, then, a ghostly mist appeared inside The World Tree Estate and the mist left something in the adjacent rooms of the Pixies of Jubiland where they're now staying ever since Lincoln welcomed them and Queen Euphoria to the team.

Suddenly, the wolf pixie, Ricky, awoke after feeling the ghostly mist.

Ricky: W-what was that?

Then, he saw the object the ghostly mist left in his room: it was a large book with a royal blue hard cover and back with small golden jeweled ornaments on the corners and on the top center of the cover, a ribbon can be seen where the name of the book, "The Redeemed Wolf Pixie of Jubiland", engraved in capital letters, with a small waxing crescent moon below it, and the book's cover features a wolf with a gold-chained moon around his neck and like the cover, the back is royal blue with gold jewel corners, and the top half of the back features a magic circle eclipsing an smaller version of itself featuring a 12-pointed star, a sun in its center, and a crescent moon next to the sun, and below the circle lies a winged moon, and below it another ribbon engraved with the book's title, and the book's spine is royal blue and a golden frame with two six-pointed stars, and reads "The Redeemed Wolf Pixie of Jubiland".

Ricky: Why, it's a large book...for me.

Then, he opened the book, and inside its pages are powerful spells, summoning spells, and even more, but that didn't go unnoticed by Queen Euphoria and the other pixies who saw the whole thing.

Zap: Ricky just accepted a great responsibility, along with Margie, Rufus, Candy and the Glitter Force.

Candy: That's true. But, this isn't going to go unnoticed by the others, Lincoln's going to tell them of what he saw.

Queen Euphoria: And it's not just J.D. who'll hear of it, but also, Sakura and her friends. Come, let us return to bed. Tomorrow, everyone is in for a surprise.

They returned to their rooms and went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys.

Suddenly, Queen Euphoria and the other pixies came in.

Queen Euphoria: Actually, there is no need, Lincoln, allow us.

Ricky also came in.

Ricky: Last night, a ghostly mist appeared inside the Estate. But, this mist left something here.

Ricky got out the large royal blue book now belonging to him.

Me: Wow, what is that?

Ricky: What I have here is The Redeemed Wolf Pixie of Jubiland, one of the legendary Royal Books of Jubiland.

Me: Wow!

Lincoln: I also saw them last night appear to Emily and her friends. Queen Euphoria, what can you tell us about the books?

Queen Euphoria: Of course. The Royal Books of Jubiland are a collection of royal books that contain very powerful spells, summoning spells, and many more, and they're only meant for The Glitter Force and Ricky, Margie, and Rufus after Emily purified them. But, this means only one thing: the evil Emperor Nogo is on the move.

Lincoln: We'll face him on my rescue, and we'll make sure he never returns.

Crash Bandicoot: The Water symbol's glowing, this means, you're up next, Princess Rarity.

Rarity: Oh, wonderful.

Applejack: I wonder who we'll face for you, Rarity.

Lincoln: Whoever it is, that person is the opposite of Rarity, Applejack. Alright, let's finish up breakfast and head on out.

Nico: Right.

Hikaru woke up to see Magnemite staring at him.

Magnemite: Morning Hikaru. Morning Noriko. Time for breakfast.

Noriko: Oh boy!

Hikaru: It's our day to shine.

They went and got dressed and went to the table for breakfast

We finished our breakfast, and we headed out to help Rarity unlock her Rainbow Power and send the next villain waiting to prison.

Me: Good to see the planet Mobius again.

Sonic: Boy I'll say. It's good to be home again. I was getting a little homesick.

Tails: Me too.

Nico: It's awesome being on Mobius.

Xenia: it sure is. I could go for some chili dogs after the battle with whoever we're facing.

Camie: Me too.

Ymir: Yummy.

Lola: Yeah.

Varie: Always up for some chili dogs.

Sonic: Boy me too. And the Freedom Fighters are always ready for some fun.

Qin: Yeah no kidding!

Sheep Man: I'm a-a-a-always up for some fun and a-a-a-a-awesome fun.

Nico: Me too! Sheep Man I want to thank you and Grayroad and your teams for coming.

Sheep Man: No problem Nico. This is gonna be a-a-a-a-awesome! (BLEETS)

Nico: It sure is!

Colleen Swissberg: (Swiss Accent) Oh ja this will be good.

Nico: Colleen, remember when we first met?

Colleen Swissberg: Oh ja I sure do. We met at a chocolate factory in Geneva. And we battled a bunch of Gazimon eating everything.

Nico: Good times.

Ymir: Wait Digimon appeared all over the world?

Me: Yep we call that event the International Digimon Skirmish. Nico and Tai and friends went all over the planet helping out Digidestined from various countries battle Digimon running amok and sending them back to the Digital World.

Nico: Yeah we met LOTS of Digidestined from all over the world and it was an amazing thing.

Yolei: My favorite was meeting Russia's Digidestined. I wanted to try some of their food.

Me: That is cool. Digimon showed up all over the globe. New York City, Mexico, Rio De Janeiro, Sydney, London, Paris, Moscow, Cairo, All over the world. No place was safe from it.

Nico: Yep but it was awesome.

Poromon: Good times.

Me: Yeah they sure were.

Kari: Yeah those were fun. I was about to get kissed all over by the Poi Brothers in Shanghai.

Nico: (LAUGHS) Yeah they had a huge crush on you Kari.

Gatomon: They sure did.

Kari: Yeah. Those were still fun though.

Ymir: Wow! You guys got to see so much of the world back then.

Kari: We sure did.

Nico: Yeah. Good times.

Me: Yep. Wow! Yesterday was fun! And now we don't have to smell that shitmouthed asshole Bolhofner again!

Nico: Good fucking riddance!

Lola: Yeah! And we never have to see Fifi again!

Poliwag: No, we won't!

Nico: Yep that is for sure!

Me: Lincoln you must be very happy that two more of your enemies bit the dust right?

Lincoln: You bet I am! We're one more step closer to having all my enemies gone.

Me: Yep. It's just a matter of time.

Nico: We already got through with Morag.

Me: Yep. The big one is yet to come.

Lincoln: Dark Chase Young.

Me: Not sure when but it will be later on.

Xenia: Yeah no kidding there.

Lola: So far we're doing well.

Me: First we have to get rid of a couple more obstacles that stand in our way. Dark Sebastian and the Order of The Dark Universe stand on our way now as well as the Church of Malphas.

Nico: Right. They are first. But Sebastian will be free of all the pain his family did soon.

Me: He sure will.

Nico: How is Sebastian though?

Me: He's getting better. He's undergoing physical therapy and mental therapy and getting better bit by bit.

Nico: Cool.

Maria: I couldn't put out Stella's Akuma.

Me: I know! She was REALLY BLAZING AND INFERNAL!

Xenia: No kidding!

Nick Russell: That one was hotter than mine.

Camie: WHEW! Sweating just thinking about it.

Ymir: Me too!

Laney: The hottest one we've ever seen.

Nico: No kidding! She was just too hot to handle.

Stella Zhau: She may have been my Akuma but she still has a heart to know that I still care for Lincoln.

Anna Anyanova: And she is helping us out as one of the Guardian Angels Allies.

Me: That is true. Wow!

Qin: I know.

Sonic: We all had a lot of fun yesterday.

Poromon: We sure did! Wow! And we also showed Toombs how scary many of the monsters we faced were yesterday.

Me: You sure did.

Poliwag: Including the Abominations!

Gira: No kidding! But you guys had a lot of fun!

Qin: We sure did.

Me: Truly eventful.

Nico: Yep.

We walked around.

Sonic: Boy Mobius is doing so much better now that Robuttnik is no longer terrorizing the place.

Nico: You said it.

Ymir: Well happened here though?

Me: Well for years Mobius was always terrorized by Sonic's archnemesis, Dr. Ivo Robotnik. Sonic formed a Freedom

Fighter force to combat all his plots and plans and ensure the freedom and safety of Mobius.

Sonic: It's true and we are heroes too.

Tail: Battling Robotnik and his minions was fun all the time.

Me: Yep. Also Robotnik HATES SONIC with a vengeance and every time he gets his plans foiled by Sonic he always yells I HATE THAT HEDGEHOG!

WE LAUGHED!

Poliwag: That's always funny!

Sonic: YEAH!

Me: Check it out.

I showed a video compilation of every time Dr. Robotnik yells I Hate That Hedgehog and it was funny!

WE LAUGHED!

Ymir: Man what a jerk!

Me: He was a ROTTEN TO THE CORE Egg! And he SMELLED just as terrible!

Nico: At least he's in the Masters of Evil.

Me: Yeah and it's funny.

Nico: Yep. Along with his ROTTEN TO THE CORE times 10 mother.

Nicole: Yeah that's right. Robotnik has been that way ever since 1991.

Sonic: It's true.

Lincoln: Okay, guys, we're here for one awesome battle, we're here on Mobius and we're here to help Rarity unlock her Rainbow Power, but here's the villain we're going after: it appears Evil Spoiled Rich has returned from The Black Gates.

WE GASPED!

Me: What the? I thought we took care of her last year!

Nico: Looks like she's come back again to kill Princess Celestia by putting out a huge bounty on her again.

Eli: Seriously?! Unbelievable!

Me: Man she just doesn't know how to quite!

Diamond Tiara: That evil version of my mother needs to be taught some manners!

Rarity: Of course, and she's the opposite of me: she's greedy, selfish, powerhungry, and pure evil.

Crash Bandicoot: Well, she'll be exchanging her designer clothes for prison orange jumpsuits, we're sending her to The M.O.E. jail after we tie her up.

Lincoln: Perfect, that'll repulse her: exchanging her designer clothes for orange prison jumpsuits, that'll really get on her nerves.

Me: Yeah! Orange is the new Black!

Nico: You got that right!

Suddenly, Lincoln had a premonition as his large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a one-way viewing mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent another massive 12'6" werewolf and massive pack of 12'6" massive werewolves after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another massive 12'6" werewolf and massive pack of 12'6" massive werewolves after us?!

Nico: Now that those snakes are freed from Hell, they're free to come after us once again.

Lincoln: We're more than ready for those pack of snakes, and we'll send them running back to Hell for good by absorbing their next werewolf and its pack and drain all their souls and send them to The Black Abyss. Now, let's get going.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel

wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive

muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Evil Spoiled Rich) AHA! Gotcha, you spoiled monster! I just spotted Evil Spoiled Rich, she's 20 yards away, and she's got an army of bounty hunters with her again!

Nico: I think it's time we put a dampener on her plans once again.

Aqua Rarity: And show her that greed and selfishness will always lead to her downfall.

Me: You got that right.

Zick heard a Pokemon Cry.

Zick: Look guys.

We saw a Spiritomb.

Me: WHOA! A Spiritomb! I heard this pokemon is dangerous because of it making people go insane.

Spiritomb: Yes I have that kind of power.

Me: Hence why you are known as The Forbidden Pokemon.

Spiritomb: Yep.

Zick: You hungry?

Zick gave it apples and it ate them.

Spiritomb: Thank you.

Zick: Want to come with us?

Spiritomb: Sure.

Me: Awesome.

But then...

SPLASH!

MAY GOT HIT WITH A MASSIVE WATER CANNON BLAST!
She got soaking wet!

May: HEY!

Spiritomb: Wasn't me!

Me: I think it's from that!

We saw a Samurott!

Me: Cool a Samurott!

Nico: How'd that get there?

Me: I think it's one of Dark Gale's work.

Omi: (Tibetan Accent) Lets see here.

He used Telepathy and gasped!

Omi: It's my descendant Chesa.

Me: Wait Descendant?

Omi: I'll explain later.

Qin: She doesn't have a last name?

Me: The people of Tibet usually don't have family surnames.

Omi: That's correct. Lets go help her out.

We went over.

Omi: Chesa you must calm down and let us help you out.

All she did was use Hydro Pump.

Omi: WATER MIRROR FORCE! WATER!

He formed a mirror and reflected the blast of water back and it drenched her.

Me: WHOA! Nice one! Top this. ORION STAR STORM! STARS!

I fired waves of stars and blasted her all over the place.

Omi: A most amazing move J.D.!

Me: Yep.

I snapped my fingers and she reverted back and was a girl with blue hair, blue eyes and had the Xiaolin Dragon symbol on her forehead with the Xiaolin Kanji for Water and had blue angel wings and had on her arm a Samurott and on her arm was the Orb of Tornami as her cutie mark.

We wraped her in a blanket and brought her over.

Me: Awesome!

She woke up.

Chesa: (Groans) What hit me?

Omi: Chesa are you all right?

Chesa: Ancestor Omi? (GASP) It is you!

She hugged him.

Chesa: My gosh you are still as young as I remember.

Omi: I still have a lot of fight in me. Oh guys I should explain. I am actually over 1,500 years old. Back in the 5th Century A.D. I had helped Master Dashi defeat Wuya and after he made the ultimate Sacrifice to do so I distraught. But one winter's night I was training and then there was this huge avalanche. It buried me in a huge wave of ice and snow and froze me. But miraculously it kept me alive and Master Fung found me and 1,500 years later I was reborn in the 21st century.

Me: Whoa!

Clay Bailey: Well stick my chops and call me a branded bull!

Kimiko: We were never told about that!

Omi: It's something I didn't like talking about.

Me: We understand but that is amazing!

Captain America: I know the feeling myself. I was frozen in ice for over 66 years.

Aang: I was frozen in ice for over 100 years.

Jean Bison: And I know the feeling too. I was frozen for over 120 years from back during the gold rush of 1852.

Me: Wow! Lots of people we know have had that experience.

Jack Spicer: Well, at least now, you have a family member.

Omi: That is true.

Chesa: I'm glad to have my ancestor back.

Me: Yeah. Also you were turned into a Samurott by Dark Gale.

Chesa: Oh man! I remember!

She was in a blue suit and injected and in a swirl of water she turned into SAMUROTT!

She busted out.

FLASHBACK ENDS

Chesa: It was awful.

Me: I know but we destroyed Dark Gale.

Chesa: Good. How is Master Fung doing?

Me: Busy as ever. He has been searching for ways to help us bring down Dark Chase Young. But we are already one step ahead of him on that.

Lincoln: There's a Prophecy that involves me that is going to destroy him.

Me: We should explain. Chase Young had his dark side removed and we call that Dark Chase Young. But for over 1,500 years he has been responsible for numerous atrocities all over the universe. He caused so much pain and suffering.

Lincoln: But he found out that there was a prophecy. The Reincarnation of Amaterasu the Goddess of the Sun can destroy him and that Reincarnation is the Son Of The Loud Family. He set out to destroy my family.

Me: Yeah.

Chesa: I heard about that prophecy and I'm glad to meet you Lincoln great chosen one.

Lincoln: Thank you.

Chesa: You're welcome.

Jack Spicer: So, are you not gonna react in shock about me being here?

Chesa: I was surprised at first Jack. But Master Fung already informed us about you being with Team Loud Phoenix Storm. So we were already made aware. Me and my friends already know.

Me: Your friends?

Chesa: Yes they are Clay, Kimiko and Raimundo's sisters.

Clay: Oh man! So we'll get to see our sisters again!

Kimiko: Yeah!

Raimundo: I have a feeling they were turned into Pokemon too.

Me: Yeah.

Jack Spicer: Wait until you see my double.

Eddy: He's my archenemy and we call him Dark Jack Spicer.

Me: Yeah and he is cool.

Chesa: I'll be looking forward to that.

Me: Cool.

Nico: Oh what's your role in Sonya's team?

Chesa: I am the Aquamancer of the team and use the powers of water to bring down our enemies.

Me: Neat.

Chesa: Yeah. Outside the team I focus on my training with my friends to add more moves to our arts of fighting. We've added Shaolin, Jiujitsu, Tae Kwon Do and many styles of Kung Fu to our fighting repertoire.

Me: Wow!

Po: That is awesome!

Me: It sure is.

Po: Maybe me and the Jade Palace Warriors can help add more to that.

Chesa: I'm sure we would like that very much.

Nico: Yep.

Rarity: Lets get you some new clothes Darling.

The fashion brigade gave her new blue clothes and a blue water sword and she had the Orb of Tornami.

Chesa: I look awesome.

Me: You sure do.

Nico: We're not done yet

Me: Now for the fun.

We then took off into the air to take down Evil Spoiled Rich and help Rarity unlock her Rainbow Power and send that greedy and selfish monster off to the M.O.E. prison.

We were flying in the air, and we saw our target: Evil Spoiled Rich along with a massive army of bounty hunters and she was giving another windbag speech.

Lincoln: There she is, and she's giving another windbag speech. I swear, she loves hearing her talk. (Smirks) Well, I think it's time we threw a monkey wrench in her plans.

Crash Bandicoot: Time for our grand entrance, and this is one you'll love, Rarity.

Suddenly, Crash Bandicoot's emerald green eyes glowed, and out of nowhere, clusters of jewels and gems grew out of the ground out of nowhere and the massive army of bounty hunters were drawn in thanks to their greed, only to get hit by waves of water and trapped in a massive water ball.

Me: Whoa, awesome.

Rarity: Truly amazing.

Lincoln: Now, comes the fun part.

Evil Spoiled Rich: Who did this?! WHO?! SHOW YOURSELF, SO I CAN KILL YOU AND PRINCESS CELESTIA!

Suddenly, the spirits of the fashionistas and richest people in the world appeared and they fired at Evil Spoiled Rich, and then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard.

Fashionista Ghost: You are nothing but an insidious fiend! You're a cheat, a heartless spoiled rich brat, and a vile monster! A corrupt, demented, vicious, lowlife treasonous scoundrel and a demented monster that hates Princess Celestia for being the benevolent Princess of The Equestrian Sun and for protecting everyone that she loves! There's no evil scheme you wouldn't concoct! No depravity you wouldn't commit to kill her! YOU, EVIL SPOILED RICH, ARE NONE OTHER THAN A BLACK-HEARTEDILIUS COLD-BLOODILIUS MONEYGRUBBINGILIUS MURDERESSICUS! More commonly known as a...!

Then the spirits converged and they crashed down and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared.

Lincoln: BLACK-HEARTED COLD-BLOODED MONEY GRUBBING MURDERESS!

THEN, SHE SCREAMED!

Nico: Good one with using the entrance we did on that pencil dickless motherfucker, Walter Peck, Lincoln! That was a good one!

Rarity: Indeed, that was truly amazing!

Lincoln: Thanks.

Then, Rarity turned her attention to Evil Spoiled Rich.

Rarity: I should've known you would be at it once again, Evil Spoiled Rich. Now, here's what's going to happen, you're gonna call off the bounty you put on Princess Celestia and let us put the handcuffs on you and take you to prison.

Me: YEAH!

(CRACKS KNUCKLES) But, don't say you didn't ask for it!

Crash Bandicoot went after the bounty hunters, and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels which hit the Sweatshop Flim Flam Brothers and exploded with such incredible power as they hit them, and he slashed at them with his massive greatsword leaving scars on them. Then, he struck them with some hard punches and kicks, and he even used some wrestling moves on them, and they were both pretty beaten up and banged up bad.

Me: Ooh, ouch!

Nico: That's got to hurt!

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the bounty hunters, and he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the bounty hunters except for their clothes and Lincoln drained the bounty hunters' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Nico: You're nothing but a bitch. That's what you are!

Evil Spoiled Rich: WHY YOU! HOW DARE YOU!

Me: Here's what I think about that!

I pointed my butt at her!

Me: FIRE IN THE HOLE!

Then...

LOUD NASTY SUPER HORRIBLE LONG FART!

I farted in her face and blasted her down and she was knocked down!

Then Saix appeared but he had a silver aura.

Carol: Saix?

But then out came the next member of the Daughters of Organization XIII.

Luna Isa Saix: Looks like this moon is gonna shine!

Lincoln: Luna Isa Saix! Wow!

Luna Isa Saix: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Luna Isa Saix, Daughter of Saix, she's Lincoln's Guardian Angel from The World That Never Was, she's a powerful master of the forces of the moon, and she's known as The Lunar Moonlight Master of The Daughters of Organization XIII, they are the daughters of the members of Organization XIII and they have elemental angel wings and black clothes and the weapons of Organization XIII and the kanjis of the elements on their foreheads, and Aniya and her friends absolutely loathe Xehanort with a bloodstained vengeance. She came to Royal Woods where she met Lincoln and swore to protect him from all threats and it not only included Dark Chase Young, but also, Xehanort as well, because Lincoln also had a hand in killing the evil Xehanort. She trained Lincoln in mastering the forces of the moon, and in a split second, he mastered the powers of the moon, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Scoots with a passion.

Me: WHOA! Awesome to meet you.

Luna Isa Saix: Same here. Care to help me Lisa?

Lisa Loud: It would be my pleasure.

She went to help.

Poromon pecked her.

Inside a rainbow sphere with intense flames, fire, and elemental forces, Rarity then underwent an intense and amazing transformation! Rarity had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and skirt and she also gained intense flame and gem patterns on her forearms, she also got yellow and blue lines on her hair and tail. She then had her Cutie Mark change into many gems and she had white wings with intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! HER INNER GENROSITY! THE RAINBOW GEM OF GENEROSITY!

EVERYONE GASPED!

Nico: WHOA! WHAT POWER!

Me: SHE DID IT! RARITY'S UNLOCKED HER INNER RAINBOW MAGIC!

Twilight Sparkle: THAT'S AMAZING!

Sweetie Belle: WAY TO GO, SIS!

Rarity: Now to show you how wrong your greed and selfishness really is!

She fired rainbow gems and blasted Evil Spoiled Rich all over the place!

Juru charged at her and blasted her with Crystal and jewels.

Me: Take that!

Juru: Insparkleation!

Nico: YEAH!

Evil Spoiled Rich: CURSE YOU ALL! I HATE THAT STUPID PRINCESS!

Princess Celestia's aura flared up intensely!

Horsea squirted ink and blinded her.

Evil Spoiled Rich: YOU ARE DISGUSTING! YOU SHOULD BE BOWING DOWN TO ME!

Me: HOW ABOUT YOU SHUT UP AND MAKE US BITCH!

Nico: YEAH! Bow down to you? IN YOUR FUCKING DREAMS!

Mevya hopped over to her and belched in her face!

LOUD NASTY SUPER BELCH!

But then...

KRASMASH!

Universe 666 May bashed Evil Spoiled Rich on the head with a baseball bat!

SHE HAD A REALLY NASTY LUMP ON HER HEAD!

Nico: Nice hit!

Universe 666 May: Thanks!

Me: She's gonna feel that!

Chesa: Like old times?

Omi: I should be asking that but sure thing.

Chesa and Omi: WATER MAELSTROM BLAST!

They fired waves of water and drenched her.

Lincoln: Time for the big guns.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and we saw a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar.

Lincoln: (Cracks Knuckles and neck) (Smirks) This is gonna hurt!

Lincoln went at Evil Spoiled Rich and he brutally smashed her all over the place with his massive godly superhuman strength. Then, he punched her hard in the stomach and kicked her in the stomach and sent her flying into a wall, she got back up.

Me: Great job, Lincoln! That'll teach them!

Nico: Still as brutal as ever.

Suddenly, we heard more vampiric shrieks, and we saw more vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Then, Sherlock Hound attacks another vampire and the blade slashed the vampire and he turned to ashes. Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a massive 12'6" werewolf that was summoned by Dark Sebastian and his minions, and with it was a massive pack of 12'6" massive werewolves.

Lincoln: Ugh, I knew Dark Sebastian would summon them. I'll take care of them at once.

Lincoln went after the massive 12'6" werewolf and its' massive pack of 12'6" massive werewolves, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" werewolf and its' massive pack of 12'6" massive werewolves, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the werewolves' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Seeing what happened to the werewolves had royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Then, the barrier deactivated and Caleb then lands and rejoins us.

Lincoln: This happened last year and two years ago with The Red Guy.

Evil Spoiled Rich: RRAAAGGHH! CURSES! EVOLT SAID THIS WOULD BE EASY FOR ME TO GET RID OF PRINCESS CELESTIA BECAUSE HE PROMISED ALL OF YOU WOULD FINALLY BE DEAD IN THE SIMULATOR YESTERDAY WHEN HE SENT BOLHOFNER IN AND HE'D ALSO MADE SURE DARK SEBASTIAN WOULD TAKE THE BLAME FOR IT! DAMN IT! EVERYTHING'S GONE UP IN SMOKE!

WE WERE PISSED OFF!

Everyone: WHAT DID YOU SAY?! SO, EVOLT WAS THE ONE WHO SENT BOLHOFNER INTO THE SIMULATOR AND HE'D MAKE DARK SEBASTIAN TAKE THE BLAME FOR IT!

Nico: I can't believe him!

Me: He was the one who sent Bolhofner into The Simulator yesterday!

Lincoln: And he played Dark Sebastian for a patsy and framed him for it. When he finds out about it, there's no telling what he and his surviving minions are gonna do!

?: (DEMONIC ROAR) EVOLT! DAMN YOU! I WILL MAKE YOU PAY FOR PLAYING ME FOR A FOOL YESTERDAY! NO ONE PLAYS MALPHAS' DISCIPLE FOR A PATSY AND LIVES! WE WILL SUMMON LORD MALPHAS INTO THIS WORLD AND HE

WILL WATCH WITH CRUEL GLEE AS I DESTROY YOU AND EVERY LAST ONE OF ANTI-MONITOR'S MINIONS, AND MALPHAS WILL ENJOY TORTURING YOUR SOULS FOR ALL ETERNITY ONCE THE ENTIRE WORLD AND ALL OF MANKIND AND EVERY LAST LIVING THING ON EARTH AND THE UNIVERSE AND BEYOND IS ERADICATED! (DERANGED DEMONIC CACKLING)

Eli: Did we just hear what we didn't want to hear?!

Selena Mendez: That lunatic, now he's really gone too far!

Camie Elextor: He's planning to bring Malphas into the world! Your parents tried that years ago, Selena!

Varie Yulinova: Only for the ritual to fail as The Black Ooze of The Eldritch came into the world, kill your parents, and turn your brother into an outright destructive blood-crazed insane monster!

Lincoln: We'll make sure their insidious ritual to bring Malphas into the world never comes true. Now, let's take care of this evil spoiled rich murderess and send her to prison.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Emperor Nogo, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON EMPEROR NOGO! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT EMPEROR NOGO WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND HE SCREAMED IN AGONY!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen when we end this nightmare.

Then, Andre Lupeau went after Emperor Nogo and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, Lincoln and The Glitter Force fired beams of purifying light that pierced Emperor Bogo and he exploded in a massive wave of light, as we assimilated all of his powers and sent him straight to The Black Abyss forever.

Suddenly, heavenly lights shined down and Lincoln flew into the air, and his massive white angel wings and ninety-nine sets of large white angel wings underneath spread out as he absorbed the flames from our battle with Emperor Bogo. Then, he found where Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves were at: hiding in the darkness of Hell. Then, Lincoln's deep sapphire eyes appeared to the Satanic monsters.

I am through with going easy on you monsters: Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves, your time here in this world is finally coming to an end real soon, and you will answer for all of your crimes in The Black Abyss, and not even Malphas, The Demon Prince of Hell, nor the other Demon Princes of Hell, nor even Lucifer himself will save you. The next time that we meet, no mercy shall be shown to either of you, and you will pay for all of your sins!

Lincoln's deep sapphire eyes vanished, and that pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves as they let out a cacophony of demonic screams and shrieks. We cheered as we holstered our weapons and powered down and we came back home to The World Tree Estate.

Lincoln: It's finally over, Emperor Bogo is finally gone forever.

Emily Anderson: We finally did it.

Kelsey Ace: Bogo is finally gone forever, and that was an awesome message you sent to Dark Sebastian and his minions.

Nico: No fooling, you really pissed them off.

Me: But, that'll no doubt push them down even further into madness.

Lincoln: And it'll lead to them crossing the ultimate line, but the second they do, they are going to pay big time. (To Evelyn Yoshida) And it's so good to see you again, Evelyn.

Evelyn Yoshida: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Evelyn Yoshida had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Evelyn Yoshida was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Evelyn Yoshida: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Evelyn Yoshida's waist and hugged her, and Evelyn Yoshida is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Evelyn Yoshida: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Evelyn Yoshida, Elemental Water Guardian of Time, she's Lincoln's Guardian Angel from Japan and she's a very powerful master of Cosmic Hydrokinesis and time. She was born with omnipotent power, immortality, invincibility, and the powers of Cosmic Hydrokinesis, Omnipotence, Omniscience, Cosmic Awareness, time travel, stop, slow down or speed up flow of time, accelerate or slow down aging, see into the past and future, and bend time, and she has The Time Stone embedded in her forehead. She's a member of The Elemental Infinity Stone Guardians, the most powerful group of girls among Lincoln's Guardian Angels, they are six girls were born with the incredible powers of The Infinity Stones along with the elements of Cosmic Pyrokinesis, Cosmic Hydrokinesis, Cosmic Aerokinesis, Cosmic Geokinesis, Cosmic Umbrakinesis, Cosmic Photokinesis, and Cosmic Space powers, along with having said Infinity Stones embedded in them, and they were given the task of protecting Lincoln from the wrath of his enemies and from those who want to use them for their insane schemes of destroying the entire universe. They knew Thanos was sent to The Black Abyss forever, and they also despised Dark Chase Young for everything he's done and they also swore to destroy him, along with Malphas, Dark Sebastian, The Order of The Dark Universe, and The Dark Church of Malphas. She moved to Michigan where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Hydrokinesis, Omnipotence, Omniscience, Cosmic Awareness, time travel, stop, slow down or speed up flow of time, accelerate or slow down aging, see into the past and future, and bend time, and he gained omnipotent power and the powers of Cosmic Hydrokinesis, Omnipotence, Omniscience, Cosmic Awareness, time travel, stop, slow down or speed up flow of time, accelerate or slow down aging, see into the past and future, and bend time, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a passion and she swore to age them until they turned to dust, but she absolutely despises Thanos, Dark Chase Young, Malphas, Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and all of Lincoln's enemies and all those who want to use them for their insane schemes of destroying the entire universe, and she swore to age them until they're dust in the winds.

Me: That's impressive.

Lincoln: Yep, she taught me all of her moves and powers. (Sensed presences) You guys again?!

Suddenly, more of Guy Grazer's men came out to kill us, but Lincoln fired blasts of water and time, and they hit them and he aged them until they were turned to dust.

Me: (Whistles)

Nico: Dang, that's brutal!

Lincoln: Yep, and her powers are infinitely strong as an entire solar system of Chronians and I also have that power as well, and now that you're here, Evelyn.

Lincoln with his massive muscular arms still wrapped around Evelyn Yoshida's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Evelyn Yoshida: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Evelyn Yoshida with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The

Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Evelyn Yoshida: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Evelyn Yoshida.

Evelyn Yoshida had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Evelyn Yoshida's waist, and he leaned down to her face and kissed her on the lips, and with Evelyn Yoshida's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Evelyn Yoshida had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Evelyn Yoshida: (In Heaven) My God. Oh, Lincoln, tell the boys to run and hide in their rooms, the twenty girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the twenty girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the twenty girls are Harumi Ukishima from The Hills Have Size and Ayame Saeki, Hinoki Yatsuka, Ibuki Maniwa, Inaho Takebe, Kaede Koume, Karin Amami, Kurumi Tachikawa, Mikuri Kagamino, Mizuki Tsushima, Nadeshiko Mitsu, Natsume Yanahara, Sakura Mikamo, Satsuki Koremasa, Shion Shizutani, Sumire Nariwa, Tsubaki Hayashima, Tsubaki Kotoura, Tsubana Ogasawara, and Yuri Misaki from Crime Rhyme.

Lincoln: Oh whoa, it's Harumi Ukishima from The Hills Have Size and Ayame Saeki, Hinoki Yatsuka, Ibuki Maniwa, Inaho Takebe, Kaede Koume, Karin Amami, Kurumi Tachikawa, Mikuri Kagamino, Mizuki Tsushima, Nadeshiko Mitsu, Natsume Yanahara, Sakura Mikamo, Satsuki Koremasa, Shion Shizutani, Sumire Nariwa, Tsubaki Hayashima, Tsubaki Kotoura, Tsubana Ogasawara, and Yuri Misaki from Crime Rhyme.

Nicole: Uh oh, so those were the girls Evelyn rescued, and it's no wonder Travis and Red said that kind of warning, these girls are really cute. Thank goodness Evelyn got them out of the way.

Lincoln: That she did. Are you girls okay?

Harumi Ukishima: Yes, we're okay thanks to you.

Then, when Harumi Ukishima and the other nineteen girls saw who it was that saved them from Emperor Bogo, their faces turned atomic red upon seeing the 12'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a

Harumi Ukishima: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nineteen clones of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Harumi Ukishima: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twenty Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Harumi Ukishima, Ayame Saeki, Hinoki Yatsuka, Ibuki Maniwa, Inaho Takebe, Kaede Koume, Karin Amami, Kurumi Tachikawa, Mikuri Kagamino, Mizuki Tsushima, Nadeshiko Mitsu, Natsume Yanahara, Sakura Mikamo, Satsuki Koremasa, Shion Shizutani, Sumire Nariwa, Tsubaki Hayashima, Tsubaki Kotoura, Tsubana Ogasawara, and Yuri Misaki with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Okay, that was one awesome battle.

May: That's for sure. Now, Emily and her friends are finally rid of that clown for good.

Lincoln: Yep, and Dark Sebastian and his minions got my brutal warning.

Nico: It won't be long before those snakes do something that crosses the ultimate line.

Me: The second they do, they are SO GOING DOWN!

Emily: It was bad enough he and the rest of his minions have been causing tons of trouble for us, but when he teamed up with Rascal to bring Emperor Nogo back from the dead, that crossed a line for us.

Kelsey: That's for sure. Selena, the dark side of your brother is an absolute monster!

Selena Mendez: Tell me about it. I hated what that monster did to my brother.

Camie Elextor: And he forced him to murder our twin sisters in a Satanic sacrificial ritual and killed our parents as well.

Solla Nexcrota: When we face him and Alaister Necroshade, we are going to make absolutely sure the two of them pay the ultimate price for so many years of pain and suffering we had to go through.

Lincoln: That's for sure. They're going to suffer the divine punishment of Heaven itself.

After Lincoln and all of us destroyed Emperor Nogo and sent him to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Evelyn Yoshida saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Evelyn Yoshida: My God, I was right that Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Evelyn, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Evelyn Yoshida: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Evelyn Yoshida: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a one-way viewing window.

Then, as it came into focus, it showed Anti-Monitor and his remaining minions still plotting to kill us. But, then, massive black tornadoes appeared, and as the tornadoes faded, what stood in their place were Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves.

Evolt: Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves? What are you doing here?!

Dark Sebastian: You miserable insects! Evil Spoiled Rich spilled everything, you dare play me for a fool!

Paul: You should've done us a favor and killed yourself.

Alaister Necroshade: SHUT UP!

SLASH!

AGONIZING SCREAM!

Alaister Necroshade slashed Paul in the chest with a dagger and spilled blood!

Dark Sebastian: You will pay for this insolence! GET THEM!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves went at Anti-Monitor's remaining minions and Dark Sebastian went at Anti-Monitor and they attacked them brutally, and they drew blood and their demonic laughter echoed. Anti-Monitor managed to fight back and push Dark Sebastian off him and so did the others, but those demons had a demonic grin on their faces.

Anti-Monitor: You can't even kill us, what was the whole point of this attack?

Dark Sebastian suddenly started chuckling, but then, it turned into outright demonic and insane cackling!

Dark Sebastian: Isn't it obvious, I want to cause as much pain to all of you and mankind and all life on Earth and the universe and beyond, and I also want revenge on Evolt for trying to make me take the fall for sending Bolhofner into The Simulator yesterday! But, there is also this!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves then began drawing a demonic magic circle and placed the black candles around it and they lit them up. Then, they got out the blood of those who were slain by us in the past few months, and they also collected the spilled blood of Anti-Monitor and his remaining minions, and they poured it into the magic circle!

Dark Sebastian: Team Loud Phoenix Storm has pissed us off for the final time. Now, I'm gonna make them regret ever crossing us, along with that bitch, Selena, and her Hunters of The Nightflame Sun! The ceremony to bring Lord Malphas into this world is about to begin! (DEMONIC VOICE) AND ALL LIFE ON EARTH AND THE UNIVERSE AND BEYOND WILL BE EXTERMINATED! (CACKLING INSANELY)

THEY GASPED IN HORROR!

Anti-Monitor: You think I'll let this happen, you pathetic insect?!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves had them chained.

Alaister Necroshade: You will never stop us! Once Lord Malphas has come into our world, we'll have all of you destroyed! DO IT!

Dark Sebastian: (DEMONIC VOICE) Demon Princes of Hell, Lords of Infernal Chaos and Destruction, I invoke the dark forces of Hell on this night! Open wide The Gates of Hell and may Lord Malphas cross into our world to bring death, chaos, and eternal destruction to all of mankind, all life on Earth and the universe and beyond! WALK NOW AMONGST US, LORD MALPHAS!

Suddenly, the demonic magic circle began glowing an infernal red as the blood of Anti-Monitor and the 310 villains he'd brought back sank into the magic circle. Then, the blood began gathering into a pool and it levitated into the air, and then, a massive black and red portal formed and a demonic choir began singing and the fires of Hell came bursting out!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves: YES! YES! COME, LORD MALPHAS! COME AND MAKE YOUR PRESENCE KNOWN TO THE MORTAL WORLD!

WE ALSO SAW IT!

Nico: I can't believe him! Now, he's really crossed the ultimate line!

Brittney: I can't believe he's done this! He's using the same ritual Selena's parents tried to use all those years ago.

Selena Mendez: But, that resulted in The Black Ooze of The Eldritch coming into our world. So, he was able to do the ritual again, but this time, using the blood of Anti-Monitor and the blood of the 310 villains he'd resurrected in January as the medium for the portal.

Camie Elextor: He's done it now!

We continued watching in the one-way viewing mirror, and then, we saw two black hands with claws come out and grab the edges of the portal!

Dark Sebastian: HE'S EMERGING FROM THE PORTAL!

Then, something emerged from the portal: it was a massive 16'9" extremely muscular demonic-looking hairy black wolf with goat horns on top of his head, red eyes with goat eye pupils, a pair of black trousers and a loincloth, and instead of the feet of a bird, he had the cloven hooves of a goat, and really massive black raven wings with a massive wingspan of 666,666,666,666,666,666,666'0", it was Malphas, Demon Prince of Hell!

Dark Sebastian: Lord Malphas, you're here!

Malphas glared at Anti-Monitor and his other minions, which resulted in Anti-Monitor firing a blast of energy at Malphas, but he blocked it.

Malphas: (Demonic Voice) Pathetic.

Malphas fired a blast of hellfire at Anti-Monitor and the other villains and they got burned badly!

Malphas: (Demonic Voice) Come. We've got much to do, for soon, the extermination of mankind and all life on Earth and the universe and beyond will be at hand.

Dark Sebastian: Yes, Master.

Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves: Yes, my Lord.

Malphas, Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves left in a black portal and the one-way viewing window closed.

Me: I can't believe this...! Now, he really crossed the ultimate line!

Nico: They brought Malphas into our world, this is beyond evil!

Selena Mendez: Now, the world is in even more trouble. We've also got to destroy Malphas!

Lincoln: And we will, Selena. When I unlock my Rainbow Power, I'll use that and the powers of Heaven to destroy Malphas once and for all.

Me: That's the one thing that'll destroy Malphas forever, along with the other Demon Princes of Hell and Lucifer himself.

We got a shower, and then, Lincoln and Ann (Pokémon) are heading to Shangri-Spa.

Lincoln snapped his fingers, and the 12'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ann (Pokémon) is dressed in a two-piece colored bikini The Musiqidandi Sisters and Zoey Tsukino made for her, colored sandals, and she had her weapons holstered in case of trouble.

Plus, we found out Ann (Pokémon)had feelings for Lincoln, and he also had feelings for her, and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Ann (Pokémon): Wow, we're here in Shangri-Spa, it sure is beautiful.

Lincoln: It sure is, Ann, and it's perfect for our first date, shall we?

Lincoln and Ann went to the Spring of Purification first, then to The Spring of Bliss, then to The Spring of Sanctuary, then to The Spring of Jungle Mist, and finally, to The Spring of Rainbows, and Ann gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she also released some tension he'd been carrying.

Then, he did the same thing giving Ann a deep tissue massage, and when he was done, Ann was literally relaxed. Then, they went to a workout area, and Ann got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift one-hundred and two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and one-hundred massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Ann (Pokémon): (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Ann (Pokémon) and hugged her in their abnormally massive and powerful muscular arms, and Ann (Pokémon) placed her hands on Lincoln's massive hairy pecs.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right trapezius of Ann (Pokémon) and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light.

He slowly unlatched his fangs from her right trapezius as it healed and the puncture marks sealed up, and he also kissed where he bit her. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Shangri-Spa, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Ann (Pokémon) with blue gems on the gold lightning bolt links and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Chokers of Eternal Love on her neck.

Lily the Mermaid: Wow, now Ann is now in your harem, Linky.

Ann (Pokémon) showed the marks Lincoln made on the right sides of her neck.

May: It's been a while since any of our old friends had feelings for Lincoln.

Jenna: You had no trouble at all.

Ann (Pokémon): Not at all, and I not only gave Lincoln a deep tissue massage, but he also gave me the same deep tissue massage, and he certainly had me swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and I was really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for the mascots bake sale and we were walking to Neo Phoenix Land for it.

Noriko: Well, time to see how this will all go wrong.

Me: If it goes wrong we'll know.

We arrived and saw tht the bake sale was going well and everyone was eating the cakes and the money was piling in.

Me: Boy the sale is going well.

We went over.

Hikaru: Hey guys. How's the bake sale?

Poromon: REALLY WELL! Everyone loves the cake.

Man: (Eating cake) MMM! Boy it's delivious! I love this cake.

Me: The alcohol cooks away in the cake and coconut rum adds flavor.

Man: It sure does.

Poromon: It's Pineapple Upside-Down Coconut Rum cake.

Man: Delicious!

Onslaught: Can we try some?

Poromon: We made lots of cakes for everyone.

We had lots of cakes.

Me: (Eating) Delicious!

Qin: (Eating) Yeah!

We were eating them.

Camie: (Eating) Yummy!

Ymir: (Eating) Yum!

Fu: (Eating) It sure is!

Swerve: I honestly thought this was gonna go bad.

Me: Yeah but it had the opposite.

Camie: Yep.

But then we felt thunderous footfall.

Me: What the?

Camie: What is that?

Xenia: Something is coming.

Tara: It's that! Look!

We saw a Gigalith!

Me: WHOA! A Gigalith!

Nico: How did that get here?

Me: I think it's one of Dark Gale's work.

Clay: And this one might be who I think it s.

He used Telepathy and gasped!

Clay: Well I'll be a pile of roasted marshmallows dipped in a huge cowpie! It's my twin sister Selina!

Me: WHOA! Are you serious!?

Clay: I swear on the pride of Texas that it is!

Nico: Nice that you have another sibling

Me: It sure is! Lets go help her!

Clay: YEEHAW!

Me and Clay went to her.

Clay: Selina calm down!

She walked over to Horsea and stomped on her

SQUISH!

Maria: HORSEA!

She was flatter than a pancake!

Horsea: (Groans)

Gigalith threw a bunch of rocks!

Clay: ROCK WALL TSUNAMI! EARTH!

He formed a wall of rock and smashed her all over.

Me: DRACO STAR FIREBALL! STARS!

I fired a massive barrage of stars and fireballs and blasted her all over.

I snapped my fingers and she reverted back and was a girl with blond hair and brown eyes and had the Xiaolin Dragon

Symbol and the Earth Kanji on her forehead and had brown angel wings and had Gigalith on her arm.

We wrapped her in a blanket and brought her over.

She woke up to see Horsea's stern gaze.

Selina Bailey: Huh? Whoa I feel like I was run over by the Santa Fe Railroad.

Horsea: YOU SQUISHED ME!

Maria picked Horsea up.

Selina Bailey: Sorry.

Clay: Howdy Selina.

Selina Bailey: Clay! Well I'll be turned into Biscuits and Gravy!

She hugged him.

Selina Bailey: Glad to see you.

Clay: Same here sis.

Me: You were turned into a Gigalith by Dark Gale.

Selina: (GASP) Why those dastardly no good varmints!

She was in a brown suit and injected and then she turned into Gigalith and busted out!

FLASHBACK ENDS

Selina: That was as awful as a rattlesnake swimming in an apple cider barrel full of electric eels.

Me: Well we destroyed Dark Gale.

Nico: Yep.

Selina: Thank goodness.

Horsea: In spite of that, would you like some cake?

Selina: I'm hungrier than a bull in a pizza factory.

We gave her cake and pizza and pie.

She was eating all of it.

Me: WHOA! She is hungry.

She ateit all.

Selina Bailey: Ahh. (LOUD BELCH) Oh pardon.

Me: No worries.

Selina Bailey: I am the Geomancer of Sonya's team and use Earth to run down our enemies. Outside I work as one of Master Fung's students and helpers.

Me: Wow! You must know about Jack Spicer being with us and also everything that happened.

Selina Bailey: That's right. I'm surprised there. Jack come here please?

He went over.

Jack Spicer: Yes?

But then...

KRABLAM!

She punched him square in the face and sent him flying!

Billy: GO! JACK!

CRASH!

He crashed right into a tree and it smashed onto him!

KRASMASH!

OOH! JEEZ THAT HAD TO HURT!

Jack Spicer: I'm hurt now!

Me: WHOA! What a punch!

Clay: Yeah my sister is the strongest out of us.

Me: Wow!

Sinnertwin: Was that really necessary?

Selina: Sorry. Just reminded me of all the times he went after you guys and it got me angry.

Jack Spicer: Okay I deserved that.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new brown clothes and she had he Fist of Tebigong with her too.

Selina Bailey: I look awesome!

Me: You sure do. Oh the final touch.

I gave her a Texas hat.

Selina Bailey: Perfect!

Me: Yep.

She put it on.

We helped Jack and healed him up.

Nico: Did we mention that he's got a Dark Side?

Selina Bailey: Yes we were told that.

Eddy: He's a cool guy when you get to know him.

Me: Yep.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with

Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the prime version of Graviton, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud, we got trouble!

Eli: A new foe for us?

Lincoln: Yep, but this guy has given trouble to The Avengers before.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront

today: it's the prime version of Graviton, and he's causing havoc.

EVERYONE GASPED!

May: We faced the Yost version of Graviton, but we hadn't faced the prime universe version of him.

Qin: That's for sure. I wonder if he can also put up a great fight as the Yost version of him.

Lincoln: (Sensed it) Actually, there's a difference, Qin. The Yost version of Graviton and the prime version of Graviton do have gravity powers, but the Yost version can put up a pretty good fight whereas the prime universe version of him isn't a formidable opponent.

Me: What? So, we won't break a sweat fighting him?

Nico: Well, that's a buzzkill. But, he does have gravity powers.

Lincoln: Yep, but so do we. Let's give him a taste of his own medicine and send him to The Masters of Evil.

Me: Awesome. (Realizes something) Wait, I've got a feeling that Dark Sebastian's going to be there himself.

Me: We'll be sure to drive him back into the darkness where he belongs.

Trudy Lawrence: But, not before we give him what for especially for all the dirty stunts he's pulled in the past.

Nico: We also got to watch out though, now that Malphas is here, there's really going to be trouble. Alright, let's get to New York and take Graviton down.

Lincoln: Time to give this guy a taste of his own gravitational medicine.

Then, Stinky-Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Princess Morbucks, Professor Triple XXL, and Artie Ziff came.

Stinky-Butt: Can me, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Princess Morbucks, Professor Triple XXL, and Artie Ziff come with you?

Nico: Of course.

Mammoth: And Vypra told us the whole thing. I can't believe Dark Sebastian and his minions have brought Malphas into our world. Plus, Dark Sebastian's there, so we'll drive him even more insane.

Lincoln: And if he says anything to the next group about ordering them to help Graviton kill us, please give him a nasty lump on the head.

Mammoth: Gladly. We've had it with the villains always ordering us to help them kill you, and we're also sick and tired of Dark Sebastian and his minions. I hope you guys kill him and the last of his minions for good.

Nico: Yeah!

Me: Lets get ready!

Cavalier: Although Graviton will be a good recruit

Me: Yes he will.

Qin: Yep.

Lola: Looking forward to this one.

Nico: I can't believe that Dark Sebastian and minions brought Malphas here! We'll have to ramp up security.

Lola: Big time!

Nico: Well we're ready for them.

Razorclaw: Boss, which Gene Slammer do you think you'll meet next?

Nico: Number 86: Heroic Champion - Rhongomyniad And Number 85: Crazy Box next.

Me: OOH! Awesome!

Pipsqueak: (British Accent) Number 85 was the one that possessed me.

Me: Yeah it sure did. You were solving Rubix cubes like no big deal.

Cheerilee: I remember that one.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: Quentin Hargreaves, Demon Summoner of Darkness of The Order of The Dark Universe and Damon Necroshade, Demon Summoner of The Dark Church of Malphas, and they're also there and causing havoc. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Was that?!

Lincoln: Quentin Hargreaves, Demon Summoner of Darkness of The Order of The Dark Universe and Damon Necroshade, Demon Summoner of The Dark Church of Malphas, and J.D.'s right, Dark Sebastian's also there in New York and causing havoc on his own.

Wendy Sauron: So, those two snakes are causing havoc alongside Graviton and Dark Sebastian himself is also there too. We'll need to keep those two snakes contained and drive Dark Sebastian away before we take down Graviton.

Selena Mendez: When we destroy Dark Sebastian's traps, we'll make sure they get put in a force field and kept from attacking us.

Nico: Ooh, now this should be good. Alright, team, let's head for New York and take down Graviton.

Lincoln: We may not break a sweat in fighting him, but we'll give him a taste of his own medicine before we hand him off to Vypra, and once we get done with him, you're next, Quentin Hargreaves, Demon Summoner of Darkness of The Order of The Dark Universe and Damon Necroshade, Demon Summoner of The Dark Church of Malphas.

Wendy Sauron: Quentin Hargreaves, Demon Summoner of Darkness of The Order of The Dark Universe and Damon Necroshade, Demon Summoner of The Dark Church of Malphas, you will both pay for the atrocities you madmen have committed after we get done with Graviton!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to New York to take down the prime universe version of Graviton, and once we take him down and send him to Vypra, Wendy Sauron and Lincoln are going to destroy Quentin Hargreaves, Demon Summoner of Darkness of The Order of The Dark Universe and Damon Necroshade, Demon Summoner of The Dark Church of Malphas and send them to The Black Abyss.

We were off to New York CIty.

We arrived in New York City.

Me: New York City.

Qin: The City That Never Sleeps.

Stinky Butt: Lets call Turtle.

Me: Good idea.

We called him.

Turtle: I'm here.

Me: And we'll call screamer too.

We did so with her.

Screamer: I'm here too.

Me: Cool!

Mammoth: Anyone hungry for pizza?

Me: I could go for some.

We all nodded.

We went to a New York City Pizza Restaurant and we had all kind of good pizza.

Me: (Eating Pizza) Mmm! Delicious!

Motormaster: This is our first time fighting Graviton honestly

Me: Not every day we fight gravity power villains.

Xenia: I know.

Varie: Yeah.

Harold (Billy & Mandy): I don't know. I've seen Gladys be like that.

SLASH!

His hair fell off went a knife was thrown through it.

SPLAT!

He was eating soup.

Harold: HEY! My brain was in there!

Harold's brain: Put me in the freezer!

Lilja: (Icelandic Accent) Oh sorry my hands were greasy and the knife slipped out of them.

Harold: Oh no worries.

Condiment King: Anyone want ketchup on their pizza?

Me: I don't think ketchup would taste good on pizza. The breadsticks yes.

Condiment King: Okay then.

Nico: Yeah.

Lilja: So who is Graviton?

Me: His real name is Franklin Hall and he was made this way because he absorbed an element called Gravitonium and it not only gave him powers but made him nuts and it corrupted him.

Lola: Yeah.

Me: We fought the Yost Universe version of him but not the Prime Universe version.

Princess Celestia: I remember that.

Krankenstein: Monster think this will be tough.

Me: Me too. But like we said, it's not every day we meet Gravity users.

Lola: Yeah. Also wasn't hix real name also Glenn Talbot?

Me: Yes and there are 3 Incarnations of him. Glenn Talbot who is part of General Ross's Hulkbuster Team, Franklin Hall wo we're going to face, and Ian Quinn who is part of the SHIELD Team.

Cavalier: Like how Goliath has lots of incarnation of himself too.

Me: Exactly.

Professor XXXL: Who wants snow cones now?

Lilja: I would like one please.

She had a good tropical fruit flavor.

We had snowcones too.

Me: (Slurps) Mmm! Blueberry.

Cassandra: It's always nice to have food during a mission.

Me: It sure is.

We burped.

Me: Oh pardon me.

Qin: Me too.

We were stuffed.

We paid for the food and left.

Me: Lets hope he doesn't strike early.

But then...

THUNDERCLAPS!

Me: WHOA!

We saw LIGHTNING STRIKES Coming from Central Park!

Me: WHOA! Look at that!

Artie Ziff: You guys didn't say he had lightning powers too.

Lincoln: (GASP) Those are not from Graviton. They are from Hikaru and Noriko's akumas, Lord and Lady Thunder Hammer! The Hypothetical Akumas of Hikaru Akatsuki and Noriko Ashida and they are masters of intense and powerful lightning. They were made because of Loki killing their friends and vowed to bring down that evil god with extreme ruthlessness with the power of a million lightning strikes and the powers of Thor times 100,000,000,000!

WE GASPED!

He showed us sketches of them and they were vikings with INTENSE LIGHTNING POWERS!

Me: WHOA! Intensely electrifying vikings!

Nivenna: Two this time?!

Me: Well Hikaru and Noriko are boyfriend and girlfriend so it's fitting.

Noriko: He's right on that.

Me: Yeah. Also Thor your brother in the Disk Wars Universe REALLY IS STARTING to piss me off! I'm just about 5 seconds away from going HULK APESHIT on him! No offense Hulk.

Hulk: None taken but Hulk know you want to destroy puny god.

Akira: Well, only me, Chris, and Ed are left after today. Hopefully, our Loki will appear in either of our rescues.

Me: Rescue is good. Then in that case it might be other villains we know.

Girl Jordan: I hope Carnage is among them.

Me: Red Skull too.

Nico: Yeah.

We went to the park.

THUNDERCLAP!

Me: WHOA!

We saw lightning coming from near the lake!

THUNDERCLAP!

We saw 2 figures in intense lightning auras standing by the lake.

Me: WHOA! LOOK!

We saw LORD AND LADY THUNDER HAMMER!

Me: WOW!

We went to them.

Me: WOW! You 2 are Electrifying!

Lord Thunder Hammer: We drew you here! (ROARS!)

They roared and went at us and I punched them both but my fist got electrocuted!

Me: WHOA! That is intense lightning!

They fired waves of lightning and Lincoln absorbed it all!

2016 Morbucks: Hikaru? Noriko? Is that you two?

They fired intense lightning and it hit 2016 Morbucks and ELECTROCUTED HER!

SHE SCREAMED IN PAIN AND WAS SEVERELY NUMB FROM THE SHOCK!

Me: Okay that does it! DRAGON THUNDERCLAP!

I fired waves of more intense lightning!

Lincoln, Paula and the Lightning users fired waves of more powerful lightning and electrocuted them big time!

Turtle: You need to calm down!

Me: That's not going to work on them. Trying to calm down ruthless vikings is like trying to talk to a brick wall!

Nico: He's right! Time for some pain!

We fired waves of lightning and blasted them!

Turtle: Cutie Mark Crusaders, Kick me!

Apple Bloom: You got it!

He got in his shell!

Lord and Lady Thunder Hammer fired more lightning and we absorbed it!

Then...

KRASMASH!

They kicked Turtle and then...

KRABLAM! KRABLAM!

HE SMASHED INTO THEIR HEADS AND KNOCKED THEM OUT!

Me: WOW! Nice kick guys!

Darkwing: It's a goal!

Applejack: YEEHAW! Way to score a goal!

Rainbow Dash: That was awesome!

Rarity: Marvelously well played girls!

Sweetie Belle: Yeah that was awesome!

Me: Nice teamwork girls!

Apple Bloom: Thanks! That was really fun!

Turtle: I agree there!

Raven Branwen: I didn't think Vikings would be THAT out of control

Me: Vikings were VERY FIERCE warriors back over 1,000 years ago and they killed ANYONE that got in their way.

Men, Women, Children, it didn't matter as long as they spilled the blood of their enemies.

Camie: He's right on that.

Varie: Yep.

Raven Branwen: That is savage.

Laney: Yeah.

Me: That is the very reason why I made our code. To protect the innocent and never kill kids. Only on rare circles for under the age of 18. But don't forget our loophole.

Nico: If they are disowned and are evil. Like Madame Margaret.

Larry Koopa: At least Hiccup and his friends aren't like that.

Hiccup: That's true. My friends in Berk are not like that though.

Me: Yeah.

Qin: Now we got to go after Graviton.

We heard the maniacal laughter of Graviton as he's causing havoc, and we also heard the demonic and deranged laughter of Dark Sebastian, Quentin Hargreaves, and Damon Necroshade from far away.

Nico: Aha! Looks like Graviton is already causing havoc, and those three fucking snakes are also causing havoc as well. Alright, then, let's get going and send those two trolls to The Black Abyss and send Graviton to Vypra.

Lincoln: But, first. Selena.

Selena Mendez: On it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Graviton is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Quentin Hargreaves, Damon Necroshade, Graviton, and Dark Sebastian saw it, and they let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, monsters.

Nico: Okay, now we can get after Graviton without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see Quentin Hargreaves, Damon Necroshade, Graviton, and Dark Sebastian raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate, but it grew even stronger because of the hatred of Quentin Hargreaves and Damon Necroshade.

Lincoln: Keep it up, you snakes. In the end, you're just going to make things worse for yourselves.

Suddenly, the spirits of The Avengers appeared and they attacked Graviton, Quentin Hargreaves, Damon

Necroshade, and Dark Sebastian and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive fiery explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Quentin Hargreaves, Damon Necroshade, Graviton, and Dark Sebastian even more pissed off than ever.

Graviton: So, you've made it. Now, I will finally...!

But, then, Lincoln fired a blast of gravity and that messed with Graviton's suit and powers and made him be suspended in the air.

Lincoln: Nice try.

Suddenly, Malphas appeared.

Malphas: (Demonic Voice) My minions had badly underestimated you, but that doesn't matter, for soon, you will all die. ARMIES OF HELL, ATTACK!

Malphas summoned hordes of demons to attack us, but Lincoln fired waves of Anti-Matter from his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings that hit the hordes of demons and he sucked the life out of them and their life forces, energy, and demonic powers flowed into Lincoln as he grew even stronger! Then, Quentin Hargreaves and Damon Necroshade came after Lincoln!

Quentin Hargreaves and Damon Necroshade: YOU LITTLE, YOU WILL ALL DIE IN MALPHAS' NAME!

SLASH! SLASH!

LINCOLN SLASHED QUENTIN HARGREAVES AND DAMON NECROSHADE RIGHT IN THE CHEST WITH HIS GOLD-PLATED CLAWS OVER HIS FINGERS!

Finally, he went up to Dark Sebastian!

Lincoln: I warned you for the final time, Dark Sebastian, but you went ahead and decided to pull the ultimate Piss Team Loud Phoenix Storm off move by bringing Malphas into our world. You really are an insane monster from Hell itself.

Dark Sebastian: My plan finally succeeded, and soon, all of you will be destroyed! (CACKING INSANELY) I WIN!

Me and Nico: (GETTTING SEVERELY PISSED OFF) YOU LITTLE...!

SERIOUSLY, HE'S ABSOLUTELY PURE EVIL!

POW!

LINCOLN PUNCHED DARK SEBASTIAN RIGHT IN THE JAW AND SENT HIM FLYING INTO A NEARBY LAMPOST, AND OUR RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURAS FLARED UP AS WE GAINED A MASSIVE POWER BOOST FROM DARK SEBASTIAN'S SATANIC AND DEMONIC HATRED!

Then, he fired a blast of heavenly light that hit Malphas and he screamed in pain and retreated back to the shadows. Then, Lincoln sent Graviton crashing right back down to Earth painfully.

Nico: You got some nerve coming out to cause trouble, Graviton.

Me: To be honest, this is our first time facing you.

Lincoln: That's for sure, but you've given The Avengers some trouble before, but we're more than ready for you. Plus, I knew you two snakes would be left behind to continue to cause havoc, but it matters not. Once we get done with Graviton, you two snakes are next, along with you, Dark Sebastian.

Quentin Hargreaves: YOU MISERABLE WOLF!

Damon Necroshade: WE WILL DESTROY YOU ALL IN THE NAME OF MALPHAS!

Dark Sebastian: YOU HAVE ALL HUMILIATED US FOR THE LAST TIME! THIS IS WHERE YOU ALL DIE! ARMIES OF MALPHAS, ATTACK! KILL THEM ALL!

Suddenly, hordes of male hellhounds loyal to Malphas arose from Hell and they charged at us.

Lincoln: Hah, that's a good one, summoning hellhound hordes loyal to Malphas.

Lincoln went after the massive 12'6" male hellhounds, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" hellhound and its' massive pack of 12'6" massive hellhounds, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the hellhounds and Lincoln drained the hellhounds' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Quentin Hargreaves, Damon Necroshade, and Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN YOU! DAMN YOU!

THEY WENT REALLY BALLISTIC! BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD!

Then, Lincoln trapped Quentin Hargreaves and Damon Necroshade inside a force field to keep them inside, but Dark Sebastian remained.

Lincoln: That'll keep you jerks inside. Now, to take you down, Graviton, and you're also going to get beaten to a pulp, Dark Sebastian, before we send you running back to Hell.

Me: Franklin Hall A.K.A. Graviton. So we meet at last.

Graviton: The famous Team Loud Phoenix Storm.

Me: Yep.

Graviton: I was expecting you, actually.

We saw that he used his powers to make several cars float above us.

Eris: Oh, you clever little-

He then dropped the cars down on us

Then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOMMMM!

I blasted them away and smashed them onto him.

Me: Lets take this someplace where innocent people won't get caught in the crossfire.

I snapped my fingers and we were on Glaren.

Me: Much better.

Nico: Good idea.

Me: You aren't the only user of gravity here Franklin.

I THEN FLARED UP MY POWER! I HAD NUMEROUS ROCKS LIFT UP AND HAD THEM SMASH INTO HIM!

SMASH!

Graviton: Now how am I going to use my car trick again?

Ratso: You're not!

Me: There's lots of rocks here!

I used my gravity powers on him and threw numerous rocks at him!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

I really smashed him all over!

Graviton: Lots of rocks are better than nothing!

He threw many rocks and I dodged them and punched them all over!

Me: Also Franklin you know what else is a powerful gravitational force?

Graviton: What?

Me: THIS! PLANETARY DEVASTATION!

(GIREI PLAYS)

I formed a ball of black energy and threw it and it hit him and sucked in rock and debris and formed a HUGE MOON SIZE SPHERE! HE WAS TRAPPED IN IT!

Me: I would like to see him try and get out of that.

But then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

HE EXPLODED OUT OF THE GIANT ORB OF ROCK WITH EASE!

Me: HOLY FUCKING SHIT!

Anti Wanda: He just did!

But he was really mangled up.

He landed on the ground as numerous rocks fell and smashed onto the planet.

Me: I'm impressed Franklin.

Graviton: Also, I must thank you all for destroying Apocalypse

Me: Apocalypse did put up one helluva fight. And lots of people really hated his guts.

Graviton: Indeed. But try this on!

He threw many rocks and I punched them!

SMASH SMASH SMASH SMASH SMASH SMASH!

I really punched and smashed them into a million pebbles!

I really bashed them into dust!

Hikaru: Mighty Thor, D Smash!

He summoned DISK WARS THOR!

Disk Wars Thor: ASGARD PROTECTS!

Me: AWESOME!

Graviton: 3 THORS!?

Me: Strange story. Like how we battled another version of you.

I teleported and fired numerous waves of rocks and bashed him down.

Magnemite charged at him and blasted him with lightning.

May fired wave of ice and froze him in a block of ice. Leaving only his head exposed.

Universe 666 May: Watch this one.

She then punched his face numerous times!

POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW!

SHE BASHED AND PULVERIZED HIS HEAD IN ALL OVER LIKE A PUNCHING BAG!

Loki and Yamato charged at him and Loki farted in his face!

LOUD NASTY HORRIBLE FART!

Graviton gagged and coughed!

Yamato: Don't underestimate this planet!

Me: Or you won't live long enough to regret it!

Yamato fired energy blasts and blasted him.

Loki and Yamato: SKUNK FART BLAST!

They fired waves of stinky farts and skunk farts and blasted him!

OH GOOD GOD! THAT STINKS!

Loni and Conductor charged at him.

Conductor: FULL SPEED AHEAD!

Loni and Conductor kicked him in his face!

Loni and Conductor: TRAIN BLAST STORM!

They fired waves of energy and blasted him with the force of a train.

Luke and Lucky charged at him!

Lucky: TIME TO TEST YOUR LUCK!

Me: And your luck is about to RUN OUT!

Luke and Lucky: BLASTS OF THE ZODIAC!

They fired waves of energy and blasted him all over!

Lane and Flint charged at him

Flint: TWOKAI CHANGE!

She danced and the mascots and Will Joined in too!

Will: You and your brother dance awesomely!

Poromon: We love this song!

Flint: YEAH!

She transformed!

Flint Invention Power! Twokai Flint! ツーカイフリント

SHE WAS READY!

Lane and Flint: FURY OF THE TWOKAI POWER!

They fired waves of light and blasted him all over!

Boy Lynn and Taro charged at him.

Taro: Time for a Festival of Fun!

Boy Lynn and Taro: FESTIVAL FURY BLAST!

They fired waves of energy and blasted Graviton!

Lars and Juru charged at him

Juru: INSPARKLEIZATION!

Lars and Juru: CRYSTAL DARK BLAST!

They fired waves of energy and blasted him all over the place!

Leif and Kairi Yano charged at him

Kairi Yano: Here's an Advanced notice: We're taking your treasure!

Me: And we're going to kick your big ugly fucking ass!

Leif and Kairi Yano: THIEF DIRT BLAST!

They fired waves of energy and blasted Graviton.

Lexx and Keiichiro charged at him.

Keiichiro: By order of the GSPO, We're taking you down by force!

Nico: AND IT'S GONNA HURT REALLY BAD!

Lexx and Keiichiro: JUSTICE FIRE BLAST!

They fired waves of energy and fire and blasted him!

Levi and Izzy Garcia charged at him

Izzy: Time for some Cosmic Pain!

Levi and Izzy: COSMIC ZODIAC BURST!

They fired waves of stars and energy and blasted Graviton!

Leon and Zoey Reeves charged at him

Zoey Reeves: Lets unleash the beast!

Leon and Zoey: BUNNY BLAST STORM!

They fired a blast of energy and smashed him.

Clay: YEEHAW! Ready sis?

Selina: YOU KNOW IT!

Clay and Selina: TEXAS EARTH SMASH!

They fired a massive wave of earth and rock and smashed Graviton!

Suddenly, the full moon appeared behind Andre Lupescu as darkness fell upon New York only lit by the full moon and clusters of ice formed on the ground as we heard the sounds of wolves howling in the distance.

Ed Cowart shaved off all of Prime Graviton's facial hair, then, he gave him a haircut to make Prime Graviton's hair a more trimmed British look, and finally, he finished dressing

Prime Graviton like a extravagant British gentleman before giving Prime Graviton a wedgie and pulled his underwear over his head.

Ed Cowart: WEDGIE!

Posing as an gentleman (紳士 shinsei) owner of the Neverland store that served as his base of operations, Konakijiji assumes an infant form to strangle any adult who gets close enough to steal their souls to bring his dolls to life so he can have a family. In order to intercept Konakijiji, Sasuke was drafted to disguise himself as a baby to lure the Yokai. However, Konaki-Jiji is not fooled and has Sasuke captured to show him the fruit of his work. However, as others arrive, Sasuke escapes the deathtrap Konakijiji prepared for him and defeats the Youkai with the Kakuranger Ball. Enlarging, Konakijiji is quickly destroyed by Muteki Shogun with the souls returned to their rightful bodies.

Lincoln and the girls fired elements and energy that formed into said Marvel heroes and they hit Graviton and exploded.

Lincoln and his harem: Now, for the grand finale. We've had it up to hear with you, Graviton, now pay for your crimes. MARVEL FINAL SMASH: MARVEL DISK BLAST!

Dark Sebastian: NO! NO! DAMN IT! KILL THEM! KILL THEM ALL!

Dark Sebastian, Quentin Hargreaves, Damon Necroshade, and Graviton went after Lincoln and his harem who fired disk shaped Ki blasts and they hit Graviton, Dark Sebastian, Quentin Hargreaves, and Damon Necroshade and exploded with incredible power!

Turtle: Time for me to finish this!

He jumped and ducked into his shell and then...

KRABLAM!

He bashed Graviton and knocked him out cold!

Nico: OUCH!

Then, Lincoln tied Graviton up, put him in a Disk, and sent him to The Masters of Evil. We cheered as we holstered our weapons and powered down.

Nico: That's another Marvel villain whom we hadn't faced before taken down and sent to The Masters of Evil.

Me: That's for sure.

Lincoln: I was right that Prime Graviton didn't put up that much of a fight unlike with Yost Graviton, but we did give him a taste of his own medicine. But, it's not over yet, now we turn our attention to the three snakes, Quentin Hargreaves, Damon Necroshade, and Dark Sebastian.

We then turned our attention to Quentin Hargreaves, Damon Necroshade, and Dark Sebastian who are now fucking pissed off!

Quentin Hargreaves and Damon Necroshade: DAMN YOU! DAMN YOU ALL! WE'RE GONNA KILL ALL OF YOU HERE AND NOW!

Dark Sebastian: GET THEM! AND GET THE MASTERS OF EVIL TOO! THEY HAVE TURNED THEIR BACKS ON EVIL ITSELF! PUT THEM BACK IN THEIR PLACE AS SLAVES TO THEIR MASTERS!

Lincoln formed a massive and indestructible diamond barrier infused with light energy that protected all of us from a sudden barrage of infernal darkness blasts those snakes fired at us and the blasts were destroyed.

Wendy Sauron: Looks like what we did to Graviton and what you did to them, Lincoln, really drove them madder than ever, but now, it's time we put an end to this once and for all.

Suddenly, Wendy Sauron's purple eyes turned neon purple and she was surrounded by a black, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, dark flowers, phoenixes, and angels, she unholstered her staff, and as she approached Quentin Hargreaves and Damon Necroshade, she left black, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, dark flowers, phoenixes, and angels with every step.

Wendy Sauron: For so many years, so many innocent people have suffered because of your insane desire to destroy the world in the name of Malphas, and in many worst case scenarios, you murdered a lot of them in cold blood. Quentin Hargreaves: YOU MISERABLE CRETIN! HOW DARE YOU HUMILIATE US!

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death once more. Quentin Hargreaves, Damon Necroshade, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Time to die, you goddamn snakes!

Lincoln, Wendy Sauron, Nico, and I went after Quentin Hargreaves and Damon Necroshade, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Quentin Hargreaves and Damon Necroshade, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Wendy Sauron did the same by firing black, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive staff, and Lincoln, Wendy Sauron, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Quentin Hargreaves and Damon Necroshade even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Quentin Hargreaves and Damon Necroshade and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Quentin Hargreaves and Damon Necroshade and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

Quentin Hargreaves and Damon Necroshade became so enraged, they lost all sense of reason, and they suddenly transformed into demons as the sclera of their eyes turn dark red and the iris of their red eyes became brighter, their

skin turned black and they had black fur grow and sprout out, and their faces turned into that of a demon dog with horns on top of their heads, and they roared in pure rage and they went full all-out berserk.

Lincoln swung his massive greatsword and fired two powerful rainbow light helix blasts which hit Quentin Hargreaves and Damon Necroshade, and not only did they transform back into human form, but the blasts also destroyed their dark powers forever, and Lincoln swung his massive greatsword again and fired blades of light which hit Quentin Hargreaves and Damon Necroshade right in the chest and the blades pierced their black hearts, and we saw lights burst out from behind their backs, and they went up in flames and they turned to ashes, as their black souls were forever sent to The Black Abyss for eternity.

We cheered wildly as we holstered our weapons and powered down and Wendy Sauron's new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold crescent moon-shaped frame around it with embedded midnight blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold crescent moon-shaped frames around them with embedded midnight blue gems behind the gold rings behind her head, thirty-five large black planets orbiting around her legs, thirty-five smaller black planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black planets orbiting around her wrists and ankles, and massive black angel wings and twenty-four sets of large black angel wings underneath her massive black angel wings are permanent.

Wendy Sauron: We did it, that's another two down. Thanks for helping me get rid of Quentin Hargreaves and Damon Necroshade, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Wendy.

Me and Nico: Our pleasure, Wendy.

Suddenly, Wendy Sauron wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Wendy Sauron's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Wendy Sauron sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Selena Mendez: We did it. Quentin Hargreaves and Damon Necroshade are gone forever.

Lincoln: Yep, now we got six more to go: Michael Ondrushko and Aragon Necroshade.

Me: And finally, the main Satanic demons, Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe and Alaister Necroshade, Leader of The Dark Church of Malphas, along with Malphas himself. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Fenrir the Nordic Wolf, and the Nordic wolf himself, Fenrir, and they howled.

Lincoln: The Vegvisir and Duel Monster, Fenrir the Nordic Wolf, and the Nordic wolf himself, Fenrir. It's them.

Selene Arcangela: (GASPS) The Nordic Order of Odin's Justice!

Me: Whoa, who are they?

Ingrid Knutsen: (GASPS) (Norwegian Accent) Oh man, my sisters and I know them, The Nordic Order of Fenrir's Justice are a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle. They were also born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods, creatures, and beasts of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down so many of these individuals all over Norway and sent them to Hel.

Nico: I remembered hearing about that from you and your sisters, Ingrid.

Gunda Knutsen: (Norwegian Accent) And they were also tasked by Heaven and the Norse Gods to protect Lincoln.

Me: Wow, that is really powerful. So, who's the first we're meeting on your rescue tomorrow, Lincoln?

Lincoln: That would be Astrid Michelsen, Avatar and Gene-Slammer of Fenrir the Nordic Wolf.

Ingrid Knutsen: (Norwegian Accent) I knew it, I knew it would be her, and you guys are going to love meeting her, Astrid Michelsen, Avatar and Gene-Slammer of Fenrir the Nordic Wolf, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and a she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir. Astrid Michelsen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic

Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Astrid Michelsen moved to where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: a psychopathic thrill killer named Brenda Dennehy, she's a cruel, calculating, selfish, manipulative serial killer driven by a sadistic lust for blood, and no, she has no relation to British serial killer Joanna Dennehy, but the murders that Brenda committed were very familiar to Joanna Dennehy's crimes in England. Astrid Michelsen swore to kill Brenda Dennehy when she got the word that cruel, selfish, bloodthirsty bitch swore to kill Lincoln to slake her lust for blood, and she also swore to tear her apart with the fangs of Fenrir.

Me: Whoa! And I've heard about Brenda Dennehy, and I almost thought she was related to Joanna Dennehy.

Lincoln: She's not. But, she's just as bad.

Nico: Without a doubt. So, each of the members had taught you the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods, beasts, and creatures of Norse myth, and war and battle.

Lincoln: That's right, and I also got this.

Lincoln showed us what he had on his left forearm: it was a deep blue Vegvisir with the Nordic Duel Monsters and Aesir Lord Duel Monsters around it.

Me: Wow, a deep blue Vegvisir with the Nordic Duel Monsters and Aesir Lord Duel Monsters.

Nico: Really awesome.

We then saw Dark Sebastian twitching in anger: what we did killing Quentin Hargreaves and Damon Necroshade finally caused him to scream in demonic anger!

Dark Sebastian: DAMN YOU! DAMN YOU ALL! YOU'RE ALL GOING TO PAY!

But, then, we heard an inhuman roar, and we saw streams of darkness heading our way, and when they landed, what stood in their place were Alaister Necroshade, Aragon Necroshade, and Michael Ondrushko, and they were pissed that we killed Quentin Hargreaves and Damon Necroshade.

Me: Well, if it isn't Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves.

Alaister Necroshade: You damn bastards! You ruined our trap!

Nico: You should know we're never afraid of Hell or its demons, and you tried to take the battle to the very place you bastards were trapped in, that plan was doomed to fail.

Dark Sebastian: SHUT UP! SHUT THE FUCK UP, YOU DAMN BUBBLE-BUTT MONKEY! (ENRAGED SCREAM)

Nico: Heh, Bubble Butt? Look who's talking, at least, we're not the servants of a fucked-up blob of Eldritch Ooze created by Malphas!

Dark Sebastian: I will make you pay for this, all of you!

Suddenly, heavenly lights shined down and Lincoln flew into the air, and his massive white angel wings and ninety-nine sets of large white angel wings underneath spread out as he absorbed the flames from our battle with Graviton in New York.

Lincoln: You only know how to make threats, and you made those threats come true using violence and hatred. All you are is nothing more than the personification of hatred, destruction, and madness rolled into one, the same goes with your cronies, and you already saw that not even the darkness of Hell will protect you from us since we've killed Aragon Cochran, Nergal Glaphyra, Maacah Necroshade, Athalia Necroshade, Ryan McCabe, Jezebel Necroshade, Windsor Grimm, Herodias Necroshade, Alex Creighton, Delilah Necroshade, Owen Thatcher, Belial Necroshade, Reagen Lestranfe, Abigor Necroshade, Quentin Hargreaves, and Damon Necroshade.

Me: That's right, you have nowhere to run, you pieces of shit.

Nico: And nowhere to hide.

Lincoln: That's for sure. Now, slither on back to the shadows where you belong, you blood-crazed world-destroying snakes.

Buster Bunny: And don't let us catch you running loose again, or I swear, you're gonna know what real pain is!

Babs Bunny: That's right! Now, beat it, you snakes!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves let out unholy demonic screams as they turned back into black streams of darkness and flew back into the darkness swearing revenge on us!

Me and Nico: (FLIPS BOTH MIDDLE FINGERS AT THEM) Yeah, fuck you too! You better run, you fucking snakes!

Red Ghost: Graviton put up a good fight.

Bizarro: No, he didn't.

Enchantress: He'll be a good recruit.

Me: He sure will and that was fun.

Black Manta: What now?

Killer Croc: Any pizza left?

Nico: I ordered a bunch for us.

He unsealed pizzas.

Killer Croc: All right!

Nico: Great job today everyone!

Me: Yeah! And tomorrow is Pipp's big day.

Pipp Petals: Oh my glitter! I'm so excited for this and this is gonna be the best fun ever!

Me: It sure will be!

Derpy Hooves: Yeah it will!

Qin: Yeah!

Soarin: We're really excited for this!

Rainbow Dash: YEAH! (To the viewers) We're ready for some awesome fun tomorrow!

Me: Yep. We sure are!

We had more pizza and went back home.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we took down Graviton and sent him to Vypra, and we took down Evil Spoiled Rich and sent her to prison, and we got rid of Emperor Bogo, and we also got rid of Quentin Hargreaves and Damon Necroshade and pissed Dark Sebastian and the rest of those snakes off big time. But, thanks to those snakes, now we got to also get rid of Malphas himself, and now, tomorrow is Pipp Petals, Derpy Hooves, and Anita's big day. But, we'll be keeping an eye out for those snakes and Malphas himself on that day too.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan went up to Lincoln.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of

The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan and the others.

Lincoln: (Seductive Voice) (Smirks) You said a mouthful.

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile in Japan the Minato Brothers we getting ready for our arrival.

Isami Minato: We are really looking forward to this one.

Katsumi Minato: We sure are. Team Loud Phoenix Storm is gonna be awesome!

Isami Minato: Yeah! Lets do it!

They transformed and went at the screen and it froze!

TO BE CONTINUED!

Another awesome chapter done.

Graviton Put up a good fight.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to the Royal Palace of Versailles in France, specifically The Hall of Mirrors, but we're here for two tasks: the first is resurrecting the first group of Universe 666 Nico's victims: the Universe 666 versions of Ace Bunny, Lexi Bunny, Tech E. Coyote, Danger Duck, Rev Runner, and Zadavia. They were the first of Universe 666 Nico's many victims because they saw that he was a monster and what he did to Universe 666 J.D. crossed the line. In fact, they tried to reach out to us, but they were killed by that fucking snake and he threw their bodies into a volcano. Now, we're going to resurrect the Universe 666 Loonatics and help them recover from the trauma of their brutal deaths at that snake's hands. Then, for the second task, we're going to kill Brenda Dennehy, a psychopathic, cruel, calculating, selfish, manipulative serial killer driven by a sadistic lust for blood, and no, she has no relation to British serial killer Joanna Dennehy, but the murders that Brenda committed were very familiar to Joanna Dennehy's crimes in England, and long ago, that cruel, selfish, bloodthirsty bitch swore to kill Lincoln to slake her lust for blood. Well, we're not going to stand for that, we're going to end that cruel, calculating, selfish, bloodthirsty, psychopathic bitch and send her straight to The Black Abyss.

And we're going to meet the first of the Avatars and Gene-Slammers of the Nordic Duel Monsters, her name is Astrid Michelsen, Avatar and Gene-Slammer of Fenrir the Nordic Wolf, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and a she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir. Astrid Michelsen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Astrid Michelsen moved to where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: a psychopathic thrill killer named Brenda Dennehy, she's a cruel, calculating, selfish, manipulative serial killer driven by a sadistic lust for blood, and no, she has no relation to British serial killer Joanna Dennehy, but the murders that Brenda committed were very familiar to Joanna Dennehy's crimes in England. Astrid Michelsen swore to kill Brenda Dennehy when she got the word that cruel, selfish, bloodthirsty bitch swore to kill Lincoln to slake her lust for blood, and she also swore to tear her apart with the fangs of Fenrir.

FIRE AND WATER ULTRAMAN VS EVIL

BUCKLE YOUR SEATBELTS EVERYONE! THIS IS GONNA BE AWESOME!

This chapter is based on Ultraman R/B

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to a jungle planet known as Tenochtitlanoia, but as he was flying, he sensed a dark energy there, and when he used his cyborg eyes, he saw who it was that radiated that dark energy, it was Queen Bansheera! Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: I just had a dream, and we got big trouble.

Lincoln explained everything, and when he was done, his harem were horrified.

Nicholette Torrington: I can't believe it, Queen Bansheera's on the planet of Tenochtitlanoia! That witch!

Jackie Wren: We're telling Vypra and the other demons about this!

Bertha Sellington: Fire Cobra Eclipse is also gonna hear about this, you know she's Vypra's daughter and she wants revenge on that witch for what she did to her mother.

Laniya Guillermo: That's for sure. She hates that monster for what she did to Vypra, and she's gonna make her pay.

Lincoln: As much as I want to kill her and send her to The Black Abyss, we're gonna relent, we'll just send her to The Warp until Carter's big day.

Silvia Excelsior: Good idea.

Zennia Nikolaevna: (Russian Accent) That's perfect. Ooh, and you should also use some of your Lovecraftian powers on that witch when we go to Tenochtitlanoia, Lincoln.

Lincoln: That's just what I was planning, Zennia.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Sunset Shimmer woke up and Dialga staring at her

Dialga: Morning Sunset.

Sunset Shimmer: (Still half asleep) Five more minutes Princess Celestia. I don't wanna go to magic school. (SNORING)

Diagla: She's still asleep.

Applejack came in and yanked the blankets off.

Applejack: Rise and shine Sunset! Come on lazy bones. Time for your day today along with Pipp, Derpy and Anita.

Sunset Shimmer: (GASP) Oh right! I forgot that was today.

She went and got dressed and went to the table.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to a jungle planet known as Tenochtitlanoia.

Then, after Lincoln explained everything, we were pissed.

Nico: I don't believe it! Queen Bansheera's there!

Me: That witch, she just doesn't know when to quit!

Fire Cobra Eclipse: So, she's finally shown up! Now, I will kill her and avenge my mother!

Carter Greyson: Wait. We don't want to banish her just yet to The Black Abyss, that'll be on my day to shine.

Lincoln: Right, Carter. We're gonna banish her to The Warp instead, but we are going to kill her again, so feel free to run wild on her.

Suddenly, Vypra and the other demons showed up.

Vypra: Lincoln, is what you said true? Is Queen Bansheera...?

Lincoln: Yep, she's back, and she's on a jungle planet known as Tenochtitlanoia.

Diabolico: I always knew she'd be back. But, we'll hold off on sending her to The Black Abyss.

Nicholette Torrington: Just like what we discussed last night, we'll send Queen Bansheera straight to The Warp until Carter's big day, but we are going to kill her again. But, I also have a feeling this also means Prince Olympius is also back as well.

Jackie Wren: He is the son of Queen Bansheera and part of the five bastards who tried to kill Lincoln long ago and framed Lynn.

Lincoln: I'll have something saved for that spoiled brat, and just like what we did to Ivan Ooze's men, I'm going to use some Lovecraftian attacks on Bansheera's men, and I'll even use The Lovecraftian Curses on her.

Loki: That's perfect, that banshee's gonna be in for one nasty surprise.

Clara St. Clarice: You said it. That old banshee's going to get it big time.

Fire Cobra Eclipse: Did you say The Lovecraftian Curses?

Lincoln got out The Tome of Lovecraftian Magic from his 28th Century Backpack. When Fire Cobra Eclipse saw, she freaked out!

Fire Cobra Eclipse: And J.D. said you'd gotten The Tome of Lovecraftian Magic and studied all its dark magic and harnessed its vast dark powers and immense dark magic, and you became a master of all Lovecraftian Magic and The Lovecraftian curses.

Lincoln: Not only did I become a master of all Lovecraftian magic and the Lovecraftian Curses, but by accident, I'd gained all the vast powers of The Outer Gods in Lovecraft's many works: Godly powers, Madness inducement, Dimensional travel, Space travel, Ability to unleash or influence all forms of cataclysm at their command, Pure immortality, Cosmic influence, Essokinesis/reality warping, Chronokinesis/time warping, Spatiokinesis/space warping, Omnipotence, limitless strength, illusion creating, regeneration, chaos manipulation and the powers of chaos, Precognition, Matter manipulation, Elemental manipulation, Invulnerability along with invincibility, and many other powers of the Outer Gods individually, along with the vast powers of all the Great Old Ones in Lovecraft's works: Godly powers, Madness induction, Unpredictability, Cosmic influence and manipulation, Various methods of manifestation, Immortality, Ability to unleash cataclysm, dream manipulation, telepathy, elemental manipulation, various forms of dark forbidden magic, and many other powers of the Great Old Ones individually.

Fire Cobra Eclipse's jaw fell to the floor!

CLANG!

Eli closed her jaw!

Fire Cobra Eclipse: Sweet cisterns of The Underworld! That alone would freak any demon out!

Me: It did freak Ivan Ooze out.

Lincoln: And I'm about to do the same to Queen Bansheera.

Suddenly, The Life Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Justice and the Element of Harmony for Fluttershy started glowing.

Crash Bandicoot: The Life symbol's glowing, this means, you're up next, Princess Fluttershy.

Fluttershy: Wonderful.

Lincoln: I knew my dream wasn't a coincidence, it foretold that you're next, Fluttershy. Alright, let's finish up breakfast and head on out to Tenochtitlanoia and take down Queen Bansheera.

Nico: That banshee's gonna get big time!

We finished our breakfast, and we headed out to Tenochtitlanoia to help Fluttershy unlock her Rainbow Power and send Queen Bansheera to The Warp.

Me: Wow! So this is the planet Tenochtitlanoia.

Nico: It's amazing!

Qin: What a Jungle Planet.

Laney: It sure is cool.

Lola: I'll say!

Daring Do: Perfect for an amazing adventurer like me.

Nicole: Same here.

Nico: Yeah.

Ice Man: I'm ready for some fun and action.

Nico: Me too. Ice Man I want to thank you, Chill Penguin and your teams for coming.

Ice Man: Anytime Nico. Me and Chill Penguin could use a break from the Iceberg Lounge for this.

Me: Awesome!

Maureen Connor: I'm excited for this too!

Nico: Maureen, how's your new life treating you?

Maureen: Much better than being on the streets. I'm just so happy I have lots of great people that care about me.

Me: We are too Maureen.

Ymir: What happened to Maureen?

Me: Well back when she was young her mother died and her stepfather wanted nothing to do with her. She ran away and ended up on the street. But also she became a Bang Baby and got ice powers. She was exposed to an Experimental Biohazardous Mutagenic Gas and it made her a Bang Baby.

Maria: That's what I was. There were so many of us that got our powers from that gas. I got water powers and it turned me into pure water.

Carol: It's true and it was intense.

Ymir: Oh man! That's awful! I'm sorry Maureen.

Maureen: It's okay. My mom is proud of me with how far I have come.

Killer Frost: That's also how you guys met me

Me: We remember. And another time we helped Maureen was also when we battled Mother Mae Eye.

Nico: I remember that.

Starfire: She was a nasty one.

Laney: Yeah.

Mary Knudson: Mother Mae Eye makes REALLY AWESOME pies though.

Nico: (LAUGHS) Yeah she sure does.

Maureen: Yeah that was awesome.

Ymir: Yeah. Also I feel bad for all those that live on the streets like that. They lost everything.

Me: I know. It's so unfair.

Nico: We're doing our best to help them

Me: Yep.

Ymir: Awesome.

Me: Yeah. WOW! Yesterday was awesome!

Laney: Graviton put up an amazing fight!

Lana: The Prime Universe version of Graviton.

Nico: Not every day we fight a gravity villain.

Me: Must be because it's a rare superpower to see. Gravity Power Heroes and Villains are pretty much uncommon.

Leni: He is totes right on that.

Camie: Yeah.

Qin: I agree.

Chill Penguin: But Graviton is an amazing force of nature too. Now we have both the Yost and Prime versions with us.

Nico: He put up a good fight.

Me: He sure did. I'm very impressed.

Nico: Yeah I agree. Also I was amazed he stood up against our gravity powers as well.

Eli: That was intense.

Naruto: I agree there and he even busted out of a Planetary Devastation technique. So powerful.

Nico: He even used his powers on several cars before we did our entrance.

Me: That was intense! But I duplicated the very same trick. Master Vegeta taught me how to use rocks and objects like that.

Nico: Very clever and cool.

Qin: Yep.

Me: And man Hikaru and Noriko's akumas were RUTHLESS AND ELECTRIFYING!

Nico: I know!

Me: Yeah! Boy they put up one helluva fight! Even numbed my hand with intense lightning.

Qin: Yeah!

Lincoln: They were no problem for us though.

Camie: That was intense!

Nico: (to Sunset) I can't believe you almost slept in

Sunset Shimmer: Sorry Nico, I have a really nasty habit of doing that.

Nico: It's okay. Besides we all know how that feels.

Me: Yeah I do. Whenever I use up intense amounts of energy I sleep in most of the day.

Eli: He's right on that.

Nico: Yeah.

Sunset Shimmer: I get that. But its been a habit for me too.

Poromon: I thought of waking you up.

Applejack: (LAUGHS) Yeah but I beat you to it Poromon.

Me: Now now guys it's not a contest. Besides we all have our habits and we just got to accept them.

Lincoln: Yeah.

Poromon: I know.

Lincoln: Okay, guys, we're here for one awesome battle, we're here on Tenochtitlanoia and we're here to help Fluttershy unlock her Rainbow Power, and we're here to battle not only Queen Bansheera, but also, Ghost Vypra.

WE GASPED!

Vypra: Oh right, I remembered that I was a ghost and it was during the time I teamed up with one of The Time Force Rangers' enemies.

Me: I remember that too. That was so epic!

Nico: Uh oh, looks like we got double trouble.

Lincoln: Not exactly, Nico. If we show Ghost Vypra what Bansheera did to her, her memories will return and once that happens...,

Nico: (GASPS) Once that happens, that banshee's done for. Perfect!

Me: Also this is gonna be an awesome warmup for Carter's day. It'll help get him and us ready for her.

Nico: Yep. We've been on a roll with warmups for the Rangers enemies.

Qin: Yeah.

Suddenly, Lincoln had a premonition as his large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a one-way viewing mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent another massive 12'6" werewolf and massive pack of 12'6" massive werewolves after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another massive 12'6" werewolf and massive pack of 12'6" massive werewolves after us?!

Nico: And there's no doubt Dark Sebastian's there too. Remember the stunt he forced Sebastian to pull when we were in The Water Sensei Realm?

May: None of us forgot.

Lincoln: Same here. But, I'm gonna enjoy pissing that snake off by absorbing the next werewolf and its pack and drain all their souls and send them to The Black Abyss. Now, let's get going.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and

eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Ghost Vypra and Queen Bansheera) AHA! Gotcha! I just spotted Ghost Vypra and Queen Bansheera, they're 20 yards away. (Sensed Dark Sebastian) And Dark Sebastian's also there too, and it looks like he's planning to kill them and offer their souls to Malphas!

Nico: Damn that snake! Let's drive him away!

Dahlia Fluttershy: And get rid of Queen Bansheera and send her to The Warp.

Yugi heard a Pokemon Cry.

Yugi: Look guys!

We saw a Sigilyph.

Me: A Sigilyph! Wow!

Pharaoh Atem: That is perfect for you Yugi.

Eli: I agree there father.

Sigilyph: Yes that is cool.

Yugi gave it apples and she ate them.

Sigilyph: Thank you.

She was hungry.

Yugi: Want to come with us?

Sigilyph: I would be honored.

Me: Cool!

Eli: (Senses something) Uh oh! Incoming!

I sensed something and blocked a huge kick and saw that it was from a BLAZIKEN!

Me: WHOA! A Blaziken!

It jumped back and landed!

Me: WHOA! This one is a fast one!

Nico: How'd that get here?

Me: No idea but it must be one of Dark Gale's work.

Kimiko: I have a feeling I know who it is.

She used telepathy and gasped!

Kimiko: It's my sister Lillian!

WE GASPED!

Ceska: I knew it had to be Lillian!

Me: Whoa! We better help her!

We went to face her.

Kimiko: Lillian it's okay! It's me Kimiko!

Her response? She used Blaze Kick on Horsea!

KROW!

She got sent flying into a tree!

SMASH!

Maria: HORSEA!

Horsea: OW!

BLANG! BLANG BLANG BLANG BLANG BLANG!

She got hit on the head with 6 coconuts!

BIRDS CHIRPING!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 6 COCONUTS!

Nico: OUCH!

Horsea: OWWW! Patrick that guy was me!

Patrick: Oh sorry.

Horsea: WHY YOU LITTLE!?

Me: Okay then!

Kimiko: ECLIPSE FIRESPIN! FIRE!

She spun around and fired a barrage of fireballs and blasted Blaziken down!

Me: PHOENIX FLAMEWING BLAST! STARS!

I fired waves of stars and blasted her. Then I snapped my fingers and she reverted back and was a girl with red hair and red eyes and had the Xiaolin Dragon with the fire kanji on her forehead and had fire angel wings and had Blaziken on her arm.

We wrapped her in a blanket and brought her over.

Me: WHOA! That was a tough one.

Lana: Here Horsea.

Lana formed a block of ice and put it on her head.

Horsea: Thanks Lana.

BONK!

I got hit with a coconut!

Me: OW!

Patrick: DAHAHAHA! That guy got hit in the head with a coconut!

Me: Hey what's the big idea!?

CRASH!

Derpy crashed into a tree and it hurled a coconut and I caught it!

Derpy Hooves: Sorry!

Lincoln brought her back.

Me: Derpy you gotta watch where you're flying there.

Lillian woke up to see Horsea's stern gaze.

Lillian Tohomiko: What? Huh a Horsea? Whoa what happened to your head?

Horsea: YOU SENT ME CRASHING INTO A TREE AND I GOT HIT BY SIX COCONUTS! I OUGHTA SMASH YOUR TEETH IN!

Dawn: Piplup knows how you feel, Horsea.

Horsea: Really?

Dawn: Yeah he was fighting another Piplup and Gible fired a Draco Meteor and bashed him and I was able to tell.

Me: Ouch.

Lillian Tohomiko: That had to hurt. Sorry about that.

Kimiko; But you are back.

Lillian Tohomiko: Kimiko!

She hugged her.

Kimiko: Good to have you back.

Lillian Tohomiko: Same here.

Dawn: And that was a running gag too!

Me: OUCH! I hope Piplup didn't get hit with brain damage from that.

Dawn: Don't worry he's tough.

Me: Good. Also Lillian you were turned into a Blaziken by Dark Gale.

Lillian Tohomiko: (GASP) I remember!

She was in a red suit and injected and in a burst of flames she turned into Blaziken and she beat up all the Dark Gale members and flew out.

FLASHBACK ENDS

Lillian Tohomiko: It was awful.

Me: I know. But Dark Gale was destroyed.

Lillian Tohomiko: I'm glad. I work as the Infernomancer of the team for Sonya. I use intense fire to burn our enemies. Outside the team I teach all about the moves I have in the martial arts.

Kimiko: Lillian also is the one that taught me all about my fashion sense.

Me: Cool!

Nico: Are you okay now, Horsea?

Horsea: Yeah I'll be fine.

POW!

She punched me in the face!

Me: OW! Horsea what was that for?

Horsea: Sorry. Just mad that i'm getting hit all the time.

Kimiko: Oh boy.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave Lillian new red clothes, a fire sword and she had the Eye of Dashi around her neck.

Lillian Tohomiko: I look awesome!

Horsea: (to Manaphy) When is your cloning machine getting done?

Manaphy: Already done!

She pulled out an exact replica of Jimmy Neutron's Cloning machine. But it was blue and aqua blue.

Manaphy: I based it off of Jimmy Neutron's Cloning Machine

Horsea: Just need to endure several more of getting hit before testing it out.

Manaphy: Okay.

Me: Now we got a mission here.

We then took off into the air to help Fluttershy unlock her Rainbow Power and send Ghost Vypra to The M.O.E., send Queen Bansheera to The Warp, and drive Dark Sebastian away.

We were flying in the air, and we saw our targets: Ghost Vypra and Queen Bansheera, and they were fighting that demonic insane psychopath, Dark Sebastian.

Lincoln: There they are.

Crash Bandicoot: Time for our grand entrance, and this is one you'll love, Fluttershy.

Suddenly, Crash Bandicoot's emerald green eyes glowed, and out of nowhere, a massive beautiful garden appeared out of nowhere along with a colorful kaleidoscope of butterflies, and then, all of the animals of the animal kingdom came out and viciously mauled Queen Bansheera and Dark Sebastian and even tackled Ghost Vypra.

Me: Whoa, awesome.

Fluttershy: Goodness.

Lincoln: Now, comes the fun part.

Queen Bansheera: Who did this?! WHO?! TEAM LOUD PHOENIX STORM, GET OUT HERE! I KNOW YOU ARE BEHIND THIS!

Suddenly, the spirits of all the animals and insects of the world appeared and they fired at Queen Bansheera and Dark Sebastian, and then, the spirits converged on Queen Bansheera as angels and Archangels of Heaven appeared as they drew their swords and pointed them at her.

Archangel: Queen Bansheera, Queen of The Demons, you have been found guilty for the multitude of crimes that you have committed against mankind for millennia, the spirits of the humans whom you have killed that cried out for mercy, you showed no mercy to them at all nor to your own subordinates, and that is truly unforgiveable.

Then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared.

Lincoln: And as such, you are hereby sentenced to death!

THEN, SHE SCREAMED!

Nico: That was a nice touch adding Angels and Archangels to the nature-themed entrance, Lincoln.

Fluttershy: That was truly amazing!

Lincoln: Thanks.

Dark Sebastian: NO! NO! DAMN IT! I WAS SO CLOSE TO GETTING OF THAT BANSHEE AND THAT COBRA GHOST! DAMN YOU ALL!

I GAVE DARK SEBASTIAN THE MIDDLE FINGER, AND DARK SEBASTIAN WENT BALLISTIC!

Queen Bansheera: So, all of you are here, including you and the others, Vypra! Now, I can get rid of all of you at long last! BATLINGS, ATTACK!

Ghost Vypra: DEMON WARRIORS, ATTACK!

Suddenly, a massive army of Batlings and Demon Warriors arose and they went at us, but Lincoln formed black energy balls with writhing tentacles around them and purple eldritch runes and eyes around them from his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings and he fired them at the Batling and Demon Warrior armies, and then, the black energy balls hit the Batling and Demon Warrior armies, and they had their life energy sucked out of them and they flowed into Lincoln as he grew even stronger than ever, and they dissolved into dust.

Suddenly, Queen Bansheera saw that, and she freaked out!

Queen Bansheera: N-no! It...it can't be...! How is that even...?!

Lincoln then revealed The Dark Tome of Lovecraftian Magic.

Queen Bansheera: (GASPS) No, it can't be...! The Dark Tome of Lovecraftian Magic!

Lincoln: That's right. (Puts The Tome back into his backpack) My Guardian Angels found this dark tome in The

Tombs of Heresy and they gave it to me, and I studied all its dark magic and harnessed its vast dark powers and dark magic and didn't get driven mad, and as a result, I not only became a master of all Lovecraftian magic and the Lovecraftian Curses, but I'd also accidentally gained all the vast powers of The Outer Gods: Godly powers, Madness inducement, Dimensional travel, Space travel, Ability to unleash or influence all forms of cataclysm at their command, Pure immortality, Cosmic influence, Essokinesis/reality warping, Chronokinesis/time warping, Spatiokinesis/space warping, Omnipotence, limitless strength, illusion creating, regeneration, chaos manipulation and the powers of chaos, Precognition, Matter manipulation, Elemental manipulation, Invulnerability along with invincibility, and many other powers of the Outer Gods individually, along with the vast powers of all the Great Old Ones: Godly powers, Madness induction, Unpredictability, Cosmic influence and manipulation, Various methods of manifestation, Immortality, Ability to unleash cataclysm, dream manipulation, telepathy, elemental manipulation, various forms of dark forbidden magic, and many other powers of the Great Old Ones individually.

QUEEN BANSHEERA WAS HORRIFIED!

Queen Bansheera: Impossible...! No human can withstand the dark Lovecraftian Magic of the Tome itself, many were driven mad!

Diabolico: Lincoln withstood the dark Lovecraftian Magic and he harnessed and tamed its vast dark powers, Bansheera: the first human to do so.

Lincoln: Diabolico's right. (Smirks) And I'm also not human, it's true I'm a God among men, but I'm also a True Alpha Werewolf-Vampire Hybrid with the incredible powers of both of them along with the blood of many mythical creatures flowing in my veins, and that also includes the blood of devils and demons from the depths of Hell whom I'd slain.

Lincoln manifested a writhing mass of black tentacles from the ground and they attacked Queen Bansheera with undeniable fury and they also latched onto more Batlings and Demon Warriors and sucked the vitality and life out of them which also flowed into Lincoln making him even stronger than ever.

Ghost Vypra tried to attack, but Vypra stopped her by clashing with her.

Lincoln: I remembered that when you came back from the dead, you lost most of your redeeming qualities and became very cold and distant.

Vypra: The only way to return them is to expose the truth to her.

Lincoln: Already on it.

Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window, and Ghost Vypra saw everything: she saw what Queen Bansheera did to her along with all the pain she'd dealt unto her along with killing her when she was being absorbed into her.

Suddenly, we began to see it for ourselves: Ghost Vypra's eyes began to change from ghostly pale blue back to their original color and her memories returned as the viewing window closed.

Fire Cobra Eclipse: It's working.

Ghost Vypra: I...I remember everything now. (Points her sword at Queen Bansheera) You did this to me, Bansheera! You're gonna pay for this act of betrayal, you fucking bitch!

Vypra: Now, you're gonna get it, you banshee. My ghost self has got her memories back, and you're in big trouble now!

Lincoln: Now, to give you a taste of your own medicine.

Lincoln suddenly spoke in an Eldritch tone, and he summoned armies of Star Spawn of Cthulhu and they attacked Queen Bansheera.

Me: What the?! Were those...!?

Vypra: The Star Spawn of Cthulhu. And I'd recognize that power, that's The Forbidden Tongue of The Outer Gods and Great Old Ones, he can summon armies of other creatures from Lovecraftian lore by speaking in an Eldritch tone and utter other Lovecraftian Curses into the ears of mortals and drive them mad!

WE GASPED!

Brittney: (GASPS) Oh man! That's proof Lincoln has the powers of Heaven and Hell in his arsenal!

I teleported and went at Bansheera and kicked her in her face!

Me: You had this coming for a long time Bansheera!

Then a figure crashed into the ground and it was Zexion but with a silver aura!

Me: What the?

Then out came the next member of the Daughters of Organization XIII!

Lincoln: Zahlia Ienzo Zexion! Wow!

Zahlia Ienzo Zexion: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Zahlia Ienzo Zexion, Daughter of Zexion, she's Lincoln's Guardian Angel from The World That Never Was, she's a powerful master of the forces of illusions, and she's known as The Illusionary Master of The Daughters of Organization XIII, they are the daughters of the members of Organization XIII and they have elemental angel wings and black clothes and the weapons of

Organization XIII and the kanjis of the elements on their foreheads, and Aniya and her friends absolutely loathe Xehanort with a bloodstained vengeance. She came to Royal Woods where she met Lincoln and swore to protect him from all threats and it not only included Dark Chase Young, but also, Xehanort as well, because Lincoln also had a hand in killing the evil Xehanort. She trained Lincoln in mastering the forces of illusions, and in a split second, he mastered the powers of illusions, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Flip with a passion.

Me: WHOA! Awesome to meet you.

Zahlia Ienzo Zexion: Same here. Lucy care to help me?

Lucy Loud: I would be honored.

(CRACKS KNUCKLES) Time to pay!

Crash Bandicoot went after Queen Bansheera, and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels which hit Queen Bansheera and exploded with such incredible power as they hit her, and he slashed at her with his massive greatsword leaving scars on her. Then, he struck her with some hard punches and kicks, and he even used some wrestling moves on her, and she was pretty beaten up and banged up bad.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of Queen Bansheera's Batlings, and he began absorbing them and he assimilated their powers, strength, and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the Batlings and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Queen Bansheera: DAMN IT!

You're not gonna stand and fight? Or are you still going to find a way to run away from us?

Suddenly, Queen Bansheera rushed at us, but Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into Queen Bansheera's chest and he sucked out and assimilated Queen Bansheera's Flight, Resurrection Empowerment, The Star Power, Teleportation, Tidal Wave, Lightning Bolt, Projection, Tractor Beam, Life Energy Absorption, Transformation, Self Growth, Shrinking, Teleportation, Teleport Cast, Sonic Scream, Telepathic Communication, Telekinesis, Power Removal, Flame Aura, Lightning Blast, Wind Gust, Electrocution Touch, Tractor Beam, Lightning Beam Formation, Darkness, Quenching, Levitation, Invisible Force, Energy Lasers, Durability, Demon

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, Queen Bansheera was weakened to an extreme degree and he tossed her into a tree and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Inside a rainbow sphere with intense flames, fire, and elemental forces, Fluttershy then underwent an intense and amazing transformation! Fluttershy had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and skirt and she also gained intense flame and butterfly and leaf patterns on her forearms, she also got cyan blue, teal, and purple lines on her hair and tail. She then had her Cutie Mark change into many butterflies and her massive yellow angel wings and twelve sets of large yellow angel wings underneath her massive yellow angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! HER INNER KINDNESS! THE RAINBOW BUTTERFLY OF KINDNESS!

EVERYONE GASPED!

Nico: WHOA! WHAT POWER!

Me: SHE DID IT! FLUTTERSHY'S UNLOCKED HER INNER RAINBOW MAGIC!

Twilight Sparkle: THAT'S AMAZING!

Daffodil Bloom and Bluebell: WAY TO GO, SIS!

Lilja: (Icelandic Accent) You did it, Mom!

Fluttershy: Now to show you how wrong your cruelty really is, Queen Bansheera!

She fired rainbow butterflies and blasted Queen Bansheera all over the place!

Laval charged at her and blasted Bansheera with energy and chi and blasted her.

Laval and Fluttershy: KINDNESS NATURE BLAST!

They fired energy blasts and blasted her all over.

Lincoln: Time for the big guns.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and we saw a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar.

Lincoln: (Cracks Knuckles and neck) (Smirks) This is gonna hurt!

Lincoln went at Queen Bansheera and he brutally smashed her all over the place with his massive godly superhuman strength. Then, he punched her hard in the stomach and kicked her in the stomach and sent her flying into a wall, she got back up.

Me: Great job, Lincoln! That'll teach her!

Nico: Still as brutal as ever.

Suddenly, we heard more vampiric shrieks, and we saw more vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Suddenly, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by an icy blue mist. Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a massive 12'6" werewolf that was summoned by Dark Sebastian and his minions, and with it was a massive pack of 12'6" massive werewolves.

Lincoln: Ugh, I knew Dark Sebastian would summon them. I'll take care of them at once.

Lincoln went after the massive 12'6" werewolf and its' massive pack of 12'6" massive werewolves, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" werewolf and its' massive pack of 12'6" massive werewolves, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the werewolves' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Seeing what happened to the werewolves had royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Michael Ondrushko, and Quentin Hargreaves!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, Dahlia Fluttershy, Fiona Fluttershy, Eartha Callisto, Cassie Excelsion, Anna Medina, Francine Mean Fluttershy, Daffodil Bloom, Lilja, Felicia Fluttermad, Vypra, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked Queen Bansheera hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Queen Bansheera even angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Queen Bansheera, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Queen Bansheera, and a cluster of rainbow, white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and Me: NOW, DIE AND GO TO HELL!

Lincoln, Nico, and I did one final powerful energy slash that hit Queen Bansheera hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Queen Bansheera was on her last legs and she was really really mangled.

Lincoln nodded and he ran at Queen Bansheera, and...!

SLASH!

LINCOLN SWUNG HIS MASSIVE GREATSWORD AND SLAIN QUEEN BANSHEERA AND SHE THEN EXPLODED AND WAS SENT TO THE WARP, AND ONCE SHE WAS IN THE WARP, THE CHAINS OF IMPRISONMENT'S SECOND EFFECT KICKED IN AS ROYAL BLUE SPIRIT CHAINS APPEARED AND CHAINED QUEEN BANSHEERA UP!

We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, one-hundred massive and long pink wolf tails and longer Fluttershy tails, large gold halos with four large orbiting gold rings on each corner behind the heads and large gold Yata no Kagami mirrors with gold flower-shaped frame and embedded gems behind the large gold halos and four large gold Yata no Kagami mirrors with gold flower-shaped frames and embedded gems behind the four large orbiting gold rings, one-hundred large green and pink and yellow planets orbiting around the legs, one-hundred smaller green and pink and yellow planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized ocean blue and purple planets orbiting around the wrists and ankles, and massive green and pink angel wings and pink and green demon wings and massive blue colored and silver outlined dragon wings and ninety-nine sets of large green and pink angel wings and pink and green demon wings and massive blue colored and silver outlined dragon wings underneath the massive green and pink angel wings and pink and green demon wings and massive blue colored and silver outlined dragon wings of Dahlia Fluttershy, Fiona Fluttershy, Eartha Callisto, Cassie Excelsion, Anna Medina, Francine Mean Fluttershy, Daffodil Bloom, Lilja, Felicia Fluttermad, and Vypra are permanent.

Fluttershy: We did it, we banished Queen Bansheera to The Warp.

Carter: And on my big day, we'll finish her off forever and send her to The Black Abyss.

Vypra: I'm looking forward to that day.

Fire Cobra Eclipse: Same here, Mother.

Caleb Maxwell: She won't try to escape, will she?

Emily: She won't. The Chains of Imprisonment's second effect activated once she was in The Warp, and now, she won't be able to get out until Carter's big day.

Sakura Avalon: That was really incredible. But, the cards you and your friends have gotten have more powers as well along with other surprises, Emily. Maybe, you can use them in combination with the Elemental Beast Cards of Myth that Lincoln has.

Lincoln: Like how you're able to use two of the Clow Cards in combinations.

Me: Wait, you were able to...?

Keroberos: Yes, that's correct. Sakura can use two Clow Cards in a combination, and so can you, J.D., but you have to find the right cards to use for a more effective attack.

Lincoln: Same with me with The Elemental Beast Cards of Myth and the Elemental Cards I made after absorbing those Elementals Dark Sebastian sent after us a month ago.

Me: WOW! That is cool!

Qin: I'll say!

Chad Lee: (to Carter) If Vypra had shown that much fury in the old days, we would've been slaughtered

Carter: No kidding! She would have killed us in an instant.

Me: Thank goodness she didn't.

Vypra: No kidding there. I was holding all my rage in for when we faced Bansheera again.

Me: And all that rage finally exploded out. This proved to be a good warmup for us.

Nico: It sure did.

Qin: I'll say!

Sigilyph: I agree there!

Me: Yeah. Just be glad all the rangers enemies weren't that dangerous or else blood and guts would spill EVERYWHERE.

Nico: Yeah.

Me: It would be worse than Kamen Rider Black from back in 1988.

Yusuke: Oh man! Yeah the Black Team really had it rough.

Me: They sure did Yusuke.

Nico: Nice job Sigilyph!

Sigilyph: Thanks Nico. It was fun.

Poromon: Want some beer?

Sigilyph: Oh no thank you. I get really bad gas.

Poromon: Oh. Okay.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Sigilyph: The puppy eyes don't work on me pipsqueak.

Poliwag: HEY!

Ymir: Was Kamen Rider Black that bad?

Me: I never saw that series but from what I heard it was that dark.

Nico: Yeah it was. It was that bad.

Me: Oh man! Maybe we can have them join us in the future and help them get over that terrible trauma someday.

Xenia: Good idea.

Lisa: Me and Nicole will be out later

Me: Okay.

Nicole: We are just going on patrol.

Me: All right then.

Ice Man: Okay.

Nico: Oh Ice Man, what do you like to do in your free time?

Ice Man: Well like I said earlier, me and Chill Penguin work at the Iceberg Lounge and we make drinks for customers and also make beautiful ice sculptures.

Me: Ahh you make Penguin's business more fun and awesome.

Ice Man: That's right.

Me: Awesome.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and two of them is Another Derpy Hooves and Another Pipp Petals.

Pipp Petals: Oh, this we got to see.

Derpy Hooves: Same here.

Me: Oh boy. So we got Another Chill Penguin, Hoarfrost, SCP 2863, Pikachu-Esque Extremeasaurus, Poseidon Org and Wood Carly.

Nico: Yep.

Me: WHOA! So Ice Man, Maureen Connor, Fuyu Mizu Hagakure, Allura (MLP), Varya Volfon and Cierra Cold are up.

Lola: Yeah.

Nico: THERE THEY ARE!

We saw Hoarfrost, SCP 2863, Pikachu-Esque Extremeasaurus, Poseidon Org and Wood Carly.

Nico: WHOA!

Qin: This will be awesome.

Another Hoarfrost: (In a girls voice) It sure will

Me: (GASP) That voice!

She reverted back and was the Embodiment of Pleiades!

Me: (GASP) Electra Pleiades!

Electra Pleiades: Good to see you J.D.

Me: You too. Electra is the Embodiment of the Pleiades Dopant and she has all the powers of the Seven Sisters of the Pleiades.

Camie: WOW!

Nicole: That's my favorite group of stars in the constellation of Taurus the Bull.

Me: And you can easily see them in the night sky.

Electra Pleiades: That's right.

Me: By the way are the Another Chill Penguin, Pipp Petals and Derpy Hooves friendly or hostile?

Electra Pleiades: Friendly and they are awesome.

Me: Cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: Time for backup! (TURNS DIAL) DARKNESS CHEESE FORCE!

She summoned Grayroad of Pacifism, Cheese Ninjas, Universe 666 Mozenrath, Pajiramon, Kamen Rider XGeats and Number 14: Greedy Sarameya!

Nico: Can you sense Another Sunset Shimmer?

Lincoln: Lets see.

He sensed for anything.

Lincoln: Yes there is!

Eli: And this one is friendly too.

Me: Good.

Nico: All we can do now is wait.

Me: Yeah.

We nodded.

Nico: I don't think we have to wait for long.

Me: No we don't!

We saw Another Chill Penguin and Pipp Petals and Sunset Shimmer! But then we saw another Derpy coming!

Me: DIVE ASIDE!

We dove aside and then...

CRASH!

She crashed into a tree and then...

BLANG! BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG!

She got hit on her head with 10 coconuts!

Patrick: DAHAHAHA! That guy got hit in the head with 10 coconuts!

Me: OUCH! That had to hurt!

KRABBBBBBBBBOOOOOOOOOOOOOOMMMMMM!

SHE EXPLODED!

I caught the ridewatch and purified it!

We saw who it was and it was a blue hair version of Derpy and she had blue eyes spinning around and had grey wings.

Derpy Hooves: (GASP) Muffins Bubbles!

She went and hugged her.

Me: Okay that was funny! She crashed into a tree and it did the rest.

Nico: Must be her sister.

Derpy Hooves: She is my sister.

Me: Ouch. She's going to be feeling that one.

We then smelled something good and then we saw a beautiful cake.

Me: Oh wow! What a cake!

I smelled it.

Me: (SNIFFS) Oh boy! Vanilla Caramel Cookies and Cream!

Nico: Lots of coconuts today.

Me: No kidding!

Nico: (DROOLS) Wow!

Another Chill Penguin: (In a girls voice) Like the cake I made for you?

Me: (GASP) That voice.

She reverted back and it was the Embodiment of Cake.

Me: Sylvia Cake! I knew it!

Sylvia Cake: Good to see you J.D.

Me: Same here. Sylvia is the Embodiment of the Cake Dopant and she makes over 50,000,000 kind of cakes and desserts.

Sylvia Cake: Yep and I made that cake for you guys.

I got to slicing it and we ate it.

Me: (Eating) MMM! Boy I missed this!

Nico: (EATING) Delicious!

Lola: (Eating) I'll say!

Sylvia Cake: Yeah and I also have all of Chill Penguin's powers as well.

Chill Penguin: Awesome!

Nico: And your friend?

Another Pipp: I love your hair and style J.D.

Pipp Petals: (GASP) Oh my glitter! I know that voice!

She reverted back and was a smaller version of Pipp and she had a mermaid singing cutie mark.

Pipp Petals: (GASP) Siren Zephyr!

Zipp Storm: SIREN!

They went and hugged her.

Siren Zephyr: It's good to see you girls.

Me: Another of your sisters no doubt.

Pipp Petals: Yep and she is also the legacy of Sassy Saddles.

Sassy Saddles: My legacy? That is amazing!

Me: Very awesome! And thanks for complimenting my hair. Also it was part of a trend Rarity made.

Rarity: Indeed it was.

Me: Yeah.

Another Sunset Shimmer: Sunset you are looking good.

Sunset gasped.

She reverted back and it was a smaller version of her and had a Phoenix Sun Cutie Mark.

Sunset Shimmer: (GASP) Amber Phoenix!

She went and hugged her!

Sunset Shimmer: My sister. You're doing great!

Amber Phoenix: I sure am. I love all your songs in the Rainbooms. They are awesome!

Sunset Shimmer: They sure are.

Kaito (gets out Ryuki gear): Did Swartz promise you anything?

Zocks (gets out Agito gear): Because we can grant it instead.

They got weapons of said riders.

Me: Besides preventing coconuts from hitting us?

Sylvia Cake: (LAUGH) No he didn't. I made my grossest flavor of cake ever and made him so sick that he hurled and we ran. It was Rotten Chum and Rotten Egg Squid Surprise.

Me: YUCK!

Sakura Knudson: OH SICK! AND BARF! That would be the most horrible cake ever made!

Sylvia Cake: It's actually more disgusting as it tastes than sounds. But yeah we gave that to him and he thought it was chocolate and he threw up bad and we ran.

Me: YUCK! That must've really tasted horrible!

Xenia: NO KIDDING!

Sougo (gets out Ryuki Ridewatch): You should be proud of Sunset

Rider Time! (Electronic music) Advent! Ryuki!

Geiz (gets out G3 X Ridewatch): She's come a long way.

(Right-hand Ridewatch's announcement)! Armor Time! (Hard rock music, followed by police sirens) G3-X!

Sougo got RyukiArmor while Geiz got G3XArmor

Amber Phoenix: I am proud.

Me: Awesome.

Nico: Lets separate you girls.

We did so.

Me: Lets dance.

May: (Gets out SCP 2863's ridewatch) NO BONES ABOUT IT!

Universe 666 May: (Gets out Pikachu-Esque Extremeasaurus Ridewatch) I will shock you bad!

Maria: (Gets out Poseidon Org's ridewatch) BY THE POWER OF NEPTUNE!

Maureen Connor: (Gets out Hoarfrost's ridewatcn) This is gonna be cold!

They used the powers of Chill Penguin, Hoarfrost, SCP 2863, Pikachu-Esque Extremeasaurus, Poseidon Org and

Wood Carly and blasted the Anothers!

Me: Yeah!

Then Megatron (Beast Machines), Takozo Phantom Octophant, Eagle Phantom Egounce, Filbert the Chernabog, Evil Concrete Man and Mantis Kaijin came.

Me: WHOA!

Nico: Nice team Megatron!

Megatron (Beast Machines): It sure is. Yessss.

Me: Ground Scaravich and his team next.

Ground Scaravich: Got that right.

Me: Yeah!

But then a HUGE Pile of Rubix cubes came and then a flash of light came!

Then out came Number 86: Heroic Champion - Rhongomyniad And Number 85: Crazy Box!

Me: WHOA! Number 86: Heroic Champion - Rhongomyniad And Number 85: Crazy Box!

Nico: Yeah!

Number 86: Heroic Champion - Rhongomyniad: (In a girls voice) This is gonna be fun!

Number 85: Crazy Box: (In a girls voice) I'm ready!

Nico: Kira Utopic and Pyra Pandora! Wow!

They reverted back and Kira was a girl with yellow hair, yellow eyes, clothes and wings and had Number 86: Heroic Champion - Rhongomyniad on her forehead, shirt, skirt and arm and had a yellow spear. Pyra had black hair, piercing red eyes and had black clothes and wings and had Number 85: Crazy Box on her forehead and shirt, arm and skirt and had a demonc sword.

Pyra Pandora: Good to see you Nico.

Kira Utopic: Yep we got this! 86 SPEARS OF LIGHT!

Pyra Pandora: 85 INSANE DARK BURSTS!

They fired waves of light and dark and blasted the Anothers and I caught the Ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Pyra Pandora: That was fun.

Kira Utopic: It sure was!

Maureen Connor: Do you have any good memories of Nico?

Kira Utopic: We sure do. Mine is where me and Nico went and found out more about my ancestral kingdom in Scotland and it was cool.

Me: That is awesome!

Pyra Pandora: Yep. Here's mine. When me and Nico went to an insane asylum for the criminally insane and I made their heads explode with violent convulsions and seizures that made their heads explode.

Me: GEEZ! That is brutal!

Camie: No kidding!

Nico: I know.

Nico hugged them.

Nico: I've missed you girls.

Pyra Pandora: Same here.

We went back home.

Cierra Coldare heading to the Royal Palace of Versailles in France, specifically The Hall of Mirrors, and not only is Lincoln going to rescue the two girls here, but we're here to do two tasks: the first is resurrecting the first group of Universe 666 Nico's victims: the Universe 666 versions of Ace Bunny, Lexi Bunny, Tech E. Coyote, Danger Duck, Rev Runner, and Zadavia. They were the first of Universe 666 Nico's many victims because they saw that he was a monster and what he did to Universe 666 J.D. crossed the line. In fact, they tried to reach out to us, but they were killed by that fucking snake and he threw their bodies into a volcano. Now, we're going to resurrect the Universe 666 Loonatics and help them recover from the trauma of their brutal deaths at that snake's hands.

Then, for the second task, we're going to kill Brenda Dennehy, a psychopathic, cruel, calculating, selfish, manipulative serial killer driven by a sadistic lust for blood, and no, she has no relation to British serial killer Joanna Dennehy, but the murders that Brenda committed were very familiar to Joanna Dennehy's crimes in England, and long ago, that cruel, selfish, bloodthirsty bitch swore to kill Lincoln to slake her lust for blood. Well, we're not going to stand for that, we're going to end that cruel, calculating, selfish, bloodthirsty, psychopathic bitch and send her straight to The Black Abyss.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in the Royal Palace of Versailles in France, specifically The Hall of Mirrors, and I know what we're going to do here, not only am I going to rescue the two girls here, but we're here to do two tasks: the first is resurrecting the first group of Universe 666 Nico's victims: the Universe 666 versions of Ace Bunny, Lexi Bunny, Tech E. Coyote, Danger Duck, Rev Runner, and Zadavia. They were the first of Universe 666 Nico's many victims because they saw that he was a monster and what he did to Universe 666 J.D. crossed the line.

Nico: So, those are the first of that snake's victims we're going to bring back.

Universe 666 Me: Yes, in fact, they tried to reach out to you all before Good Burns, Good Crocker, Good Evolt, and Good Luthor did so, but the Universe 666 Loonatics were killed by that fucking snake and he threw their bodies into a volcano.

WE GASPED!

Me: Oh man.

Lincoln: They tried to reach out to us, but that snake killed them. Now, we're going to resurrect the Universe 666 Loonatics and help them recover from the trauma of their brutal deaths at that snake's hands.

Ice Man: And they're right here in The Hall of Mirrors.

Lincoln: Mirrors are like portals to ghosts to come in and go out, so we need to draw them out here to the hall itself.

Li Syaoron: The only thing that'll draw them out is Universe 666 Nico, but who knows where he's at.

Lincoln: He's still hiding in the shadows, so I've got the next thing.

Lincoln made a hologram of Universe 666 Nico appear, and we hid. Suddenly, Lincoln's ghost sense went off, and we saw something come out of one of the mirrors: it was the Universe 666 versions of Ace Bunny, Lexi Bunny, Tech E. Coyote, Danger Duck, Rev Runner, and Zadavia.

Universe 666 Ace Bunny: You miserable little snake! You're gonna pay for what you did!

They went at the hologram, but it disappeared, and we came out.

Universe 666 Lexi Bunny: (GASPS) Team Loud Phoenix Storm?

Me: Yep, and there's some familiar faces you guys should see.

Then, Universe 666 Lincoln, his good sisters, parents, harem, and Guardian Angels, Universe 666 Eli, Universe 666 Nunnally, Universe 666 Me, Universe 666 Varie, and his harem, Universe 666 Clyde and his harem, Universe 666 Ets and his harem came up to them.

Universe 666 Ace Bunny: Lincoln, Leni, Luna, Laney, Lucy, Lana, Lily, J.D., Varie...?

Universe 666 Lincoln: (Smiles) It's been a long time, Ace.

They went up to the group and hugged them as we saw tears coming down the faces of the Universe 666 Loonatics.

Nico: We know there's more victims of that snake, and you guys have already been through enough pain. Lincoln, it's time to give them back their lives.

Lincoln: Already on it. (SNAPS FINGERS)

Suddenly, heavenly lights shined down on The Hall of Mirrors as an angelic choir sang, and then, The Universe 666 Loonatics were bathed in light, and finally, they were restored to life.

Universe 666 Rev Runner: We're...we're alive again?!

Universe 666 Tech E Coyote: We are.

Tech E Coyote: Still, all of you took a risk to reach out to us, it would've succeeded.

Universe 666 May: But, because of me, I got you all killed.

Nico: We found out your world's May was like that because of Prime Universe Burns poisoning her, and that snake cheated on her.

Universe 666 Ace Bunny: I knew that all along, I wanted to blow his head off.

Ace Bunny: You'll get that chance when that snake shows up. Now, what's next?

Lincoln: Now, our second task is this: we're going to kill Brenda Dennehy.

Tech E Coyote: The psychopathic, cruel, calculating, selfish, manipulative serial killer driven by a sadistic lust for blood with no relation to British serial killer Joanna Dennehy, but the murders that Brenda committed were very familiar to Joanna Dennehy's crimes in England, and long ago, the cruel, selfish, bloodthirsty bitch swore to kill you to slake her lust for blood, right?

Lincoln's Guardian Angels gasped.

Anna Anyanova: What?! I thought we drove that bitch out of Royal Woods eight years ago?

Tech E Coyote: You did, but Adrianne found out she fled from America and wound up in Versailles and for eight straight years, she'd been killing a lot of people who come here.

Luna Anderson: I felt the presence of many spirits here, and they're indeed Brenda's victims, she did this all for her own amusement and for her own sense of fun.

Me: Why, that bitch. We're not going to stand for that, we're going to put an end to that evil, cruel, calculating, selfish, bloodthirsty, psychopathic bitch and send her straight to The Black Abyss. But, wait, we need a picture of her.

Adrianne Acmetropolis took out Brenda Dennehy's photo: she was a girl with pale skin, crimson red hair, crimson red eyes full of sadism and a thirst for blood, and she was in a red prison jumpsuit.

Adrianne Acmetropolis: That's her.

Eli: Jeez, she's one nasty serial killer.

Lincoln: And a really twisted fucked-up one, Eli. (Sensed her presence) Let's go, she's at the Gardens of Versailles, and she's got another victim!

We hightailed it to The Gardens of Versailles, and just as Lincoln said, he saw a girl about to be stabbed by Brenda Dennehy who has a knife.

Me: You heartless bitch!

Lincoln: GET AWAY FROM THE GIRL, BRENDA!

Lincoln fired a wave of light that hit Brenda Dennehy and she got burned, and that allowed the girl to flee from the psychotic bitch, and that pissed her off.

Anna Anyanova: You got some fucking nerve showing your face again, blood-crazed bitch! But, then again, whenever you see an innocent person, you don't hesitate on charging at them to kill them to slake your thirst for blood.

Brenda Dennehy: YOU MOTHERFUCKING BITCH! HOW DARE YOU ALL RUIN MY FUN!

Nico: You call murdering innocent people fun?! You really are a psychopathic, cruel, calculating, selfish, manipulative bitch!

Lincoln: We thought we were rid of you after we chased you out of Royal Woods eight years ago, but now, we find out you were here in Versailles and you murdered a lot of people who came here in the past eight years. You were a real lowlife back then, and you're still the same lowlife dishing out the same kind of pain and suffering to others. That's it, we've had it with you running loose for the last time, Brenda Dennehy, we're avenging all of those lost souls here and now, and we're sending you straight to Hell.

Brenda Dennehy: YOU SHUT THE FUCK UP! I WILL FINALLY KILL YOU, LINCOLN LOUD!

SHE RAN AT LINCOLN!

Brenda Dennehy: YOU ARE FUCKING FINISHED!

POW! SQUELCH! SCREAM!

LINCOLN PUNCHED BRENDA DENNEHY RIGHT IN THE FACE AND HE YANKED OUT HER RIGHT EYEBALL AND CRUSHED IT!

Andre Lupescu fired a massive wave of snow, ice, and darkness at Brenda Dennehy and they hit her, and that pissed her off even more.

But, before Brenda Dennehy could attack, he was hit by blasts of blue energy and ice, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long red hair and ice blue flower in her hair, purple eyes, massive blue angel wings, she has a Vegvisir and Fenrir the Nordic Wolf on her forehead, right arm, ice blue sleeveless crop top, and ice blue skirt, white gloves, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Fenrir the Nordic Wolf, she has an ice greatsword in her right hand, and with her are the two girls.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Brenda Dennehy, and he proceeded to brutally smash her hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON BRENDA DENNEHY! HE WAS REALLY GOING APESHIT ON THE BITCH!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT BRENDA DENNEHY WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HER AND SHE SCREAMED IN AGONY!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen when we kill you.

Then, Andre Lupeau went after Brenda Dennehy and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit her, and Andre Lupescu slashed at her with his massive greatsword and shot at her with his silver-plated guns.

Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at her with his massive greatsword and shot her with bullets and stun blasts and

Sly Cooper whacked her hard with his new cane, same with Ricky when he hit her on the head with a swing of his staff.

Then, Skippy balanced himself on his tail and delivered a hard kick to Brenda Dennehy's stomach, and she screamed in agonizing pain.

Adrian Morrigan went after Brenda Dennehy, and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded with incredible power as they hit him. Then, he also attacked her by flashing the Strobulb in his face and blinded her, and the ring of Boos around the flashlight's head fired purple energy beams at Brenda Dennehy which hit her hard.

Lincoln continued smashing Brenda Dennehy hard with his extremely massive godly superhuman strength, and she was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering her.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he's continuing to smash Brenda Dennehy all over the place!

Qin: That bitch doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering her, now she's at the mercy of The True Alpha Vampire-Werewolf Hybrid Angel of Gotham Royal York.

Me: That's for sure.

Then, Lincoln fired blasts of elements and energy at Brenda Dennehy and she got beaten up real good and she was mangled!

Then, Andre Lupescu shot at Brenda Dennehy, then, Andre Lupescu slashed at Brenda Dennehy with his massive greatsword.

Thundersnow Ice Dragon Phoenix God Angel Hope, and Ed Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholster their massive greatswords and transformed, and we went after Brenda Dennehy and we fired blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit her.

Then, Lincoln and Astrid Michelsen fired powerful blasts of blue energy that hit Brenda Dennehy and she was frozen in a block of ice and they summoned wolves that brutally tore her apart and her spirit was sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down and we came back home to The World Tree Estate.

Lincoln: It's over, the terror of Brenda Dennehy has finally ended.

Nico: And we also resurrected more of Universe 666 Nico's victims. But, Lincoln, I knew you told us Brenda was everything you said yesterday, but damn, I didn't expect to see it in front of our eyes, she's a monster!

Me: She's an absolute monster bitch to the core.

Lincoln: She killed a lot of people in Royal Woods and that was long before you moved in, J.D.

Suddenly, we saw the spirits of those Brenda Dennehy murdered in Royal Woods and Versailles, France finally heading up into Heaven.

Eli: Did we just...?

Lincoln: Yep, we avenged the spirits of all those Brenda had murdered in Royal Woods and Versailles, now their souls can finally rest in peace. (To Astrid Michelsen) And it's so good to see you again, Astrid.

Astrid Michelsen: (Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Astrid Michelsen had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Astrid Michelsen was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Astrid Michelsen: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Astrid Michelsen's waist and hugged her, and Astrid Michelsen is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic

red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Astrid Michelsen: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Astrid Michelsen, Avatar and Gene-Slammer of Fenrir the Nordic Wolf, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and a she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir. Astrid Michelsen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Astrid Michelsen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: a psychopathic thrill killer named Brenda Dennehy, she's a cruel, calculating, selfish, manipulative serial killer driven by a sadistic lust for blood, and no, she has no relation to British serial killer Joanna Dennehy, but the murders that Brenda committed were very familiar to Joanna Dennehy's crimes in England. Astrid Michelsen swore to kill Brenda Dennehy when she got the word that cruel, selfish, bloodthirsty bitch swore to kill Lincoln to slake her lust for blood, and she also swore to tear her apart with the fangs of Fenrir.

Me: That really is impressive there's a powerful order who have the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Norse Gods, beasts, and creatures of Norse myth.

Lincoln: Yep, and they've protected a lot of people and banished a lot of psychos to Hel, the Norse version of The Underworld. I also helped out as well. (Sensed presences) You guys again?!

Suddenly, more of Guy Grazer's men came out to kill us, but Lincoln fired blasts of ice blue energy that hit the assholes and he sucked out all their body heat and sent their souls to Hel, the Norse version of The Underworld.

Me: (Whistles)

Nico: Dang, that's brutal!

Lincoln: Yep, that's how I also helped them out by blasting the thugs their main targets hired and sucked out their body heat and sent them to Hel for eternal torture, and now that you're here, Astrid.

Lincoln with his massive muscular arms still wrapped around Astrid Michelsen's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Astrid Michelsen: (Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Astrid Michelsen with red gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Astrid Michelsen: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Astrid Michelsen.

Astrid Michelsen had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Astrid Michelsen's waist, and he leaned down to her face and kissed her on the lips, and with Astrid Michelsen's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Astrid Michelsen had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Astrid Michelsen: (Norwegian Accent) (In Heaven) My God. Oh, Lincoln, tell the boys to run and hide in their rooms, the two girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the two girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the two girls are Ren Haskata and Rieka from Babuka.

Lincoln: Oh whoa, it's Ren Haskata and Rieka from Babuka.

Nicole: Uh oh, so those were the girls Astrid rescued, and it's no wonder Travis and Red said that kind of warning, these girls have the looks that make men go crazy and dressed in business clothes and designer outfits, they have an aura that not only attracts men, but also, pissed off Brenda Dennehy.

Lincoln: Astrid did awesome getting them away from that psychotic bitch. Are you girls okay?

Ren Haskata: Yes, we're okay thanks to you.

Then, when Ren Haskata and Rieka saw who it was that saved them from Brenda Dennehy, their faces turned atomic red upon seeing the 12'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero

Ren Haskata: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clone, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ren Haskata: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ren Haskata and Rieka with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Okay, that was really awesome that this rescue took place in The Royal Palace of Versailles.

May: Plus, we found more of Universe 666 Nico's victims and brought them back to life, I can't wait to see the look on that fucking snake's face when we bring all of his victims to face him.

Lincoln: That's for sure, and we finally got rid of Brenda Dennehy for good.

Nico: That's for sure, good fucking riddance to that colossal bitch.

Me: To think she can murder as many people as she wanted for her own amusement and fun, she's absolutely the worst spree killer I've ever met.

Eli: But, we managed to end her reign of evil for good, and avenge all her victims in the process.

Selene Emperyous: That's right.

Michelle Emperyous: We also sent the word to Good Luthor about it, and he's put out an All-Points Bulletin to be on the alert for Universe 666 Nico.

Rachel Emperyous: He won't have anywhere left to run to.

Andy Baker: Except to the shadows, and there's no way he's running to Anti-Monitor.

Liv Baker: After what we saw two years ago, he's a solo act.

Mike Collins: Yep, but he won't have his followers with him. Lincoln got rid of the Universe 666 versions of Lori, Lynn, Lola, Lisa, Luan, Timmy Turner, and the Universe 666 versions of the geniuses on his team.

Universe 666 Tech E Coyote: Wait, he got rid of..? (To Lincoln) You sucked their brains out, didn't you?

Lincoln: Yep.

Tech E Coyote: I almost thought you'd get a headache, but you didn't. I think it's due to feeding on the blood of Becky Long and her sisters.

Becky Long: You're right about that, Tech.

After Lincoln resurrected the Universe 666 Loonatics and he and all of us destroyed Brenda Dennehy and sent her to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Astrid Michelsen saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Astrid Michelsen: (Norwegian Accent) My God, I was right that Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Astrid, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Astrid Michelsen: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Astrid Michelsen: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and the four large orbiting gold rings and gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a portal.

Andy Baker: Uh oh, what's that demon done this time?

Liv Baker: No clue, but knowing him, his remaining minions, and Malphas, it's definitely not good.

Suddenly, Miss Jones came out as the portal closed.

Mike Collins: Miss Jones, what's the emergency?

Miss Jones: I've got something to set up here, ever since we've moved to Gotham Royal York two years ago, I've been setting up everything here in The World Tree Estate with the same technology in the lab. Now, I've got one last thing to set up.

Miss Jones set up the last thing she mentioned: it was The Ghost Cloud.

Nico: Whoa, what is that?

Liv Baker: That's The Ghost Cloud, it's a cage made of Boo Technology and used to house the wild ghosts haunting New York. Every time we capture one of them, we bring it here to Miss Jones who sends it into The Ghost Cloud via the console on the computer.

Mike Collins: Plus, it also keeps them from getting out.

Andy Baker: Want to see?

Lincoln: Sure.

Miss Jones activated The Ghost Cloud, and we saw the many ghosts The Ghostforce has captured, and we were amazed.

Clyde: Wow, there's so many ghosts of different sizes.

Lincoln: We also captured Raijin when we met two years ago, it's inside The Ghost Cloud. But, wow, you guys captured a lot of these ghosts.

Liv Baker: And Miss Jones has been studying them and she can use their energy in the gadgets she creates.

Nico: How can we tell which family these ghosts belong to?
